

A photograph of a woman with long dark hair, wearing a white dress, lying flat on her back on a highly reflective, dark floor. The floor acts as a mirror, creating a clear reflection of her and the room above. The room is a living space with patterned wallpaper, a staircase with a wooden railing and a pink cloth draped over it, a fireplace, and two windows with white frames. A lamp with a white shade stands to the left, and a yellow armchair is on the right. The overall atmosphere is quiet and contemplative.

and endlessly thought provoking **Female Heroism in the Works of Corneille and Racine** Dana Lungu,2023-07-24 This study breaks with traditional readings in terms of tragic model and tragic hero in the works of Racine and Corneille It departs from the critical tradition of examining the tragic hero as an isolated figure defined by autonomy it approaches the behaviour of M d e Clytemnestre and Ph dre from a relational perspective It argues that these female characters belong to the tragic hero category hold valid and valuable ethical positions and deserve to be treated as equal to their male counterparts It also redefines the way we look at the tragic dynamic The characters are no longer antagonists but inadvertent collaborators working towards the tragic outcome in order to satisfy desires and beliefs about themselves and the world that are deeply rooted in their psyche This book shows that alternative interpretations of the behaviour of M d e Clytemnestre and Ph dre can be obtained and must be obtained by applying modern methodologies in order to challenge the biased readings from the past and to see these characters in a new light Annual Bibliography of Modern Art Museum of Modern Art (New York, N.Y.). the streets But what is it about this dark and morbidly morose aesthetic that fascinates us today In Contemporary Gothic Catherine Spooner probes the reasons behind the prevalence of the Gothic in popular culture and how it has inspired innovative new work in film literature music and art Spooner traces the emergence of the Gothic subculture over the past few decades and examines the various aspects of contemporary society that revolve around the grotesque abject and artificial The Gothic is continually resituated in different spheres of culture she reveals as she explores the transplantation of the street Goth style to haute couture runway looks by fashion designers The Gothic also appears in a number of surprisingly diverse representations and Spooner considers them all from the artistic excesses of Jake and Dinos Chapman to the fashions of Alexander McQueen and from the mind bending films of David Lynch to the abnormal postmodern subjects of Joel Peter Witkin's photography In an engaging way Contemporary Gothic argues that this style ultimately balances a number of contradictions the grotesque and incorporeal authentic self expression and campiness mass popularity and cult appeal comfort and outrage and these contradictions make the Gothic a crucial expression of contemporary cultural currents Whether seeking to understand the stories behind the TV show Supernatural or to extract deeper meanings from modern literature Contemporary Gothic is a lively and virtually unparalleled study of the modern Gothic sensibility that pervades popular culture today

Three Kinds of Motion Riley Hanick, 2015-03-23 A freewheeling journey through midcentury America as art literature and the interstate highway system intersect In 1943 Peggy Guggenheim commissioned a mural from Jackson Pollock to hang in the entryway of her Manhattan townhouse It was the largest Pollock canvas she would ever own and four years later she gave it to a small Midwestern institution with no place to put it When the original scroll of *On the Road* goes on tour across the country it lands at the same Iowa museum housing Peggy's Pollock revitalizing Riley Hanick's adolescent fascination with the author Alongside these two narrative threads Hanick revisits Dwight D Eisenhower's quest to build America's first interstate highway system When catastrophic rains flood the Iowa highways they also threaten the museum and its precious mural In *Three Kinds of Motion* his razor sharp funny and intensely vulnerable book length essay Hanick moves deftly between his three subjects and delivers a story with

brehtaking ingenuity He gravitates toward the unexpected and the poignant We see Eisenhower painting Kerouac confined to a naval hospital after running naked across a drill field and Pollock babysitting for the offspring of his mentor Thomas Hart Benton Hanick creates arresting juxtapositions in the mode of such kindred innovative essayists as John D Agata Ander Monson and Lia Purpura Booklist Like a great conversationalist Hanick paints a generous canvas and I rode the length of this powerful book much like I first experienced the American interstate songs on the stereo windows down and the bittersweet sense that youth is fleeting Three Kinds of Motion holds open a wild and beautiful journey not to be missed Thalia Field
