Toward a Phenomenological Rhetoric Barbara Couture, 1998 Current rhetorical and critical theory for the most part separates writing from consciousness and presumes relative truth to be the only possible expressive goal for rhetoric These presumptions are reflected in our tradition of persuasive rhetoric which values writing that successfully argues one person's belief at the expense of another's Barbara

Couture presents a case for a phenomenological rhetoric one that values and respects consciousness and selfhood and that restores to rhetoric the possibility of seeking an all embracing truth through pacific and cooperative interaction Couture discusses the premises on which current interpretive theory has supported relative truth as the philosophical grounding for rhetoric premises she argues that have led to constraints on our notion of truth that divorce it from human experience She then shows how phenomenological philosophy might guide the theory and practice of rhetoric reanimating its role in the human enterprise of seeking a shared truth She proposes profession and altruism as two guiding metaphors for the phenomenological activity of truth seeking through interaction Among the contemporary rhetoricians and philosophers who influence Couture are Pierre Teilhard de Chardin Martin Buber Charles Altieri Charles Taylor Alasdair MacIntyre and Jürgen Habermas

THE MAP OF TWO ETERNAL DESTINATIONS Dipo Toby Alakija, Most people are oblivious of the fact that the world is fast coming to an end despite the warnings of Jesus Christ in Mark 13 7 22 where the signs of the inevitable destruction of the world are revealed These signs include wars with nations rising against nations earthquakes in various places famines pandemic depressions persecutions of Christians abominations of desolations lock down and other tribulations Despite these events which are obvious fulfillment of these prophecies in these modern days most people including Christians are still not prepared for eternity In order to prepare Christians and inform every other person about eternal destinations these illustrative and authoritative sermons which are delivered by the preacher and author of this book to hundreds of thousands of people online are compiled for group or personal studies The author uses real life events and illustrations to explain the mysteries of the two eternities teaching the ways to reach each of destinations as revealed in the Bible

As We Await the Blessed Hope Mark Kyriakos, 2015-12-18 Too many books are published today with too little rigor This is a book that has been rigorously researched and written In a world that often seems full of the shallow and superficial it is deep and filled with important insights It is not for everyone but those that make the effort will be richly rewarded Matthew Kelly New York Times bestselling author of Rediscover Catholicism Mark Kyriakos has written a book on Bible prophecy that is most unique among Catholic scholars today It is thoroughly biblical and Catholic It is both scholarly and approachable to read for a serious student of Scripture I welcome it as a fresh offering at a time when we usually read treatments of this topic from a predominantly non Catholic perspective John Michael Talbot Founder and Minister General of the Brothers and Sisters of Charity Its impossible to understand the whole range of Gods plan and indeed the Gospel message itself without an understanding of the Second Coming and Final Judgment I am grateful for the immense work that Mark Kyriakos has put into this book and for his effort to make these valuable resources available to a wider audience Ralph Martin S T D President Renewal Ministries

Creator Peter J. Leithart, 2023-12-05 Discussion about God s work of creation are often overwhelmed by questions such as the age of the earth and the relationship between divine creation and evolution Without completely ignoring these issues this rigorously grounded theological interpretation of Genesis 1 engages thinkers like Plato Martin

Luther and Karl Barth *Northwestern Christian Advocate* ,1916 *Are We Living in the Last Days?* Bryan Chapell,2024-02-06 Will Jesus s return be preceded by a single world government Will every person have a government issued ID or mark Does Christ return once or twice Will believers go through a Great Tribulation Will there be a literal battle of Armageddon Does it even matter what we believe about future events Biblical prophecies about the end times have confused confounded and even divided God s people for centuries But the reason Scripture gives us hints about the future is to provide the encouragement we need to endure the present confident that God keeps his promises In this balanced look at four major views of the end times bestselling author Bryan Chapell explains the primary ways Christians have interpreted biblical prophecy about the last days not so that we might pick a hill to die on but so that we can cling to what unites us in Christ No matter what end times view we find most compelling in God s plans we can find strength for today and hope for tomorrow

Eternal Love Means God Is for Us Dr. George P. Kimber,2019-02-19 One of the most amazing revelations that is discovered about the Bible is that it isn t just an ancient history book God is actually present in this world from the beginning to the present time and to the end of time In other words God always has been and still is for us Eternal Love Means God Is for Us will encourage each of us on our journeys as believers and it will uplift us both personally and as part of the church to evangelize with greater confidence This confidence is needed so much more as the church s relevance is being challenged today Author and pastor Dr George P Kimber shows us how God is present in the world and present in the church making it eternally relevant no matter the state of the world The scriptures reveal that God wanted to have a people made in his image and would eventually be with him forever in eternity The Bible records his actions of moving through history to accomplish this in spite of all the ups and downs Because of this determination we can be assured that God is with us and for us while his will is being accomplished

Sermons and Discourses Thomas Chalmers,1844 **The Potter's Hands: A 366-Day Journey to Knowing God** Jason Lawson,2021-11-16 The day Jason Lawson s stress reached a tipping point he found himself shaking so badly he couldn t even pour orange juice into a blender for his family s breakfast He felt like his world was falling around him and he was afraid of losing his family his job and his mind But that was the day Jason met the Potter Not the cartoon God on nursery walls or the religious God preached about in many churches That day Jason began a journey with the Potter to learn Who He really is and why He created man and this journey is compiled in his new devotional The Potter s Hands A 366 Day Journey to Knowing God The Potter s Hands tackles questions such as If the Potter is so good then why did He create me to hurt and struggle Why am I so cracked and flawed Why does He fill me with so much pain and many more The answer Jason found was simple He is the Potter and we are the clay He formed us for His glory not our comfort He decides our size and shape He chooses what to pour into us and He is the One Who determines where He places us Our role in this is to trust Him as the Potter the Savior the Counselor the Servant the Commander the Spirit the Creator the Father the Rabbi the Redeemer the Healer and the Shepherd The heartbeat of The Potter s Hands is to remind readers

that the clay can do nothing apart from the Potter s hands but in the Potter s hands He can create a masterpiece for His glory What more could we ask for Come along for one year and walk with Him Let the Potter reveal to you Who He really is

Suicide in Modern Catholic Literature Martin Lockerd,2025-06-10 Suicide plays a major role in modern literature and the philosophy that informs it For Catholic authors who have always understood the act within the framework of sin and redemption it carries a special significance In the last century Catholic literary figures as diverse as J R R Tolkien and Walker Percy Robert Hugh Benson and Muriel Spark J K Huysmans and Graham Greene wrestled with the problem of suicide in their work and produced art that confronts the despair so common in modern existence As suicide rates continue to increase across the developed world and entire nations embrace and expand legalized assisted suicide this book draws readers back to Catholic literature as a resource for understanding and perhaps even resisting this trend *“Not Afraid to Tell the Truth”* Ken M. Schmidt,2011-07-22 This book was originally intended to be a 3 Volume set or Trilogy but has been shortened to a single volume and edited for publication as a single title Not afraid To Tell The Truth which could be subtitled Exposing the conspiracy of silence in the Last Days it is not a book about discipleship necessarily nor is it a book you could use as a guideline for counseling rather it is a book written with the intention of shedding light upon 13 contrasting themes running through the whole of Gods Word which the author believes have become confused by Western Christian wrong thinking preaching and practice in the last days of the Church age False teachers and heretical teachings have crept into the Church unawares bringing with it a form of captivity similar to the captivity of the nation Israel but with far graver consequences
