Twelve Patients Life And Death At Bellevue Hospital

Eric Manheimer

Twelve Patients Life And Death At Bellevue Hospital:

Twelve Patients Eric Manheimer, 2012-07-10 In the spirit of Oliver Sacks and the inspiration for the NBC drama *New Amsterdam* this intensely involving memoir from a Medical Director of Bellevue Hospital looks poignantly at patients lives and highlights the complex mind body connection Using the plights of twelve very different patients from dignitaries at the nearby UN to supermax prisoners at Riker's Island to illegal immigrants and Wall Street tycoons Dr Eric Manheimer offers far more than remarkable medical dramas he blends each patient's personal experiences with their social implications Publishers Weekly Manheimer is not only the medical director of the country's oldest public hospital but he is also a patient As the book unfolds the narrator is diagnosed with cancer and he is forced to wrestle with the end of his own life even as he struggles to save the lives of others

Twelve Patients Eric Manheimer, 2012-07-10 The medical director of Bellevue Hospital in New York uses the lives and conditions of 12 different patients from a Riker's Island prisoner to a suicidal private school student to take a snapshot of modern society

I Had A Daughter Rebecca Rozelle Burt, 2012-11-09 This true story is written by a mother who becomes the primary caregiver for her beloved forty six year old daughter when she is diagnosed with a lethal form of cancer Composed of a chronological narrative interspersed with pertinent e mails inner monologues and medical data the book follows the journey of the two women as they deal with the effects of the disease and its treatment In its essence this is a story of perseverance

courage faith and love It is a raw story powerful and honest allowing the reader to experience from the inside what the author calls cancer world Ultimately the narrative becomes a spiritual diary as the author s reflections on her life and her daughter s evolve into a broader more mystical understanding Toward the Health of a Nation Leslie Boehm,2020-10-22 Canadians view their healthcare recognized throughout the world as an exemplary system as iconic and integral to their identity In Toward the Health of a Nation Leslie Boehm recounts the first seventy years in the life of one of the foundations of Canada s healthcare system the Institute of Health Policy Management and Evaluation at the University of Toronto Boehm a graduate of IHPME and an instructor there throughout his career charts the institute s history from its inception in 1947 as the Department of Hospital Administration to the present day The first program of its kind in Canada and one of the few in the world the school was founded at a time when the issue of healthcare was becoming a significant part of national and provincial discussions and policies Initially concentrating on hospital management and professional degrees it has expanded to offer academic degrees and facilitate important research into health systems policies and outcomes In Toward the Health of a Nation Boehm demonstrates the excellence of the program its faculty and its graduates as well as their accomplishments in major government initiatives and royal commissions In the seventy years since IHPME s inception healthcare has grown to become a major part of government and business activity and it will only increase in coming years An in depth history of a major program in graduate health education Toward the Health of a Nation highlights how important healthcare is to a modern functional society **Handbook on Religion and Health** James R. Cochrane,Gary R. Gunderson,Teresa Cutts,2024-08-06 This revelatory Handbook explores the relationship between religion and health emphasising the effects of organised religion and spirituality on community population and public health While comprehensively summarising the current state of the field it focusses on pursuing new pathways vital for human health in a turbulent world **Angels in America at the British National Theatre** Emily Garside,2022-10-21 Angels in America was one of the most significant pieces of American theatre in the 20th Century Much has been written on Tony Kushner s epic drama However the National Theatre of Great Britain s productions of the show are relatively under discussed Not only was the National Theatre responsible for helping to originate the play in the early 1990s but it helped revitalize interest in 2018 with Marianne Elliott s reimaged version starring Andrew Garfield and Nathan Lane This book considers the role of the National in the play s history and how Elliott s production reframed the play 25 years after the original it chronicles the tumultuous first production and the play s successes in London and New York The book also looks at the key features of the play its representation of AIDS its status as an iconic gay play and its searing political commentary Concluding with an in depth analysis of Marianne Elliott s reimaging of the play this book is an up to date history of Angels in America and a reflection on its continued importance **Privileged Presence** Liz Crocker,Bev Johnson,2014-10-01 Winner of 2015 Book of the Year Award American Journal of Nursing Privileged Presence is a collection of more than 50 stories that capture both the medical and emotional

aspects of the health care experience through tales from those who have been there and offers powerful messages about the essential ingredients of good health care respect compassion collaboration open and honest communication family involvement and flexibility and responsiveness to individuals and their needs This updated second edition uses real world experiences recounted by patients and their families nurses doctors and other health care professionals to illustrate what works and what doesn't and what increases or diminishes people's sense of confidence and well being

Life and Death on Your Own Terms Lofty L. Basta, 2001-05 This insightful

compassionate and lucidly written handbook by a world renowned cardiologist is also a personal testimonial by a surviving cancer patient and an informative guide to end of life issues Dr Basta relies on his medical expertise and first hand experience with a life threatening illness to critique our death denying technologically obsessed culture and gives patients the means to take control of their final days He underscores that physicians the public and society as a whole must come to terms with the unalterable truth that life is finite and that medical intervention beyond a certain point only prolongs suffering When a cure or hope of a better life ceases to be achievable he urges comprehensive palliative care which attends to the patient's physical comfort emotional reassurance and spiritual encouragement To ensure that patients are empowered to provide for their final needs he provides a revolutionary clear simple and medical scenario specific Advance Care Plan which gives each of us the opportunity to execute all important life and death decisions before we are afflicted with a serious health problem and before decisions are irrevocable In sum this book is a tribute to the highly treasured doctor patient relationship Readers who feel that doctors have lost touch with the patient's perspective will welcome Dr Basta's empathy and caring tone
