"Using the media and the pulpit Jeffress wields a sharp sword..." The Dallas Morning News

Twilights Last Gleaming How Americas Last Days Can Be Your Best Days

Miranda Wilcox, John D. Young

Twilights Last Gleaming How Americas Last Days Can Be Your Best Days:

Twilight's Last Gleaming Dr. Robert Jeffress, 2012-01-01 Never in recent history have Christians been more discouraged and fearful about our country's future. Economic chaos, immorality, terrorism, and global turmoil have convinced many that we are living in the twilight days of America. Dr. Robert Jeffress agrees. But it is not the end of the story, he writes in *Twilight's Last Gleaming*. Although we cannot prevent America's eventual demise, we can delay it and make a difference for eternity at the same time. For everyone who wonders what can be done right now within our culture, our churches, in the voting booth, and our neighborhoods, Jeffress answers with biblical insight and real-world clarity, showing Christians how to seize this unprecedented opportunity and point people to our only Hope.

Trump and the Protestant Reaction to Make America Great Again Matthew Rowley, 2020-11-01 This book explores how polarised interpretations of America's past influence the present and vice versa. A focus on competing Protestant reactions to President Trump's 'Make America Great Again' slogan evidences a fundamental divide over how America should remember historical racism, sexism, and exploitation. Additionally, these Protestants disagree over how the past influences present injustice and equality. The 2020 killing of George Floyd forced these rival histories into the open. Rowley proposes that recovering a complex view of the past, confessing the bad, and embracing the good might help Americans have a shared memory that can bridge polarisation and work to secure justice and equality. An accessible and timely book, this is essential reading for those concerned with the vexed relationship of religion and politics in the United States, including students and scholars in the fields of Protestantism, history, political science, religious studies, and sociology.

Taking America Back for God Andrew L. Whitehead, Samuel L. Perry, 2020 The President of the United States brags about sexually assaulting women, cheats on his wife with Playboy models and porn stars, and claims he's never asked for God's forgiveness. Yet majorities of both white evangelical and mainline Protestants continue to support him. Why do Americans in these religious groups embrace a politician who seems to violate their basic standards of morality? A megachurch pastor declares on Fox News that he and tens of millions of Americans think that professional football players kneeling for the national anthem should be thanking God that they live in a country where they're free from the worry of being shot in the head for taking a knee, like they would be if they were in North Korea. Why do some Americans conflate God and country? And why do many of these same Americans seem so unsympathetic to the plight of their fellow citizens who are racial or religious minorities? The answer, Andrew Whitehead and Samuel Perry argue, is a strain of thought that they call Christian nationalism: the belief that the United States is and should be a Christian nation. Christian ideals and symbols have long played an important role in American public life, but Christian nationalism demands far more than a recognition of our religious heritage. At its heart, Whitehead and Perry argue, Christian nationalism is about a fight to preserve a particular kind of social order, one in which everyone—Christians and non-Christians, native-born and immigrants, whites and minorities, men and women—recognizes their proper place in society. And it is a significant driver of political

behavior In fact knowing someone's stance on Christian nationalism tells us more about his or her political beliefs than race religion or political party Drawing on national survey data and interviews with Americans across the political spectrum Taking America Back for God illustrates the tremendous influence of Christian nationalism on debates about the most contentious issues dominating American public life *Dissenting from Donald Trump While Listening to "The Battle Hymn of the Republic"* Rodney Wallace Kennedy, 2025-08-21 Democracy now exists in a state of precarity The anti democratic swing in America's mood has been orchestrated by President Donald Trump He has used demagoguery a false populism fear and a spirit of resentment and revenge to enthrall the masses His excessive rhetoric has divided and angered the nation The essays in this book dissent from Trump his rhetoric his actions his lies his deceptions and his lack of respect for the rule of law All the negative descriptions of President Trump can be summarized in one theological term Evil His actions are those of a person who is the incarnation of evil My protests have now continued for more than nine years Democracy can't survive without dissent This is a book of dissent *Shadow Network* Anne Nelson, 2019-10-29 Reveals a political trend that threatens both our form of government and our species Timothy Snyder author of ON TYRANNY Riveting Want to understand how so many Americans turned against truth Read this book Nancy Maclean author of DEMOCRACY IN CHAINS In 1981 emboldened by Ronald Reagan's election a group of some fifty Republican operatives evangelicals oil barons and gun lobbyists met in a Washington suburb to coordinate their attack on civil liberties and the social safety net These men and women called their coalition the Council for National Policy Over four decades this elite club has become a strategic nerve center for channeling money and mobilizing votes behind the scenes Its secretive membership rolls represent a high powered roster of fundamentalists oligarchs and their allies from Oliver North Ed Meese and Tim LaHaye in the Council's early days to Kellyanne Conway Ralph Reed Tony Perkins and the DeVos and Mercer families today In *Shadow Network* award winning author and media analyst Anne Nelson chronicles this astonishing history and illuminates the coalition's key figures and their tactics She traces how the collapse of American local journalism laid the foundation for the Council for National Policy's information war and listens in on the hardline broadcasting its members control And she reveals how the group has collaborated with the Koch brothers to outfit Radical Right organizations with state of the art apps and a shared pool of captured voter data outmaneuvering the Democratic Party in a digital arms race whose result has yet to be decided In a time of stark and growing threats to our most valued institutions and democratic freedoms *Shadow Network* is essential reading

The Immaculate Mistake Rodney Wallace Kennedy, 2021-09-23 President Donald Trump originated his political career by claiming that Barack Obama was not born in the USA His birtherism theory was discredited but there's another possibility about birth Evangelicals have given birth to Donald Trump in the immaculate mistake Evangelicals are not a collection of dumb and irrational people they are the creators of the demolition presidency of Trump He is their child the result of almost one hundred years of evangelical angst resentment and hurt This is the story of how Trump has become a secular evangelical

preacher and his message of fear hatred division and getting even has captured the hearts and minds of evangelicals Rather than dismissing them this work takes them seriously and literally and offers a frank and disturbing series of portraits of their determination to win at all costs *Global Islamophobia and the Rise of Populism* Sahar F. Aziz, John L. Esposito, 2024 In recent years Islamophobia has seen a disturbing global rise Blaming Muslim minorities for economic political and social problems is an increasingly common rhetorical strategy for politicians in countries worldwide A narrative of the threatening Muslim invader is troublingly prevalent regardless of whether the targets of such rhetoric are born citizens or new arrivals Its consequences are deadly and devastating for Uyghurs in China indefinitely detained in concentration camps Indian Muslims attacked in pogroms and the Rohingya victims of genocide In parts of Europe and North America the consequences of Islamophobia are less overtly violent but no less harmful Muslims are banned from wearing hijab building minarets opening Islamic schools or legally immigrating to certain countries In the United States Europe and India Islamophobic rhetoric is increasingly normalized fracturing ethnically diverse societies as xenophobic right wing political ideals accumulate followers at an alarming pace In turn Islamophobia in the West gives license to discrimination elsewhere creating a vicious cycle of Islamophobia *Global Islamophobia and the Rise of Populism* is the first book to systemically examine the complex factors contributing to the rise in Islamophobia and right wing populism across three continents North America Europe and Asia Internationally renowned scholars offer insightful and empirically grounded analysis linking local contexts with global trends This groundbreaking book is an essential contribution to discourse on immigration racism xenophobia and human rights *Standing Apart* Miranda Wilcox, John D. Young, 2014-04-15 Winner of the Best Anthology Award from John Whitmer Historical Association Latter day Saints have a paradoxical relationship to the past even as they invest their own history with sacred meaning celebrating the restoration of ancient truths and the fulfillment of biblical prophecies they repudiate the eighteen centuries of Christianity that preceded the founding of their church as apostate distortions of the truth Since the early days of Mormonism Latter day Saints have used the paradigm of apostasy and restoration in their narratives about the origin of their church This has generated a powerful and enduring binary of categorization that has profoundly impacted Mormon self perception and relations with others *Standing Apart* explores how the idea of apostasy has functioned as a category to mark define and set apart the other in Mormon historical consciousness and in the construction of Mormon narrative identity The volume s fifteen contributors trace the development of LDS narratives of apostasy within the context of both Mormon history and American Protestant historiography They suggest ways in which these narratives might be reformulated to engage with the past as well as offering new models for interfaith relations This volume provides a novel approach for understanding and resolving some of the challenges faced by the LDS church in the twenty first century

The Politics of Vulnerability Asma T. Uddin, 2021-03-23 A religious liberty lawyer and acclaimed author reveals the root of America s polarization inside the Muslim and evangelical Christian divide and how it can be healed Despite the dire

consequences of America's cultural, political and religious divisiveness from increasing incivility to discrimination and outright violence few have been able to get to the core cause of this conflict. Even fewer have offered measures for reconciliation. Now in *The Politics of Vulnerability* Asma Uddin, American Muslim public intellectual, religious liberties attorney and activist provides a unique perspective on the complex political and social factors contributing to the Muslim-Christian divide. Unlike other analysts Uddin asks what underlying drivers cause otherwise good people to do or believe bad things. Why do people who value faith support of measures that limit others, especially of Muslims' religious freedom and other rights? Uddin humanizes a contentious relationship by fully embracing both sides as individuals driven by very human fears and anxieties. Many conservative Christians fear that the Left is dismantling traditional Christian America to replace it with an Islamized America, a conspiratorial theory that has given rise to an evangelical persecution complex, a politicized vulnerability. Uddin reveals that Islamophobia and other aspects of the conservative Christian movement are interconnected. Where does hate come from and how can it be conquered? Only by addressing the underlying factors of this politics of vulnerability can we begin to heal the divide.

Bible Prophecy and Today Ted Bates, 2019-08-08 Do you remember your elementary school days when your teacher held Show and Tell? In my book *Bible Prophecy and Today: An Urgent Wake Up Call* I take you back to those days. I show you how Bible prophecies written thousands of years ago are being fulfilled today. They are happening right before our eyes. I show you how God's word and today's world tell the same story. We are witnessing many end times Bible prophecies as they come into full fruition. The Bible is alive. It breathes and is relevant to your life. While dark times and dangerous events are already occurring on our planet, there is still a silver lining in the clouds for those who place their hope in Jesus. I want to inform and counsel you as you travel through stormy, troubled waters in order to guide you into the safe haven of the Lord's secure and everlasting arms. He is what our hearts truly desire and He said: Call to Me and I will answer you and show you great and mighty things which you do not know. Jeremiah 33:3. Come and see how Bible prophecies are being fulfilled today and what that means for you. Ted Bates, Author

18 Minutes with Jesus Dr. Robert Jeffress, 2022-10-04 Did you know you can read Jesus's Sermon on the Mount in about 18 minutes? Yet packed into this short talk are more life-changing and startlingly original teachings than anywhere else in Scripture. In it Jesus dives past the surface into the heart of what we need and desire from God, ourselves and one another. It's the spiritual straight talk we need about the things that matter most in life. Drawing from decades of study, Dr. Robert Jeffress breaks down Jesus's most well-known yet least followed teachings about happiness, faith, relationships, sex, reconciliation, prayer, money and more. He shows how we often misunderstand and misapply these verses and unpacks exactly what Jesus was teaching us about our own hearts and minds. If you long to take your Christian walk to the next level, it's time to grasp these biblical truths that have the power to change your life.

Truth Over Tribe Patrick Keith Miller, Keith Simon, 2022-10-04 Do you feel exhausted by tribalism? You aren't alone. As culture warriors divide the world into us and them, fracturing families,

friendships and churches most of us long for an end to the constant fighting But does a practical path exist Jesus lived in a culture split by tribalism but he resisted its allure by choosing something bigger truth He s now inviting you to apply his ancient path to the modern culture war In Truth Over Tribe you will learn How tribalism makes your life miserable How to lovingly resist when a tribe demands your allegiance How to heal relationships fractured by tribalism How to unite diverse communities How would your community change if you became a catalyst for Christlike unity Rejecting tribalism is the first step

Believe Me John Fea,2018-06-28 A historian s discerning critical take on current American politics Believe me may be the most commonly used phrase in Donald Trump s lexicon Whether about building a wall or protecting a Christian heritage the refrain has been constant And to the surprise of many a good 80 percent of white evangelicals have believed Trump at least enough to help propel him into the White House Historian John Fea is not surprised however and in these pages he explains how we have arrived at this unprecedented moment in American politics An evangelical Christian himself Fea argues that the embrace of Donald Trump is the logical outcome of a long standing evangelical approach to public life defined by the politics of fear the pursuit of worldly power and a nostalgic longing for an American past Now in paperback and as insightful as it is timely Fea s Believe Me challenges Christians to replace fear with hope the pursuit of power with humility and nostalgia with history

When Texas Prison Scams Religion Michael G. Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars

Perfect Ending Dr. Robert Jeffress,2014-01-21 Over the past year Robert Jeffress has received more national media

exposure than any other pastor with multiple appearances on O'Reilly, Bill Maher, Fox News and CNN shows. Jeffress is considered by the media as the go-to person for evangelical views, assuring television coverage on his book **The Horseshoers' Journal**, 1916 **Normal Instructor and Teachers World**, 1922 **Videohound's Golden Movie Retriever 2000**. Martin Connors, Jim Craddock, 1999-08. No other movie guide offers you 24,000 movie reviews, 1,000 more than last year or in-depth indexes sure to help you settle that office bet, complete the crossword experience, find the movie serendipity or impress friends, family and complete strangers with your fountain of movie trivia. We make our book the big orange one you presumably have in your hands right now, easy to find and easy to use for a reason: your movie watching enjoyment is one thing we take seriously. Book jacket [Time Out Film Guide](#) John Pym, 2004. This guide is a collection of engaging and provocative capsule reviews of films across the spectrum of cinema history from Russian silent movies to American comedies, classic documentaries to Japanese anime and beyond. *Videohound's Golden Movie Retriever*, 1995. Gale Group, Gale Research Company, 1995. The media is mad about the Hound and his mad, insightful movie reviews. This 1995 collection lists more than 23,000 movies on video, 1,000 new to this edition, full videographies for 26,000 stars, over 4,000 music videos, contact information for 400 distributors and includes videographies of 5,000 screenwriters and composers.

Twilights Last Gleaming How Americas Last Days Can Be Your Best Days Introduction

In today's digital age, the availability of Twilights Last Gleaming How Americas Last Days Can Be Your Best Days books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Twilights Last Gleaming How Americas Last Days Can Be Your Best Days books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Twilights Last Gleaming How Americas Last Days Can Be Your Best Days books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Twilights Last Gleaming How Americas Last Days Can Be Your Best Days versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Twilights Last Gleaming How Americas Last Days Can Be Your Best Days books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Twilights Last Gleaming How Americas Last Days Can Be Your Best Days books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for

literature enthusiasts. Another popular platform for Twilights Last Gleaming How Americas Last Days Can Be Your Best Days books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Twilights Last Gleaming How Americas Last Days Can Be Your Best Days books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Twilights Last Gleaming How Americas Last Days Can Be Your Best Days books and manuals for download and embark on your journey of knowledge?

FAQs About Twilights Last Gleaming How Americas Last Days Can Be Your Best Days Books

1. Where can I buy Twilights Last Gleaming How Americas Last Days Can Be Your Best Days books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Twilights Last Gleaming How Americas Last Days Can Be Your Best Days book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of Twilights Last Gleaming How Americas Last Days Can Be Your Best Days books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
