Task 3

M2&D1

GC Support PowerPoint

Assignment Scenario:

You are a psychology student who has been asked to undertake some research as part of the initiative 'Improving Access to Psychological Therapies'.

On your work placement you have been asked to explore the need for larger and broader therapy and counselling services for the service users in your locality.

This research will offer you the opportunity to assess, compare and evaluate two psychological approaches to health and social care provision and identify how, with the help of the psychological perspectives, individuals can be supported further in your locality.
