Bicycle Dreams Chizoba Chiamaka Asika,2024-07-01 Bassey and Thomas were best friends They both had one wish which was to own a bicycle someday Their fathers promised to get them bicycles if they take first positions in class As a result of the promise Bassey and Thomas studied hard and excelled in their academics and took first positions in their respective classes Their fathers honoured their promise and bought them their dream bicycles Bassey made the bicycle his priority and spent all his time riding He neglected his books and his best friend He later got into trouble with some street

kids after a bicycle race and his bicycle was totally destroyed Unlike Thomas he wanted a bicycle badly he got it but he didn't learn how to keep it In the end he learnt that a good friend is worth more than a million bicycles He also learnt that he had to put his books first and his focus shouldn't be on the gift but on the things he did to earn the gift **Cycle World Magazine**,2004-01
