Indian Economy, 72nd Edition Datt Gaurav & Mahajan Ashwani, 2018 This book presents a comprehensive survey of the Indian Economy in terms of GDP, growth, savings, investment, and developments in various sectors such as agriculture, industry, and services. A contradiction observed in India is that while the reform process has resulted in boosting GDP growth, it has failed to yield acceleration in the process of poverty reduction and growth of employment. **International Trade, Economic Crisis and the Sustainable Development Goals** Tonmoy Chatterjee, 2024-05-17 Proposing international trade as a path for achieving the SDGs, this curated collection envisions a more equitable and sustainable world, one where the benefits of international trade are fairly distributed, where economic crises are met with resilience and innovation, and where the SDGs are not just aspirations but lived realities. **Indian Economy and Neoliberal Globalization** P. L. Beena, Murali Kallummal, Santosh Kumar, 2022-12-20 This book assesses the effects of globalization and neoliberal economic regimes in low and middle income countries, primarily on industries, investment, and trade, finance, and credit, and employment, gender, and development. The volume, written to honour the rich academic work of the eminent economist Professor C. P. Chandrasekhar, addresses issues which are relevant to emerging economies and their concerns around development, investment, financial planning, and adopting new technologies. It analyses the new financial systems and institutions and the dominance of global finance in policymaking in these countries and their effects in the postpandemic period. It examines the changing contours of finance, trade, and labour models and laws in developing countries to assess the risks and concerns of economic crises and challenges. The volume does justice to an assessment of the macroeconomic and developmental implications of neoliberal policies in

India while offering an insightful overview of the new economic practices and policies It also offers suggestions and measures to address concerns regarding banking and global liquidity reinforce robust strategies for growth in both small and large industries and bring in reform This book will be of interest to scholars and students of economics political economy finance and trade development studies and South Asian studies **Twenty Years of CRC** ,2011 **Understanding the Multi-Dimensional Nature of Poverty** Richa Goel,Tilottama Singh,Md.
