Laboring Women Jennifer L. Morgan, 2011-09-12 When black women were brought from Africa to the New World as slave laborers their value was determined by their ability to work as well as their potential to bear children who by law would become the enslaved property of the mother's master In *Laboring Women* Reproduction and Gender in New World Slavery Jennifer L Morgan examines for the first time how African women's labor in both senses became intertwined in the English colonies Beginning with the ideological foundations of racial slavery in early modern Europe *Laboring Women* traverses the Atlantic exploring the social and cultural lives of women in West Africa slaveowners expectations for reproductive labor and women's lives as workers and mothers under colonial slavery Challenging conventional wisdom Morgan reveals how expectations regarding gender and reproduction were central to racial ideologies the organization of slave labor and the nature of slave community and resistance Taking into consideration the heritage of Africans prior to enslavement and the cultural logic of values and practices recreated under the duress of slavery she examines how women's gender identity was defined by their shared experiences as agricultural laborers and mothers and shows how given these distinctions their situation differed considerably from that of enslaved men Telling her story through the arc of African women's actual lives from West Africa to the experience of the Middle Passage to life on the plantations she offers a thoughtful look at the ways women's reproductive experience shaped their roles in communities and helped them resist some of the more egregious effects of slave life Presenting a highly original theoretically grounded view of reproduction and labor as the twin pillars of female exploitation in slavery *Laboring Women* is a distinctive contribution to the literature of slavery and the history of women

Scarlett Doesn't Live Here Anymore Laura F. Edwards, 2000 Establishing the household as the central institution of southern

society Edwards delineates the inseparable links between domestic relations and civil and political rights in ways that highlight women's active political role throughout the nineteenth century She draws on diaries letters newspaper accounts government records legal documents court proceedings and other primary sources to explore the experiences and actions of individual women in the changing South demonstrating how family kin personal reputation and social context all merged with gender race and class to shape what particular women could do in particular circumstances
