## **Twist Shout Awkward Life Tourettes:**

**Twist and Shout: an Awkward Life with Tourettes** Tyler Oberheu, 2015-11-12 Imagine what it would be like to wake up one morning with a disease you knew nothing about You panic Your family panics Your friends wonder what's wrong You become known as The Sick Kid at school and your whole life changes Imagine losing control of your body You twitch and shout and are labeled a nuisance and a freak You try a bunch of wacky remedies and advice from quack doctors You drown yourself in drugs and alcohol because it's an escape And one day you try to give up on everything including life I promise this book isn't as depressing as it sounds In fact it can be funny sometimes if you have a warped sense of humor Read what it's like to wake up with Tourette's syndrome one day Learn what it's like to try pseudoscience when doctors give you answers you don't like Learn what it's like to be a generally bad kid and then growing up and realizing how dumb you were Join me and three other brave souls who have tried to get by for so long and learn what it's like to think of yourself as broken when all along you were better than you've ever been

**Twist and Shout** Tyler Oberheu, 2019-04-10 One day I woke up with Tourette's Syndrome which isn't something I even thought possible at the time The book you hold in your hands was originally a way to cope with that I wrote it to help myself but hopefully it helps you or whoever you are buying this for It will become obvious as you read this book that I don't have everything figured out But I did learn quite a lot since my diagnosis Things like empathy which I lacked for quite some time Things such as how cruel people can be but also how loving and accepting too Things like how to be a friend to someone How to look outside and appreciate the fact that you exist How to realize that there are people out there that currently do and will love you unconditionally Within this book are the ramblings of a depressed English Major who with the help of many people realized that life may not be easy but it sure is worth it
