The War of the End of the World Mario Vargas Llosa,1984 The War of the End of the World is one of the great modern historical novels Inspired by a real episode in Brazilian history Mario Vargas Llosa tells the story of an apocalyptic movement led by a mysterious prophet in which prostitutes beggars and bandits establish Canudos a new republic a libertarian paradise A bold work of force and power a tragic masterpiece with something of the sweep and freedom of the great novels of the nineteenth century Listener A vast fantastic Thunderous novel The Times *The International Standard* ,1887 The War of the End of the World Mario Vargas Llosa,1984 An apocalyptic prophet in the Brazilian backlands creates the state of Canudos In it there is no money property marriage income tax decimal system or census *Woodrow Wilson as Commander in Chief* Michael P. Riccards,Cheryl A. Flagg,2019-11-08 This first study on Woodrow Wilson as the commander in chief during the Great War analyzes his management style before the war his diplomacy and his battle with the Senate It considers the war as representing the collapse of Western traditional virtues and examines Wilson s attempt to restore them Emphasizing the American war effort on the domestic front it also discusses Wilson s rise to power his education career and work as governor as necessary steps in his formation The authors deal honestly and critically with the racism that characterized this brilliant but limited career *The Outlook* Lyman Abbott,Hamilton Wright Mabie,Ernest Hamlin Abbott,Francis Rufus Bellamy,1915 **Unity** ,1918 *World's Work* ,1915 **Quest for Decisive Victory** Robert Michael Citino,2002 Since the earliest days of warfare military operations have followed a predictable formula after a decisive battle an army must pursue the enemy and destroy its organization in order to achieve a victorious campaign But by the mid 19th century the emergence of massive armies and advanced weaponry and the concomitant decline in the effectiveness of cavalry had diminished the practicality of pursuit producing campaigns that bogged down short of decisive victory Great battles had become curiously indecisive decisive campaigns virtually impossible **The Cambrian** ,1918 **Hearings Before the Committee on the Judiciary, House of Representatives, Sixty-sixth Congress, First[-third] Session: Sedition** United States. Congress. House. Committee on the Judiciary,1920 **World's War Events** Francis Joseph Reynolds,Allen Leon Churchill,1919 The World and West George J. Lankevich,George L Lankevich,1992-07 Modern Genocide Paul R. Bartrop,Steven Leonard Jacobs,2014-12-17 This massive four volume work provides students with a close examination of 10 modern genocides enhanced by documents and introductions that provide additional historical and contemporary context for learning about and understanding these tragic events Modern Genocide The Definitive Resource and Document Collection spans nearly 1 700 pages presented in four volumes and includes more than 120 primary source documents making it ideal

for high school and beginning college students studying modern genocide as part of a larger world history curriculum The coverage for each modern genocide from Herero to Darfur begins with an introductory essay that helps students conceptualize the conflict within an international context and enables them to better understand the complex role genocide has played in the modern world There are hundreds of entries on atrocities organizations individuals and other aspects of genocide each written to serve as a springboard to meaningful discussion and further research The coverage of each genocide includes an introductory overview an explanation of the causes consequences perpetrators victims and bystanders the international reaction a timeline of events an Analyze section that poses tough questions for readers to consider and provides scholarly pro and con responses to these historical conundrums and reference entries This integrated examination of genocides occurring in the modern era not only presents an unprecedented research tool on the subject but also challenges the readers to go back and examine other events historically and consequently consider important questions about human society in the present and the future

The Columbia Guide to the Cold War Michael Kort, 2001-03-08 The Cold War was the longest conflict in American history and the defining event of the second half of the twentieth century Since its recent and abrupt cessation we have only begun to measure the effects of the Cold War on American Soviet post Soviet and international military strategy economics domestic policy and popular culture The Columbia Guide to the Cold War is the first in a series of guides to American history and culture that will offer a wealth of interpretive information in different formats to students scholars and general readers alike This reference contains narrative essays on key events and issues and also features an A to Z encyclopedia a concise chronology and an annotated resource section listing books articles films novels web sites and CD ROMs on Cold War themes
