David Goldblatt

Two Planks And A Passion The Dramatic History Of Skiing:

Two Planks and a Passion Roland Huntford, 2008-11-29 Roland Huntford's brilliant history begins 20 000 years ago in the last ice age on the icy tundra of an unformed earth. Man is a travelling animal and on these icy slopes skiing began as a means of survival. That it has developed into the leisure and sporting pursuit of choice by so much of the globe bears testament to its elemental appeal. In polar exploration it has changed the course of history. Elsewhere in war and peace it has done so too. The origins of skiing are bound up in with the emergence of modern man and the world we live in today.

Skiing Heritage Journal, 2009-09 Skiing Heritage is a quarterly Journal of original entertaining and informative feature articles on skiing history. Published by the International Skiing History Association its contents support ISHA's mission to preserve skiing history and to increase awareness of the sport's heritage.

Two Planks and a Passion Roland Huntford, 2013-01-31 Predating the wheel the ski has played an important role in our history. This is brilliantly brought to life in this engaging book. Roland Huntford's history begins 20 000 years ago in the last ice age on the icy tundra of an unformed earth. Man is a travelling animal and on these icy slopes skiing began as a means of survival. That it has developed into the leisure and sporting pursuit of choice by so much of the globe bears testament to its elemental appeal. In polar exploration it has changed the course of history. Elsewhere in war and peace it has done so too. The origins of skiing are bound up in with the emergence of modern man and the world we live in today.

Historical Dictionary of Skiing E. John B. Allen, 2012 Skiing is one of the oldest modes of transportation known predating the wheel with dated artifacts to prove its pedigree. Skiing for sport however did not become common until about 150 years ago. The first Winter Olympic Games held in Chamonix France in 1924 were the first to introduce skiing as a competition. Events were held in both ski jumping and cross country skiing. With advances in technology and increased leisure time the popularity of skiing as a sport has risen exponentially since it was first introduced. The Historical Dictionary of Skiing relates the history of the sport through a comprehensive alphabetical dictionary with detailed cross referenced entries on key figures, places, competitions and governing bodies within the sport. Author E. John B. Allen introduces the reader to the history of skiing through a detailed chronology, an introductory essay, appendixes and an extensive bibliography. This book is an excellent access point for researchers, students and anyone interested in the history of skiing.

Aiming High Mark Frary, 2012-10-25 Erna Low born in Vienna in 1909 was instrumental in starting what has become a multimillion pound industry: the ski holiday business. In 1932 she placed an advert in the Morning Post saying Austria fortnight 15 only including rail and hotel arranged by young Viennese Graduierte for young people leaving Christmas. For her it was a way to get back home to see her family over Christmas but the popularity of the trip soon saw it develop into a lucrative business. Erna, an Austrian javelin champion and handball player, soon branched out into parties for the young elite at country houses around Britain becoming something of a matchmaker for the 20 and 30 somethings who flocked to her events year after year. When war came to Europe she joined the BBC listening in on German

broadcasts to help the Allied effort After normality had been restored she grasped the opportunity offered by rising standards of living and grew her eponymous company into a leading travel company in the market by the 1960s introducing many holiday destinations and concepts to the British market A consummate networker Erna Low introduced herself to the great and the good and became their friend and confidante She taught royalty actors and politicians to ski This illustrated hardback biography examines Erna s life including interviews with her friends and colleagues and shows how her strength of character and business nous enabled her to succeed in a male dominated world It will appeal to anyone interested in the history of skiing and travel in Britain the hundreds of thousands of past and present customers of Erna Low as well as anyone interested in how an independent young Austrian woman from a challenging background became a household name and business success in Britain A foreword has been written by Roger Lloyd Pack 2012 is the 80th anniversary of the first Erna Low organised ski trip The current chief executive of her company has an amazing archive of material collected by Erna during her life and it was going through this that inspired me to write it says author Mark about Aiming High **Everyone to Skis!** William D. Frank,2013-10-31 Nowhere in the world was the sport of biathlon a combination of cross country skiing and rifle marksmanship taken more seriously than in the Soviet Union and no other nation garnered greater success at international venues From the introduction of modern biathlon in 1958 to the USSR s demise in 1991 athletes representing the Soviet Union won almost half of all possible medals awarded in world championship and Olympic competition Yet more than sheer technical skill created Soviet superiority in biathlon The sport embodied the Soviet Union s culture educational system and historical experience and provided the perfect ideological platform to promote the state s socialist viewpoint and military might imbuing the sport with a Cold War sensibility that transcended the government s primary quest for post war success at the Olympics William D Frank s book is the first comprehensive analysis of how the Soviet government interpreted the sport of skiing as a cultural ideological political and social tool throughout the course of seven decades In the beginning the Soviet Union owned biathlon and so the stories of both the state and the event are inseparable Through the author s unique perspective on biathlon as a former nationally ranked competitor and current professor of Soviet history Everyone to Skis will appeal to students and scholars of Russian and Soviet history as well as to general readers with an interest in skiing and the development of twentieth century sport **Skiing Into Modernity** Andrew Denning,2014-11-26 Examines the relationship between skiers and the Alpine environment since the late nineteenth century It argues that skiing and winter tourism modernized the Alps in both material and perceptual terms while the Alpine landscape itself challenged skiers to alter their practices and philosophies of sport leisure and nature harmonizing Alpine skiing with modern cultural values and social practices in the twentieth century Provided by publisher **Ski Jumping in the Northeast: Small Towns and Big Dreams** Ariel Picton Kobayashi,2021 Dozens of towering ski jumps once dotted the landscape across the northeastern United States Introduced by Norwegian immigrants in the late 1800s ski jumping became popular in Maine New Hampshire

Vermont Massachusetts New York and Connecticut From Lake Placid to Salisbury crowds thronged to the jumps to watch Youngsters like the Tokle brothers and Roy Sherwood rose to stardom All of that changed in the 1980s though with the end of college jumping Today only a handful of jumping clubs remain But in a rare few communities a strong sense of tradition keeps the spirit alive Join author and coach Ariel Picton Kobayashi as she examines ski jumping s fascinating identity as both a small town tradition and thrilling sport

Alpine Skiing Ronald W. Kipp,2011-09-23 In Alpine Skiing Ronald Kipp alpine sport education manager for the U S Ski and Snowboard Association introduces novice skiers to the basics of the sport assists intermediate skiers in refining skills and advises experts in specialized situations He prepares you for your adventure with information on conditioning selecting equipment and familiarizing yourself with the skiing environment You ll then find easy to follow instruction on skiing fundamentals such as the wedge turn the christie and edging skills parallel turns and dynamic parallel skiing You will also find additional guidance on the more challenging moguls powder skiing tree skiing and racing slopes Throughout the book Kipp shares consumer technique and safety tips collected from his years of experience as both a skier and an instructor He also provides valuable information on travel and trip planning including choosing a ski area and accommodations packing and flying with your gear Lists of websites will help you find ski instructors and organizations shop for equipment and gear and plan trips around the world Alpine Skiing is part of the Outdoor Adventures series which provides you with the essential information on basic techniques and skills so you can be on your way to an adventure in no time

Leisure Cultures and the Making of Modern Ski Resorts Philipp Strobl,Aneta Podkalicka,2018-09-11 This edited volume offers an historical perspective on the creation of a global mass industry around skiing By focusing on the ski resort as loci par excellence for global exchange the contributors consider the development of skiing around the world during the crucial post war years With its global lens Leisure Cultures and the Making of Modern Ski Resorts highlights both commonalities and differences between countries Experts across various fields of research cover developments across the ski able world from Europe Asia and America to Australia Attention to media and material cultures reveals an insight into global fashions consumption and ski cultures and the impact of mainstream media in the 1960s and 1970s This global and interdisciplinary approach will appeal to history sociology cultural and media research scholars interested in a cultural history of skiing as well as those with more broad interests inglobalization consumption research and knowledge transfer

The Olympic Winter Games at 100 Heather L. Dichter,Sarah Teetzel,2023-12-11 2024 marks the 100 year anniversary of the winter sports week festival celebrated in Chamonix in 1924 which is now recognized as the first Olympic Winter Games As a globally watched quadrennial mega event the Winter Olympics is unique from both summer sport festivals and other winter festivals such as the Winter X Games This book explores the impacts issues and legacies of the past century of the Olympic Winter Games Grounded in sport history the chapters in this volume draw on the disciplines of cultural history diplomatic history global history environmental history and media history to analyze the continued allure of the Winter

Olympics a century after its origin and in light of the sustained and significant problems facing the Olympic movement Host cities efforts to create positive and lasting legacies are analyzed to highlight the challenges and complexities that have plagued the Olympic movement throughout the last century The Olympic Winter Games at 100 is essential reading for any researcher advanced student or scholar with an interest in Olympic Studies sports development sport policy and history The chapters in this book were published as two special issues in The International Journal of the History of Sport but now with a revised introduction and conclusion *Backcountry Ski & Snowboard Routes: Colorado* Brittany Konsella, Frank

Konsella, 2017-10-11 Whether you re an experienced backcountry skier or intermediate snowboarder looking to ramp up your out of bounds expeditions Brittany and Frank Konsella have the cred to guide you to the state s special runs Both have descended all of the state s 14ers on skis and Brittany was the second woman to accomplish that feat They know where the sweet lines are Backcountry Ski Snowboard Routes Colorado part of the popular series includes backcountry routes focused on the Front Range and the San Juans with other routes in the Sawatch Range Elk Mountains Mosquito Range and more

Gamle Norge and Nineteenth-Century British Women Travellers in Norway Kathryn Walchester, 2014-12-01 Gamle Norge and Nineteenth Century British Women Travellers in Norway presents an account of the development of tourism in nineteenth century Norway and considers the ways in which women travellers depicted their travels to the region Tracing the motivations of various groups of women travellers such as sportswomen tourists and aristocrats this book argues that in their writing Norway forms a counterpoint to Victorian Britain a place of freedom and possibility **Journey** DK, 2019-10-03

Follow the voyages of the Vikings pursue plundering pirates trace the Hippie Trail or set off on a flight to the Moon A thrilling expedition awaits you on every page Journeys have arisen from all manner of impulse from migration and the search for food to pilgrimages trade scientific curiosity or simply the quest for adventure Packed with stories of human movement and endeavor Journey lets you experience the excitement and romance of travel covering everything from quests across the Silk Road and the adventures of Marco Polo to explorations in space and underwater Discover ancient maps biographies of conquerors explorers and travelers stories of scientific discovery and technological innovation stunning works of art and catalogs of travel related memorabilia This truly worldwide account is a glorious celebration of human journeys and will make an impressive gift for any lover of travel and history The Games: A Global History of the Olympics David

Goldblatt, 2016-07-26 A people s history of the Olympics New York Times Book Review A Boston Globe Best Book of the Year A Kirkus Reviews Best Nonfiction Book of the Year The Games is best selling sportswriter David Goldblatt s sweeping definitive history of the modern Olympics Goldblatt brilliantly traces their history from the reinvention of the Games in Athens in 1896 to Rio in 2016 revealing how the Olympics developed into a global colossus and highlighting how they have been buffeted by and affected by domestic and international conflicts Along the way Goldblatt reveals the origins of beloved Olympic traditions winners medals the torch relay the eternal flame and popular events gymnastics alpine skiing the

marathon And he delivers memorable portraits of Olympic icons from Jesse Owens to Nadia Comaneci the Dream Team to Usain Bolt

Two Planks And A Passion The Dramatic History Of Skiing Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Two Planks And A Passion The Dramatic History Of Skiing free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Two Planks And A Passion The Dramatic History Of Skiing free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various

categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Two Planks And A Passion The Dramatic History Of Skiing free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Two Planks And A Passion The Dramatic History Of Skiing. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Two Planks And A Passion The Dramatic History Of Skiing any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Two Planks And A Passion The Dramatic History Of Skiing Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
