Processing Department,1964 Positively Type 1: How Living with a Chronic Illness Can be Your Most Powerful Motivator for an Extraordinary Life Nick Kundrat,2020-05-15 Living with diabetes since age 4 has been

far from easy Yet I don't look back at my life and see my diagnosis as a setback quite the opposite actually It has been my single most powerful motivator to live a happy healthy and fulfilling life Diabetes has shaped me into the person I am today and I couldn't be more thankful for it What you may hear about kids and adults living with type 1 is that while they have a disease they can still do everything a normal person can This statement has always left a bad taste in my mouth Diabetes is MUCH more than a burden It's more than just a barrier to push through to make it to the realm of normal Your diagnosis DOES NOT have to be something that holds you back in life It can be what sets you apart and makes you EXTRAORDINARY My diabetes has pushed me to far surpass normal and jump headfirst into an exceptional life with exceptional successes and failures along the way With this book instead of dwelling on the negatives of life with type 1 I chose to highlight the many amazing perks explain the skills one builds while living with type 1 and share the stories of some amazing young individuals who embody them Seeing diabetes through a positive lens has allowed me to truly thrive and through sharing others stories and mine I aim to help you do the same

Elle & Coach Stefany Shaheen, 2015-08-25 NEW YORK TIMES Bestseller This book will inspire and encourage countless parents and children around the country I loved it Hillary Rodham Clinton Elle Coach is the true story of a Type A mom struggling to care for a daughter who has Type 1 diabetes and of the incredible service dog who changes their lives for the better Stefany Shaheen tries everything to manage her daughter Elle's deadly and unpredictable disease Overcoming the skepticism that a dog can provide answers that medical science is still seeking the family finds a resounding sense of peace and reassurance through Coach's near miraculous abilities as a medic alert dog specially trained to detect dangerous changes in blood sugar levels
