Alain-G. Gagnon, Soeren Keil

Union And Unionisms Political Thought In Scotland 1500 2000:

Union and Unionisms, 2008 *Union and Unionisms* Colin Kidd, 2008-12-04 Although the dominant political ideology in Scotland between 1707 and the present unionism has suffered serious neglect One of the most distinguished Scottish historians of our time looks afresh at this central theme in Britain s history politics and law and traces the history of Scottish unionist ideas from the early sixteenth century to the present day Colin Kidd demonstrates that unionism had impeccably indigenous origins long predating the Union of 1707 and that it emerged in reaction to the English vision of Britain as an empire Far from being the antithesis of nationalism modern Scottish unionism has largely occupied a middle ground between the extremes of assimilation to England or separation from it At a time when the future of the Scottish union is under scrutiny as never before its history demands Colin Kidd s lucid and cogent examination which will doubtless generate major debate both within Scotland and beyond **The Two Unions** Alvin Jackson, 2012 Alvin Jackson examines the two Unions the Anglo Scots Union of 1707 and the British Irish of 1801 comparing their background birth and survival In sustaining a comparison between the Unions he illuminates the long history and current state of the United Kingdom *Scots in Victorian and Edwardian Belfast* Kyle Hughes, 2013-12-11 A new departure in Scottish and Irish migration studies The Scottish diasporic communities closest to home those which are part of what we sometimes term the near Diaspora are those we know least about Whilst an interest in the overseas Scottish diaspora has grown in recent years Scots who chose to settle in other parts of the United Kingdom have been largely neglected This book addresses this imbalance Scots travelled freely around the industrial centres of northern Britain throughout the nineteenth and early twentieth centuries and Belfast was one of the most important ports of call for thousands of Scots The Scots played key roles in shaping Belfast society in the modern period they were essential to its industrial development they were at the centre of many cultural philanthropic and religious initiatives and were welcomed by the host community accordingly Yet despite their obvious significance in staunchly Protestant Unionist and at times insular and ill at ease Belfast individual Scots could be viewed with suspicion by their hosts dismissed as strangers and cast in the role of interfering outsiders Key Features The only book length scholarly study of the Scots in modern Ireland Brings to light the fundamental importance of Scottish migration to Belfast society during the nineteenth century Advances our knowledge and understanding of Scotland s near diaspora Highlights areas of tension in Ulster Scottish relations during the Home Rule era Puts forward a new agenda for a better understanding of British in migration to Ireland in the modern period **The Moral Culture of the Scottish Enlightenment** Thomas Ahnert, 2015-01-27 In the Enlightenment it was often argued that moral conduct rather than adherence to theological doctrine was the true measure of religious belief Thomas Ahnert argues that this enlightened emphasis on conduct in religion relied less on arguments from reason alone than has been believed In fact Scottish Enlightenment champions advocated a practical program of moral culture in which revealed religion was of central importance Ahnert traces this to theological

controversies going back as far as the Reformation concerning the conditions of salvation His findings present a new point of departure for all scholars interested in the intersection of religion and Enlightenment **The Oxford Handbook of**

Scottish Politics Michael Keating, 2020-08-21 The Handbook of Scottish Politics provides a detailed overview of politics in Scotland looking at areas such as elections and electoral behaviour public policy political parties and Scotland's relationship with the EU and the wider world The contributors to this volume are some of the leading experts on politics in Scotland

Unionisms in Times of Change Jennifer Todd, Dawn Walsh, 2021-09-05 Unions and unionisms are important because they offer an alternative form of politics to that of nation states and nationalisms They allow a wider variety of relations between a plurality of peoples opening prospects of resolving territorial politics But unionisms as state or polity centred perspectives are also typically power centred often using the resources of the polity to resist assertion by their members thereby turning democratic challenges into secessionist ones Unionisms in Times of Change Brexit Britain and the Balkans focusses on these two faces of unionisms the flexible alternative to the nation state and the assertor of central power This book is particularly timely at a period when the unions of the British Isles and of Europe have been disrupted by the process of British exit from the European Union creating new dilemmas and options for unionisms in Northern Ireland The chapters in this volume map the conceptual structure of unionisms the ways unions are defined and defended in Northern Ireland the United Kingdom the European Union the Balkans and Moldova the ways they deal with challenge conflict and change the prospects of negotiation the ways unionisms move from flexibility and accommodation to repression and back and the opportunities for agreement and conflict resolution The chapters in this book were originally published as a special issue of the Irish Political Studies

Understanding Federalism and Federation Alain-G. Gagnon, Soeren Keil, 2016-03-09 Based on a variety of contemporary debates on federal theory Understanding Federalism and Federation honours Michael Burgess' contribution to the study of these topics through a selection of approaches theories debates and interpretations Gathering contributors from diverse subfields to synthesize current debates it offers a snapshot of the immense range of current research on federalism and federation Leading authors debate key issues such as American federalism Canada and the role of Quebec the latest insights into comparative federalism and federation the European Union as a federal project and the analysis of constitutional courts in federal systems Different theoretical and empirical fields and perspectives are brought together synthesizing major findings and addressing emerging issues and these topics are analysed through multiple lenses to provide new insights original approaches and much needed theoretical and empirical data on federalism and federation **Union and Disunion**

in the Nineteenth Century James Gregory, Daniel Grey, 2019-12-06 This volume examines the nineteenth century not only through episodes institutions sites and representations concerned with union concord and bonds of sympathy but also through moments of secession separation discord and disjunction Its lens extends from the local and regional through to national and international settings in Britain Europe and the United States The contributors come from the fields of cultural

history literary studies American studies and legal history Cosmo Innes and the Defence of Scotland's Past c. 1825-1875
Richard A. Marsden, 2016-05-13 Today Scotland's history is frequently associated with the clarion call of political nationalism. However, in the nineteenth century the influence of history on Scottish national identity was far more ambiguous. How then did ideas about the past shape Scottish identity in a period when union with England was all but unquestioned? The activities of the antiquary Cosmo Innes (1798-1874) help us to address this question. Innes was a prolific editor of medieval and early modern documents relating to Scotland's parliament, legal system, burghs, universities, aristocratic families, and pre-Reformation church. Yet unlike scholars today, he saw that editorial role in interventionist terms. His source editions were artificial constructs that powerfully articulated his worldview and agendas, emphasising Enlightenment-inspired narratives of social progress and institutional development. At the same time, they used manuscript facsimiles and images of medieval architecture to foreground a romantic concern for the texture of past lives. Innes operated within an elite associational culture which gave him access to the leading intellectuals and politicians of the day. His representations of Scottish history therefore had significant influence and were put to work as commentaries on some of the major debates which exercised Scotland's intelligentsia across the middle decades of the century. This analysis of Innes's work with sources set within the intellectual context of the time and against the antiquarian activities of his contemporaries provides a window onto the ways in which the national past was perceived in Scotland during the nineteenth century. This allows us to explore how historical thinkers negotiated the apparent dichotomies between Enlightenment and Romanticism whilst at the same time enabling a re-examination of prevailing assumptions about Scotland's supposed failure to maintain a viable national consciousness in the later 1800s.

The Ashgate Research Companion to Secession Peter Radan, 2016-03-23 Secession is a detachment of a territory from an existing state with the aim of creating a new state on the detached territory. Secession is usually an outcome of the political mobilization of a population on the territory to be detached and as a political phenomenon is a subject of study in the social sciences. Its impact on inter-state relations is a subject of study in international relations. But secession is also subject to regulation both in the constitutional law of sovereign states and in international law. Following a spate of secessions in the early 1990s, legal scholars have proposed a variety of ways to regulate the international responses to attempts at secessions. Moreover, since the 1980s, normative justification of secession has been subject to an intense debate among political theorists and moral philosophers. This research companion has the following three complementary aims: First, to offer an overview of the current theoretical approaches to secession in the social sciences, international relations, legal theory, political theory, and applied ethics. Second, to outline the current practice of international recognition of secession and current domestic and international laws which regulate secession. Third, to offer an account of major secessionist movements, past and present, from a comparative perspective. In their accounts of past secessions and current secessionist movements, the contributors to this volume focus on the following four components: the nature and source of secessionist grievances, the

ideologies and techniques of secessionist mobilization the responses of the host state or majority parties in the host state and the international response to attempts at secession This provides a basis for identification of at least some common patterns in the otherwise highly varied processes of secession *The American Revolution Reborn* Patrick Spero, Michael Zuckerman, 2016-11-25 The American Revolution Reborn parts company with the American Revolution of our popular imagination and renders it as a time of intense ambiguity and frightening contingency With an introduction by Spero and a conclusion by Zuckerman this volume heralds a substantial and revelatory rebirth in the study of the American Revolution

Essential Scots and the Idea of Unionism in Anglo-Scottish Literature, 1603-1832 Rivka Swenson, 2015-12-30 John Locke asked since all things that exist are merely particulars how come we by general terms Essential Scots and the Idea of Unionism in Anglo Scottish Literature 1603 1832 tells a story about aesthetics and politics that looks back to the 1603 Union of Crowns and James VI I s emigration from Edinburgh to London Considering the emergence of British unionism alongside the literary rise of both description and the individual Rivka Swenson builds on extant scholarship with original close readings that illuminate the inheritances of 1603 a date of considerable but untraced importance in Anglo Scottish literary and cultural history whose legacies are still being negotiated today The 1603 Union of Crowns spurred interest in exploring the aesthetic politics of unionism in relation to an alleged Scottish essence that could be manipulated to resist or support Britishness even as the king s emigration generated a legacy of gendered representations of traveling Scots and Scotlands left behind Discussing writers such as Bacon Defoe Smollett Johnson Macpherson Ferrier and Scott along with lesser known or forgotten popular authors and ballads transparencies newspapers joke books cant dictionaries political speeches histories travel narratives engravings material artifacts such as medals and snuffboxes Essential Scots describes the years 1603 to 1832 as a crucial period in British history Paradoxically the political and cultural exploration of ideas about unionism in relation to a supposed essential Scottishness participated in the increasing prominence of both description and the individual in nineteenth century Scottish literature Swenson persuasively concludes that essential Scottishness as both identity and symbolism was refigured to mediate a national synthesis between the emergent individual and the nascent British nation as well as the naturalized even de politicized literary synthesis of particulars within putatively analogous narrative wholes

Principles and Practices of Fiscal Autonomy Giancarlo Pola, 2016-03-03 This century has seen the continuation of long term trends in the movement of the territorial boundaries of nation states alongside the emergence of new tensions The repercussions of the Scottish referendum and the heightened urgency of the Catalonia question along with the continued economic problems faced by the Eurozone have given new energy and context to debates on institutional and fiscal autonomy Assessing the impact of increasing calls for wider fiscal autonomy in the UK Spain Switzerland Argentina Brazil Germany Italy and the USA this volume updates and adds significant new context to the debate Framing the discussion on fiscal autonomy and drawing out ethical considerations it portrays the problems connected with the devolution of responsibilities

and financial resources to sections of the population sometimes content to be part of a lower layer of government sometimes aspiring to an asymmetrical position or total independence *Scottish Nationalism* Richard Finlay, 2022-04-07 For more than a decade now the issue of Scottish independence has been one of the key features in British politics and has raised questions as to the likely survival of the United Kingdom in the post Brexit era In Scotland the SNP has been in government since 2007 and has established a political hegemony that makes it the most successful political party in terms of electoral politics in Europe Yet the political philosophy of this movement has not been studied in any great depth and a number of basic questions remain unanswered such as why is the movement non violent and constitutional Why does it believe that Scotland as a nation should exercise its right to self determination and how does it square a largely outward looking and cosmopolitan vision of society with nationalism This book answers these important questions By examining the evolution of nationalist ideas on Scottish history its relationship to the philosophy of nationalism as well as how the Treaty of Union between Scotland and England created an unusual legal and constitutional framework this book offers new insights into Scottish history and Scotland's place within the Union and relates it to wider international and imperial British history

The Scottish Independence Referendum Aileen McHarg, Tom Mullen, Alan Page, Neil Walker, 2016-06-16 The September 2014 Scottish independence referendum was an event of profound constitutional and political significance not only for Scotland but for the UK as a whole Although Scottish voters chose to remain in the UK the experience of the referendum and the subsequent political reaction to the No vote that triggered significant reforms to the devolution settlement have fundamentally altered Scotland's position within the Union The extraordinary success of the Scottish National Party at the 2015 General Election also indicates that the territorial dimension to UK constitutional politics is more prominent than ever destabilising key assumptions about the location and exercise of constitutional authority within the UK The political and constitutional implications of the referendum are still unfolding and it is by no means certain that the Union will survive Providing a systematic and academic analysis of the referendum and its aftermath this interdisciplinary edited collection brings together public lawyers political scientists economists and historians in an effort to look both backwards to and forwards from the referendum The chapters evaluate the historical events leading up to the referendum the referendum process and the key issues arising from the referendum debate They also explore the implications of the referendum both for the future governance of Scotland and for the UK's territorial constitution drawing on comparative experience in order to understand how the constitution may evolve and how the independence debate may play out in future Ruth Davidson's

Conservatives: The Scottish Tory Party, 2011-19 David Torrance, 2020-06-18 This title which brings together leading academics and analysts examines the extraordinary revival of the Scottish Conservative Party between 2011 and Ruth Davidson's shock resignation in 2019 **Executive Decision-Making and the Courts** TT Arvind, Richard Kirkham, Daithí Mac Síthigh, Lindsay Stirton, 2021-02-25 In this book leading experts from across the common law world assess the impact of

four seminal House of Lords judgments decided in the 1960s *Ridge v Baldwin* *Padfield v Minister of Agriculture* *Conway v Rimmer* and *Anisminic v Foreign Compensation Commission* The Quartet is generally acknowledged to have marked a turning point in the development of court centred administrative law and can be understood as a formative moment in the emergence of modern judicial review These cases are examined not only in terms of the points each case decided and their contribution to administrative law doctrine but also in terms of the underlying conception of the tasks of administrative law implicit in the Quartet By doing so the book sheds new light on both the complex processes through which the modern system of judicial review emerged and the constitutional choices that are implicit in its jurisprudence It further reflects upon the implications of these historical processes for how the achievements failings and limitations of the common law in reviewing actions of the executive can be evaluated

The Unity of Public Law? Mark Elliott, Jason NE Varuhas, Shona Wilson Stark, 2018-04-19 This major collection contains selected papers from the second Public Law Conference an international conference hosted by the University of Cambridge in September 2016 The collection includes contributions by leading academics and judges from across the common law world including senior judges from Australia Canada New Zealand and the UK The contributions engage with the theme of unity and disunity from a number of perspectives offering a rich panoply of insights into public law which significantly carry forward public law thinking across common law jurisdictions setting the agenda for future research and legal development Part 1 of the volume contains chapters which offer doctrinal and theoretical perspectives Some chapters seek to articulate a unifying framework for understanding public law while others seek to demonstrate the plurality of public law through the method of legal taxonomy A number of chapters analyse whether different fields such as human rights and administrative law are merging with others considering specific unifying themes or concepts in public law The chapters in Part 2 offer comparative perspectives charting and analysing convergence and divergence across common law systems Specific topics include standing proportionality human rights remedies use of foreign precedents legal transplants and disunity and unity among subnational jurisdictions The collection will be of great interest to those working in public law

The Oxford Handbook of Modern Scottish History T. M. Devine, Jenny Wormald, 2012-01-26 Over the last three decades major advances in research and scholarship have transformed understanding of the Scottish past In this landmark study some of the most eminent writers on the subject together with emerging new talents have combined to produce a large scale volume which reconsiders in fresh and illuminating ways the classic themes of the nation s history since the sixteenth century as well as a number of new topics which are only now receiving detailed attention Such major themes as the Reformation the Union of 1707 the Scottish Enlightenment clearances industrialisation empire emigration and the Great War are approached from novel and fascinating perspectives but so too are such issues as the Scottish environment myth family criminality the literary tradition and Scotland s contemporary history All chapters contain expert syntheses of current knowledge but their authors also stand back and reflect critically on the

questions which still remain unanswered the issues which generate dispute and controversy and sketch out where appropriate the agenda for future research The Handbook also places the Scottish experience firmly into an international historical perspective with a considerable focus on the age old emigration of the Scottish people the impact of successive waves of immigrants to Scotland and the nation s key role within the British Empire The overall result is a vibrant and stimulating review of modern Scottish history essential reading for students and scholars alike

When people should go to the book stores, search start by shop, shelf by shelf, it is essentially problematic. This is why we give the ebook compilations in this website. It will completely ease you to see guide **Union And Unionisms Political Thought In Scotland 1500 2000** as you such as.

By searching the title, publisher, or authors of guide you essentially want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections. Union And Unionisms Political Thought In Scotland 1500 2000 Introduction

Union And Unionisms Political Thought In Scotland 1500 2000 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Union And Unionisms Political Thought In Scotland 1500 2000 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Union And Unionisms Political Thought In Scotland 1500 2000 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Union And Unionisms Political Thought In Scotland 1500 2000 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Union And Unionisms Political Thought In Scotland 1500 2000 Offers a diverse range of free eBooks across various genres. Union And Unionisms Political Thought In Scotland 1500 2000 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Union And Unionisms Political Thought In Scotland 1500 2000 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Union And Unionisms Political Thought In Scotland 1500 2000, especially related to Union And Unionisms Political Thought In Scotland 1500 2000, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Union And Unionisms Political Thought In Scotland 1500 2000, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Union And Unionisms Political Thought In Scotland 1500 2000 books or magazines might include. Look for these in online stores or libraries. Remember that while Union And Unionisms Political Thought In Scotland 1500 2000, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Union And Unionisms Political Thought In Scotland 1500 2000 eBooks for free, including popular titles. Online Retailers: Websites like Amazon,

Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Union And Unionisms Political Thought In Scotland 1500 2000 full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Union And Unionisms Political Thought In Scotland 1500 2000 eBooks, including some popular titles.

FAQs About Union And Unionisms Political Thought In Scotland 1500 2000 Books

1. Where can I buy Union And Unionisms Political Thought In Scotland 1500 2000 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Union And Unionisms Political Thought In Scotland 1500 2000 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Union And Unionisms Political Thought In Scotland 1500 2000 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Union And Unionisms Political Thought In Scotland 1500 2000 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Union And Unionisms Political Thought In Scotland 1500 2000 books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
