Destination Kingdoms Mansion Pat Cruz, 2023-11-22 I've learned through the school of hard knocks that life's journey is planned by God and not our own My nuclear family friends and Christian exposure influenced the person that I became I've learned that God's plans are not thwarted by our self-determination and direction Eventually I saw life through God's lens and gained a spiritual perspective over time Through my life's journey of free will undesirable outcomes emerged In retrospect I suffered the consequences because I had a rebellious nature toward my God I married men who were incompatible and unequally yoked which was my cross to bear I point to incidents and occurrences that lead to failed marriages But the good news is that I finally embraced the truth and turned to my first love Jesus Christ I spiritually connected to the good book written by men of faith I felt compelled to share the story of God's plan of redemption through His Son Jesus Christ I learned that His yoke is easy and that His burden is light Now I implore you to never give up if you mess up fall off or slide off the train It's your choice and your life is in the balance of a positive or negative outcome If you choose disbelief your destination is with the adversary If you choose Christ you're on your way toward the Kingdom's Mansion on the Happy Day Express
