Usher Greeter Handbook Aloha Church Of God:

A Practical Guide for Church Ushers & Greeters Joseph Brewer, 2021-01-21 What is an usher He is the can do will do go to guy for his pastor during the services at his church He sets aside his personal desires to serve his pastor the congregation and the guests in attendance He is the smile and extended hand of welcome as you enter the doors to his church He s the guy ready with the answers to your questions or he knows where to get the answers The professional manner in which he conducts himself creates a smooth and seamless worship experience for all those in his building He s the watchman at the gate keeping an eye out for dangers He has a plan for when unforeseen circumstances arise He is prepared to act decisively when called upon He s the man who will show you to your seat and is entrusted to take up the offering The decision to write this booklet came from the careful study of the somewhat antiquated handout I have been giving my new ushers to read when they begin their role as an usher at our church I ordered several more books on the subject to search for a book that embodied everything I wanted to instill in my team of ushers but my search came up lacking While these handouts and books were great literature they did not quite offer the depth that I was looking to give to my ushers Through this search I found some to be more ritual than helpful while others were very heavy on the theology of ushering and church boards but less practical I wanted something practical and more to the point of how to deal with everyday circumstances in the role of an usher I wanted to find a book that speaks more directly to the reader Since my search result came up empty I decided to write one myself I approach this subject from over twenty years of ushering experience and thirteen years as a head usher I also draw from my twenty five years of working in industrial construction as what is called a Millwright and for a time as an Ironworker During most of my time working in construction I was the foreman on the job Years later I would take from these experiences and apply them in my role being the head usher of my church After more than twenty years of being involved with various ministries in my church all the while being a greeter and an usher I can tell you that in my opinion and experience being a greeter or being an usher is one of the most important ministries you can take part in at your church Being an usher and or a greeter is very rewarding and brings a substantial amount of joy if you approach it the right way It can also be frustrating heartbreaking and at times very intense I have been the head usher in my church since 2007 I m in charge of ushering greeting and security I get to see many aspects of the ministry from various perspectives and I will touch on all three areas in this book My life verse is Psalms 84 10 It reminds me every day of where I want to be in my life and why I do what I do For a day in Thy courts is better than a thousand I had rather be a doorkeeper in the house of my God than to dwell in the tents of wickedness Psalms 84 10 KJV The Complete Local Church Usher's Handbook Buddy Bell, 1996

Enlow, 2006-01-01 Church Usher Servant of God A Concise Ministry Manual Updated Edition by David R Enlow is a brief concise book 68 pages in length that give the church a good look at an often overlooked vital ministry within the church In the past the role of the church usher has often been underestimated by church

Church Ushers Manual - A Handbook for Church Ushers and All Others Who Would Promote the Spirit of Fellowship in the House of God Willis O. Garrett,2007-03 A guide from the late 19th century instructing people in the etiquette of the church Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork The Ushers, Protocols And Greeters That Every Church Needs Albert O. Aina,2018-05-19 I started writing this book in 1994 That was the year the LORD graciously commissioned me to raise for Him Quality leaders I started with Ministers and Pastors workshop Training for ushers was the second assignment I handled among the three fold mandates the LORD gave me in 1994 But no book was written by me back then neither did I come across any specialized book on Ushers Greeters and Protocols in one volume 20 years ago I have been privileged to conduct Training courses across the length and breadth of Nigeria on Ushering ministry for 20 years I have interacted with over 400 churches from over 280 denominations in conferences and seminars but I never wrote a book on this topic Our outfit Christian Leadership Skills have been involved in mass training for ushers in churches that counted 120 000 on Sundays with Ushers workforce of about 4 000 I have written 36 books todate but none on Ushers Protocol and Greeters until now A particular mega church invited us to deliver training for ushers and crowd controllers twice within three months in their headquarters church Their invitation came a bit late I could not be there physically I didn t have a book on Ushers or crowd control Only a manual Churches get confused on the role of ushers as different from protocol officers I have witnessed ushers and protocols fight for territories in churches A particular church head usher insists that he must stay side by side with the protocol officer by the altar very close to the anointed There was no book to show where each belong A particular ministry scrapped the word Ushers from the list of ministries The General Overseer banned the entire ushers from officiating in the length and breadth of the church His reason Brethren have the Holy Spirit to direct them No need for Ushers and the church went on smoothly thereafter I had no book to give to the man of God No book I could give until 20 years later Who are Ushers Who are Protocol officers Who are

Greeters Who are Traffic Controllers I didn't write any book to explain I only explain during workshop session Now the explanation has become handy *Welcome to Our Church* Annette Schroeder, 1997 When is the best time to seat a latecomer How can you be friendly to visitors without overwhelming them What should you do if someone faints during the worship service It's natural to have these questions as an usher or greeter You can find the answer to these questions and more in *Welcome to Our Church* This book will help ushers and greeters learn how to make visitors and members feel welcome handle large crowds of people and noisy children prepare for emergencies and problem situations and usher special services like weddings and funerals **Guide for Ushers, Greeters, and Ministers of Hospitality, Second Edition** Katie Ferrell, Corinna Laughlin, Paul Turner, Thomas P. Welch, 2021-07-10 Ushers and greeters ministers of hospitality are vital to parishes so they need strong formation to comfortably and graciously respond to the needs of everyone who comes through the doors of your church Solid training helps them become models of hospitality for the whole parish This guide helps you train new and returning ministers of hospitality by providing knowledge skills and attitudes that are practical theologically and liturgically informed and spiritually inspiring With its new title design and added content this revised edition is more helpful than ever To Fr Paul Turner's foundational chapters on the meaning and history of the ministry and on the ministry's spiritual dimensions a brief chapter on the liturgy by liturgist Corinna Laughlin has been added To Katie Ferrell's practical and wise advice on the many detailed duties of the ministry psychiatrist and spiritual director Thomas Welch has contributed some additional perspectives Updates to frequently asked questions the annotated list of recommended resources and the glossary have added yet more value to the book and questions for reflection and discussion continue to accompany each chapter Let this guide help you open wide the doors of your church so that it can be as Pope Francis has called for a spiritual field hospital for our needy world This guide includes Theological and historical reflections on the liturgy and the ministry Practical skill building and advice for serving in this role Ways to deepen your spirituality and call to discipleship Answers to frequently asked questions Recommended resources A glossary Questions for discussion and reflection
