Twins In The World Twins In The World:

New Understandings of Twin Relationships Barbara Klein, Stephen A. Hart, Jacqueline M. Martinez, 2020-12-23 New Understandings of Twin Relationships takes an experience based approach to exploring how twin attachment and estrangement are critical to understanding the push and pull of closely entwined personal relationships Based on the research expertise of each of the authors all identical twins in their own right and vignettes from twins across the globe this book describes the inner workings of the twin world showing how the twin world creates experiences that are often more intense and intricately textured than those in the singleton world Chapters debunk myths surrounding twinship and analyze the developmental stages of the twin relationship as well as the effect of being a twin on one's mental health from different perspectives The authors articulate how attachment separation anxiety loneliness estrangement and the subjective experience of the twin and non twin other impact behavior thinking and feeling Through its careful study of the many psychological challenges that twins face throughout their lifetime this text will help psychologists scholars clinicians and twins themselves attain a deeper understanding of all interpersonal relationships *Twins in the World* A.

Piontelli, 2008-09-29 In this compelling narrative Piontelli explores the different roles that twins play in societies around the world In her travels around the world Piontelli has studied the role of twins especially throughout Africa Asia South America and the Pacific rim observing different cultural perspectives and how differing societies treat them **Twin Dilemmas**

Barbara Klein, 2017-06-26 The development of how twins relate to each other and their single partners is explored through life stories and clinical examples in this telling study of twin interconnections While the quality of a nurturing family life is crucial Dr Klein has found there are often issues with separation anxiety loneliness competition with each other and finding friendships outside of twinship When twin lives are entwined because of inadequate parenting and estrangement twin loss is possible and traumatic creating a crippling fear of expansiveness an inability to be yourself Therapists and twins seeking an understanding of twin relationships will find this clinically compelling book a valuable resource Riding Between the

Worlds Linda Kohanov, 2007 The author builds on a lifetime of work including her own work called The Tao of Equus to continue her exploration of the unique and powerful relationship between horses and humans thus expanding the emotional understanding of both species **Old World Hero Stories** Eva March Tappan, 1911 **Phenomenology of Thinking**

Thiemo Breyer, Christopher Gutland, 2015-11-19 This book draws connections between recent advances in analytic philosophy of mind and insights from the rich phenomenological tradition concerning the nature of thinking By combining both analytic and continental approaches the volume arrives at a more comprehensive understanding of the mental process of thinking and the experience and manipulation of objects of thought Contributors scrutinize aspects of thinking that have a common grounding in both the phenomenological and analytic tradition perception language logic embodiment and situatedness due to individual history or current experience This collection serves to broaden and enrich the current debate over cognitive
