Hidden Christians in Japan Kirk Sandvig, 2019-11-29 *Hidden Christians in Japan Breaking the Silence* examines the contemporary issues facing hidden Christian communities in Japan looking at how these issues have resulted in the discontinuation of hidden Christian practices and how these communities adapt to their changing communities For those who have disbanded or are deciding to disband this book examines the ways these groups deal with keeping both the traditions and rituals of the hidden Christians alive and how it affects their communal identity as a whole The way these communities choose to either leave their practices behind as a forgotten legacy of their ancestors or publicly preserve their artifacts and traditions through various means can have a dramatic impact on how the world is able to finally understand their views but more importantly how hidden Christian communities cope with the loss for these familial traditions *Village Christians and Hindu Culture* P. Y. Luke, John Braisted Carman, 2009 **Called Christians** Billy B. Dunbar, 2021-07-05 Although it was about ten years after the Church had come into existence before the name Christians was given to the followers of Christ the name must have been in God's divine plan for the title has stood the test of time What a tremendous honor to be named after the anointed Son of God How much more important however is it to be a Christian rather than to just be called one The lives of some who are called Christians leave something to be desired from the standpoint of sound scriptural doctrine Fair weather believers or cotton candy Christians are content only with mountaintop experiences and have problems with valley experiences testing and trials The lazy professors cholesterol Christians are always taking in God's Word but are not diligent in meeting its requirements Fence straddling worldlings are country club Christians Genuine diligent Christians are sold out completely to Christ and are willing to endure cross bearing and self denial to exemplify Him These are consecrated Christians the kind of saints who were in the church at Antioch where the title Christians was first applied to the followers of Christ The Christians of Antioch appropriately demonstrated Christlike qualities in their lifestyle teaching worship direction by the Holy Spirit benevolence and organization What wonderful balance How fitting that those who were first named after Christ would bear the name with such dignity Hopefully all who are called Christians will realize the importance of exemplifying these Christlike characteristics in their lives so the name above every name will be exalted to its rightful place Living a Christlike lifestyle ensures that we will meet Christ at His return which is the hope of every believer 1 A Dictionary of Christian Antiquities... William Smith, Samuel Cheetham, 1893 **Encyclopaedic Dictionary Of Christian Antiquities (in 9 Volumes)** William Smith, Samuel Cheetham, 2005 **Irreconcilable Differences? A Learning Resource For Jews And Christians** David Sandmel, Rosann M. Catalano, Christopher M. Leighton, 2009-09-09 Written by Jewish and Christian educators for use by college and adult learners this volume explores eight basic questions that lie at the core of both traditions and that can serve as a bridge for understanding Among the questions are Do Jews and Christians worship the same God Do Jews and Christians read the Bible the same way What is the place of the land of Israel for Jews

and Christians Are the irreconcilable differences between Christians and Jews a blessing a curse or both Each chapter includes discussion questions Christians and Missionaries in India Robert Eric Frykenberg,Alaine M. Low,2003 There are now more Christians in Africa and Asia than in the West This book addresses particular aspects of cultural contact with special reference to caste conversion and colonialism *How Christians Should Relate to Government* Wayne A. Grudem,2012-04-10 Derived from theologian Wayne Grudem s Politics According to the Bible this digital short outlines five misguided approaches Christians take to politics and a way that is both more biblical and better for society Grudem describes the five misguided approaches as follows Government should compel religion Government should exclude religion All government is evil and demonic Do evangelism not politics Do politics not evangelism In their place Grudem argues for a view that he calls significant Christian influence on government Provocative and compelling *How Christians Should Relate to Government* will prod the thinking of politically minded Christians regardless of which party they favor Christians, Muslims, and Jesus Mona Siddiqui,2013-05-20 Analyzing selected works by major Christian and Muslim theologians during the formative medieval and modern periods of both religions this thought provoking volume explores the centrality of Jesus in Christian Muslim relations Sober Cannibals, Drunken Christians Jamie Lorentzen,2010 Presents a collection of remembrances from colleagues students and fellow writers and poets in America and Poland of Czeslaw Milosz Milosz s oeuvre is complex rooted in twentieth century eastern European history A poet translator and prose writer Milosz was a professor at the University of California Berkeley from 1961 to 1998 In 1980 he was awarded the Nobel Prize in Literature
