M. B. Cummins, 2025-03-06 In the Ninth Chapter of the Gospel of John there is an account of Jesus healing a man born blind In verse 7 we find these words Go he told him wash in the Pool of Siloam this word means sent So the man went and washed

and came home seeing Have you ever considered what might have taken place between the command go and the words came home seeing Inside Out was created to give a unique perspective into that question and to explore several other accounts in the New Testament Its stories go inside the experiences of the people who lived miracles and takes the reader on a journey into their potential actions thoughts hopes and even fears While some literary license has been used the Word of God has been treated with the utmost care accuracy and reverence The message of the Good News is intact and unchanged The spotlight is on the human condition and the lengths our Savior took to remedy that situation and connect the hearts of mankind to God and to each other
