Vietnam A Battalion Surgeon Returns:

Vietnam Byron E. Holley, 2001 Byron Holley spent the longest year of his young life in Vietnam as surgeon of the 4th Battalion 39th Regiment 9th Infantry Division He lived like a swamp rat in the boonies of the Mekong Delta and his actions were sometimes all that made the difference between life and death Holley never got used to death to seeing men he knew go home in body bags Serving under Col David H Hackworth Holley saw the outfit begin to act more like an elite bunch of Rangers than the rag tag half drunk group it had been He watched Hackworth turn the 4 39 into the fighting and feared Hardcore Recondo battalion Now twenty six years later Doc Holley returns to the land of so much pain and suffering his trip a mission to visit the exact location where one of his special friends died in one of the fiercest battles fought in the Mekong Delta What he found will surprise even the most cynical skeptic forgiveness warmth and hospitality from the very people who took his friend s life defending their ancestors land so long ago This is a story of love and healing and is a must read for anyone who was there or had someone they loved over there *Working in a world of hurt* Carol Acton, Jane Potter, 2015-07-01 *Working in a world of hurt* fills a significant gap in the studies of the psychological trauma wrought by war It focuses not on soldiers but on the men and women who fought to save them in casualty clearing stations hospitals and prison camps The writings by doctors nurses ambulance drivers and other medical personnel reveal the spectrum of their responses that range from breakdown to resilience Through a rich analysis of both published and unpublished personal from the First World War in the early twentieth century to Iraq in the early twenty first Acton and Potter put centre stage the letters diaries memoirs and weblogs that have chronicled physical and emotional suffering many for the first time Wide ranging in scope interdisciplinary in method and written in a scholarly yet accessible style *Working in a world of hurt* is essential reading for lecturers and students as well as the general reader *Doc: Platoon Medic* Daniel Evans Jr. D.V.M., Charles Sasser, 2002-10-08 HE GAVE MEN A FIGHTING CHANCE TO SURVIVE Dan Evans arrived in Vietnam on October 7 1968 a 21 year old Army medic who couldn t stand the sight of blood Thrust into the cauldron of combat he soon became a seasoned veteran of emergency medicine and the brutal realities of war Before his time was up he would master the skills of a surgeon acquire the patience of a saint and demonstrate the courage of a lion Here in his own words is the gripping true story of Dan Evans the highly decorated soldier whom the men of First Platoon Bravo Company called the fighting medic Experience the rage the sorrow and the remarkable spirit of Dan Evans the PLATOON MEDIC who became a true American hero Vietnam War Slang Tom Dalzell, 2014-07-25 In 2014 the US marks the 50th anniversary of the Gulf of Tonkin Resolution the basis for the Johnson administration s escalation of American military involvement in Southeast Asia and war against North Vietnam *Vietnam War Slang* outlines the context behind the slang used by members of the United States Armed Forces during the Vietnam War Troops facing and inflicting death display a high degree of linguistic creativity Vietnam was the last American war fought by an army with conscripts and their involuntary participation in the war added a

dimension to the language War has always been an incubator for slang it is brutal and brutality demands a vocabulary to describe what we don't encounter in peacetime civilian life Furthermore such language serves to create an intense bond between comrades in the armed forces helping them to support the heavy burdens of war The troops in Vietnam faced the usual demands of war as well as several that were unique to Vietnam a murky political basis for the war widespread corruption in the ruling government untraditional guerilla warfare an unpredictable civilian population in Vietnam and a growing lack of popular support for the war back in the US For all these reasons the language of those who fought in Vietnam was a vivid reflection of life in wartime Vietnam War Slang lays out the definitive record of the lexicon of Americans who fought in the Vietnam War Assuming no prior knowledge it presents around 2000 headwords with each entry divided into sections giving parts of speech definitions glosses the countries of origin dates of earliest known citations and citations It will be an essential resource for Vietnam veterans and their families students and readers of history and anyone interested in the principles underpinning the development of slang

Seven Firefights in Vietnam John A. Cash, John Albright, Allan W. Sandstrum, 2012-07-12 Based on official U S Army records these eyewitness chronicles of seven horrific battles offer an unparalleled glimpse of the day to day reality of the Vietnam conflict From a fierce fight on the banks of the Ia Drang River in November 1965 to a May 68 gunship mission these highly charged reports convey the heroism and horror of modern warfare Each of these compelling narratives reflects events that took place throughout Vietnam after American troops were first committed in force in 1965 In addition to the achievements and sacrifices common to any war this struggle was further complicated by an extremely elusive enemy and a new strategic dimension afforded by the helicopter aspects that added a high degree of error experimentation and innovation These accounts analyze the performance of individual soldiers under fire illustrating both the reality of fear and the effects of military discipline and leadership Sources for this book include daily journals after action reports and official interviews that took place immediately after the battles along with subsequent interviews and correspondence conducted by the authors Maps and other illustrations illuminate the text

US Army Psychiatry in the Vietnam War: New Challenges in Extended Counterinsurgency Warfare Norman M. Camp, 2015-03-15

NOTE NO FURTHER DISCOUNT FOR THIS PRODUCT OVERSTOCK SALE Significantly reduced list price During Vietnam War 1965 1973 the US Army suffered a severe breakdown in soldier morale and discipline in Vietnam matters that are not only at the heart of military leadership but also ones that overlap with the mission of Army psychiatry The psychosocial strain on deployed soldiers and their leaders in Vietnam especially during the second half of the war produced a wide array of individual and group symptoms that thoroughly tested Army psychiatrists and mental health colleagues there This book seeks to consolidate a history of the military psychiatric experience in Vietnam through assembling and synthesizing extant information from a wide variety of sources documenting the success and failure of Army's psychiatry in responding to the psychiatric and behavioral problems that changed and expanded as the war became protracted and bitterly controversial

Mental health professionals especially psychiatrists in both military and civilian professions as well as military historians researching the Vietnam era may be interested in this volume Related products A Shared Burden The Military and Civilian Consequences of Army Pain Management Since 2001 can be found here <https://bookstore.gpo.gov/products/sku/008/000/011516> Mild Traumatic Brain Injury Rehabilitation Toolkit can be found here <https://bookstore.gpo.gov/products/sku/008/020/016322> Textbooks of Military Medicine Pt 1 Warfare Weaponry and the Casualty Military Psychiatry Preparing in Peace for War can be found here <https://bookstore.gpo.gov/products/sku/008/023/001120> [US Army Psychiatry in the Vietnam War](#) Norman M. Camp,2014 NOTE NO FURTHER DISCOUNT FOR THIS PRODUCT OVERSTOCK SALE Significantly reduced list price This book tells the mostly forgotten story of the accelerating mental health problems that arose among the troops sent to fight in South Vietnam especially the morale discipline and heroin crisis that ultimately characterized the second half of the war This situation was unprecedented in U S military history and dangerous and reflected the fact that during the war America underwent its most divisive period since the Civil War and as a result the war became bitterly controversial The author is a career Army psychiatrist who led a psychiatric unit in Vietnam In the years following his return he was dismayed to discover that the Army had conducted no formal review of this alarming situation including from the standpoint of military psychiatry and had lost or destroyed all of the pertinent clinical records In addition to permitting a study of the psychological wounds and their treatment in Vietnam these records would have been priceless in the treatment of the legions of veterans who presented serious adjustment problems and Post traumatic Stress Disorder As a consequence Dr Camp has been relentless in combing the professional civilian and surviving military literature including unpublished documents to construct a compelling narrative documenting the successes and failures of Army psychiatry and the Army leadership in Vietnam in responding to these psychiatric and behavioral challenges The result is a book that is both scholarly and intensely personal includes vivid case material and anecdotes from colleagues who also served there and is replete with illustrations and correspondence It presents the story of Vietnam in a fresh manner through the psychiatrist s eyes and sensibilities

Annual Report, the Surgeon General, United States Army United States. Department of the Army. Office of the Surgeon General,1970 [U.S. Medical Care and Related Factors in the Vietnam War](#) John A. Emery MD FACS,2014-02-18 Dr Emery completed his tour of duty in Vietnam in July 1968 His son was born when he was in Vietnam He completed his urology residency under the guidance of Doctor Clarence Hodges in 1973 He practiced urology for over thirty seven years Thirty three of these years were in San Diego **Vietnam War After Action Reports** , [U.S. Marines In Vietnam: The Defining Year, 1968](#) Jack Shulimson,2015-11-06 The year 1968 was the year of the Tet Offensive including Khe Sanh and Hue City These were momentous events in the course of the war and they occurred in the first three months of the year This book however documents that 1968 was more than just the Tet Offensive The bloodiest month of the war for the U S forces was not January nor February 1968 but May 1968 when the Communists launched what was called their Mini Tet offensive This

was followed by a second Mini Tet offensive during the late summer which also was repulsed at heavy cost to both sides By the end of the year the U S forces in South Vietnam s I Corps under the III Marine Amphibious Force III MAF had regained the offensive By December enemy initiated attacks had fallen to their lowest level in two years Still there was no talk of victory The Communist forces remained a formidable foe and a limit had been drawn on the level of American participation in the war Although largely written from the perspective of III MAF and the ground war in I Corps the volume also treats the activities of Marines with the Seventh Fleet Special Landing Force activities of Marine advisors to South Vietnamese forces and other Marine involvement in the war Separate chapters cover Marine aviation and the single manager controversy artillery logistics manpower and pacification E H SIMMONS Brigadier General U S Marine Corps Retired **The Development and Training of the South Vietnamese Army, 1950-1972** James Lawton Collins,1975 *U.S. Marines in Vietnam: The defining year, 1968* United States. Marine Corps. History and Museums Division,1977 *Report of the Surgeon-General of the Army to the Secretary of War for the Fiscal Year Ending ...* United States. Surgeon-General's Office,1971 Provides data statistical and tabular on the operations and activities of the Surgeon General s Office including financial statements reports on health and hygiene in the Army hospitals medical supplies brief agency histories etc The Golden Brigade Robert J. Dvorchak,2022-12-06 An epic tale of a brotherhood forged by war masterfully told by a lifelong journalist war correspondent and U S Army veteran A must read by military historians who follow the 82nd Airborne Division It is a compilation of fascinating stories by brave soldiers who found themselves in the crucible of fierce combat LTG Retired James H Johnson 82nd Airborne Division Commander Panama and Desert Storm This book is the best I have ever read about the real situation experienced by infantrymen in the Vietnam War The stories honor the American soldier and their families and demonstrate the pride all of us had in these men and their leaders A grand slam hit out of the park Robert D Murrill Esq Distinguished Member of the 508th Parachute Infantry Regiment in the Golden Brigade It is a story that needs to be told and one that all paratroopers young and old need to know When the nation calls there were and must always be those who will answer even if it means they sacrifice their todays so that others will experience their tomorrows J Thomas Hennessey Jr Colonel Retired Distinguished Member of the 505th Parachute Infantry Regiment Chief of Staff Emeritus at George Mason University A solid chunk of history about an extraordinary brotherhood of warriors Vietnam Veterans of America **Medical Bulletin of the European Command** ,1983 Navy Medicine in Vietnam Jan K. Herman,2009-01-14 The book chronicles the Navy Medical Department s participation in Vietnam beginning with the Navy s rescue of the French survivors of the Battle of Dien Bien Phu in 1954 and ending with the Navy s rescue of Vietnamese refugees fleeing the fall of South Vietnam in 1975 When American involvement reached its peak in 1968 the 750 bed Naval Support Activity Hospital Danang NSAH was in full operation and two hospital ships the USS Repose and the USS Sanctuary cruised offshore Whether the situation called for saving the lives of injured sailors aboard a burning aircraft carrier or treating a critically wounded Marine for

shock in the rubble strewn streets of Hue Navy medical personnel were in Vietnam from the beginning of American involvement to the very end saving thousands of lives This book tells the story of the Navy Medical Department s involvement through stark and gripping first person accounts by patients and the Navy physicians dentists nurses and hospital corpsmen who treated them More than 50 historic photos document their work **Annual Report, the Surgeon General, United States Army** ,1970 **Mobilization, what Should be Done? what Can be Done?** ,1985 *Vietnam Awakening* Michael Uhl,2014-11-29 In this vividly honest memoir author Michael Uhl details his experiences in Vietnam as first lieutenant of a counterintelligence team attached to the 11th Infantry Referencing his personal journal and wartime correspondence with friends and family the author relives the most shocking events that he witnessed during his military service including the abuse and torture of several Vietnamese civilians In Part Two the author outlines his years as an activist with the veterans movement against the Vietnam War

Reviewing **Vietnam A Battalion Surgeon Returns**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
