Science Meets the UFO Enigma Desmond Bragg, Paul Joslin, 2000 Thousands of well documented reports of strange and baffling events without known causes grouped under the amorphous heading UFOs are sufficient in the authors view to suggest that they merit serious scientific study It is their opinion that a scientific study seriously undertaken would reveal cause effect relationship for some possibly all of the phenomena that constitute the UFO enigma The accumulated evidence for the UFO enigma consists of reports from many parts of the world These reports contain at least nineteen categories of human experiences ranging from simple observations of strange lights to accounts of abductions by strange unknown beings Most reports are from ordinary persons unable to identify a natural cause for what they have observed or experienced Many of these are sufficiently well documented to form the basis for scientific studies The core of the UFO enigma is found in the thousands of challenging reports from highly intelligent knowledgeable persons with sufficient scientific expertise and experience to enable them to make clear distinctions between events with and without known causes These latter reports form the basis of this book s assertion that the UFO enigma can and should be studied scientifically This book is the authors attempt to provide an overview of the UFO enigma as a scientific problem and to suggest sources of information and methods for attempting to solve it

Secret Life David M. Jacobs, 1993-04-16 Revealing and unsettling interviews with over sixty real life individuals who claim they were abducted by aliens from the author of *The UFO Controversy in America* In *Secret Life* retired professor David M Jacobs takes us into the private world of those abducted by aliens letting them describe in their own words what it is like to be abducted Based on interviews with sixty individuals and more than 300 independently corroborated accounts *Secret Life* presents the most complete and accurate picture of alien abductions ever compiled Dr Jacobs takes the reader on a minute by minute

journey through a typical abduction experience and describes in detail the bizarre physical mental and reproductive procedures that abductees claim have been administered by small alien beings Jacobs draws from these interviews a profoundly unsettling reason behind the abductions aliens are conducting a complex reproductive experiment involving the conception gestation or incubation of human and alien hybrid beings A World of UFOs Chris A. Rutkowski,2008-09-29 UFOs are a truly global phenomenon Although many of the best known cases have taken place in North America amazing stories of witnesses encounters with strange disc shaped objects and their occupants have come from every corner of the globe From a floating platform watched by dozens in Indonesia to a Saturn shaped object that flew over a ship off the coast of Brazil to a landing Down Under UFOs have been baffling witnesses and making headlines around the world What are some of the most interesting cases Which ones seem most mysterious And what can one of the worlds most active UFO researchers and investigators tell us about UFOs from A to Z Join Chris Rutkowski as he takes us on a tour of A World of UFOs *The Psychology and Science of Pseudoscience* Terence Hines,2025-03-18 This book provides a comprehensive review of numerous areas of pseudoscience and related pathological science It not only describes the factual bases for rejecting pseudoscientific claims but also emphasizes the psychological processes that lead to the acceptance of such claims This book is timely given the increase in misinformation over the past decade Using three principles of cognitive psychology this book helps explain why people are hard wired to accept and continue to believe in pseudoscientific claims It provides up to date discussions of numerous paranormal and pseudoscientific topics including the usual suspects UFOs and alien abductions astrology cryptozoology and more but also belief in conspiracy theories laboratory parapsychology bogus forensic science techniques the pseudopsychologies of Freud medical fraud and the unethical practices of Big Pharma Older research that was foundational in the critical examination of several topics is woven throughout to situate them in a historical context *A Treatise on Human Nature: Christian Saints, Historical Figures, and the Ufo Phenomenon* Robert Iturralde,2022-02-07 The premise of this book is to explain how ancient and modern mysteries are created by the Intelligence behind the Ufo Phenomenon The most famous mysteries like the Shroud of Turin the Near Death Experience GHOSTS and others are well researched and finally solved **The Mystery of ESP** Chris Oxlade,2008 What is extra sensory perception Can people move objects with their minds How is ESP tested Some things are so strange that they cannot be explained This series explains the connection between science and natural phenomena and how science can be used to try to explain mysteries
