Two Kinds Of Knowledge E W Kenyon:

The Two Kinds of Knowledge E. W. Kenyon, 2025-07-15 Mankind's great body of knowledge has come to us through the five senses. Sense knowledge can see the handiwork of God and can see the design in creation but it cannot find the Designer. In fact it's often unwilling to admit that there is a Designer because it cannot see, hear, taste, smell, or touch Him. Sense knowledge says that faith cannot produce miracles. It does not know why we were created nor can it tell us the source of life, light, motion, gravity, or hundreds of other things. But revelation knowledge holds all of these answers and more. In *The Two Kinds of Knowledge*, God's Wisdom Is Greater Than Our Senses, E. W. Kenyon explains how we can discover the wisdom of God in His Word. This new kind of knowledge, which the secular world cannot grasp, brings us to a new kind of life, taking us out of our failures and weaknesses to fill our hungry hearts with love, faith, and grace. [The Two Kinds of Knowledge](#) Essek William Kenyon, 1941

Thinking in the Spirit Douglas Jacobsen, 2003-11-20 This book is about the boisterous beginnings of the American Pentecostal movement and the ideas that defined that movement during those formative years. It follows a group of men who rethought the Christian faith in light of their new experience of God. *Thinking in the Spirit* aims to provide scholars and general readers who know little or nothing about Pentecostalism with an introduction to the ideas of the movement's most articulate early spokespersons and to provide Pentecostals with a non-judgmental historical source to help them in their theological reflections. Douglas Jacobsen focuses on the individuals who formed the original brain trust of this now gigantic religious movement. In a 25-year burst of creative energy at the beginning of the 20th century, these leaders articulated almost all the basic theological ideas that continue to define the Pentecostal message in the United States and around the world.

The Essential Works of E. W. Kenyon E. W. Kenyon, 2025-07-15 The Essential Works of E. W. Kenyon includes six classic works from the legendary Bible teacher. [E.W. Kenyon and His Message of Faith](#) Joe McIntyre, 1997

[The Two Kinds of Life](#) E. W. Kenyon, 2025-07-15 *The Two Kinds of Life* Discover the Lost Truth that Jesus Came to Give Us explains how to receive eternal life through Christ. **The Two Kinds of Faith** E. W. Kenyon, 2021-03-30 *Step Up to What God Has Said in His Word* The Two Kinds of Faith explains directly from the Scriptures what real faith is. This book is a must-read for anybody who desires a deeper walk with God. Read it expecting the Holy Spirit to reveal principles that are easily applicable to your life situations, bringing powerful results because the Word of God is true and practical. What are the two kinds of faith? 1. Sense knowledge faith where we must see, hear, or touch to believe. 2. Real faith where we do not see, hear, or touch yet we believe and receive. We might understand this difference intellectually. Yet if we're not actually applying it in our everyday lives, it can have serious consequences for our relationship with God and the effectiveness of our prayers. Some people lose faith altogether when they feel God has not heard their requests. Many whose prayer lives were ineffective have turned to philosophical and metaphysical cults. Unanswered prayers stand between the believer and a life of faith. No matter what we may think or feel in the natural, God's Word is true and it is the only foundation for faith. To help us live in this reality

we must actively exercise faith rather than hope You never receive what you are hoping for Hope is always in the future But faith is now As we become one with the Living Word in our actions faith will become an unconscious reality for us We will never need to struggle to produce faith We will only think of the need before us and God's ability to meet it Real faith means acting on the Word independent of any physical evidence To believe is to step up to what God has said in His Word and to have faith is to arrive there

The Two Kinds of Faith E. W. Kenyon, 2025-07-15 Gladly Proclaim I Have Faith Do you have faith in what your senses tell you What your eyes see what your ears hear and what you can touch That's the kind of faith Thomas had when he told the disciples who had seen Jesus Except I shall see in his hands the print of the nails and put my finger into the print of the nails and thrust my hand into his side I will not believe John 20:25 This is sense knowledge faith True faith is based on the Word of God We don't have to ask for it it's there for the taking It comes from hearing the Word understanding it acting on it and letting it become a part of you Learn how to fight against the hindrances to revelation faith and the blessings that await you when you learn how to discern The Two Kinds of Faith

Importing Faith Glyn J. Ackerley, 2016-07-28 Many twenty first century evangelical charismatics in Britain are looking for a faith that works They want to experience the miraculous in terms of healings and Godsent financial provision Many have left the mainstream churches to join independent charismatic churches led by those who are perceived to have special insights and to teach principles that will help believers experience the miraculous But all is not rosy in this promised paradise and when people are not healed or they remain poor they are often told that it is because they did not have enough faith This study discovers the origin of the principles that are taught by some charismatic leaders Glyn Ackerley identifies them as the same ideas that are taught by the positive confession health wealth and prosperity movement originating in the United States The origins of the ideas are traced back to New Thought metaphysics and its background philosophies of subjective idealism and pragmatism

These principles were imported into the UK through contact between British leaders and those influenced by American word of faith teachers Glyn Ackerley explains the persuasiveness of such teachers by examining case studies suggesting their miracles may well have social and psychological explanations rather than divine origins **A Different Gospel** Dan R McConnell, 2011-12-22 The name it claim it theology of the Word Faith Movement is presented as biblical but is it In this compelling book McConnell documents the historical link between faith theology and New Thought metaphysics He then analyzes faith theology's doctrines of healing and prosperity as well as its understanding of the atonement of Christ to show how they deviate from biblical teaching This updated edition features a foreword by Hank Hanegraaff and an afterword by McConnell Softcover from Hendrickson *Personal Evangelism* E. W. Kenyon, 2025-07-15 SOUL WINNING IS OUR BUSINESS Jesus made it clear that we are to bring others to His Father He said Follow me and I will make you fishers of men But many Christians don't know how to win souls for their Savior They are too timid to speak out don't know what to say or don't want to offend anyone Legendary Bible teacher E W Kenyon offers a solution in *Personal Evangelism* 22 Lessons to Effectively Share the Gospel He takes readers through all possible scenarios of reaching the lost from those who have false hopes to the indifferent from the skeptical to those who have broken fellowship with the church Until soul winning becomes the business of our life we will not lead many from darkness to light Kenyon says Soul winning is the art of arts We are selling the greatest thing in the world The joy that it gives to the one who finds Christ the blessings that go into the home can never be estimated The man you lead to Christ may become a key man in some community turning a whole section of men to Christ Our time is not our own but belongs to the Lord When we evangelize to snatch souls from the hands of the enemy we give them strength joy and success and obtain more stars in our own heavenly crown **Bold Faith** Ben Pugh, 2017-03-09 Bill Johnson Joyce Meyer Heidi Baker The fame of these names is evidence enough that though the controversies are less intense the Charismatic Movement is alive and well today It continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling Now for the first time all that is most theologically innovative about the movement is synthesized into five distinct and original ideas These five brand new theologies have been created not by theologians but by practitioners who believed their concepts were inspired by the Spirit Inner Healing Shepherding Word of Faith Spiritual Warfare and Signs and Wonders Plenty of studies have been written by Pentecostal scholars about Pentecostal theology but these tend to group the very distinct approaches of Charismatics together with Classical Pentecostals **Bold Faith** aims to analyze and evaluate the ways in which practitioners within independent Charismatic networks especially in their Anglo American expressions have responded to the challenges of secular modernity **"In Jesus' Name"** David A. Reed, 2019-08-26 In *In Jesus Name* tells the story of the third stream of Pentecostalism which emerged during the formative years of the Pentecostal Revival This is the first comprehensive study of the origins history and theology of Oneness Pentecostalism the heterodox movement expelled from the Assemblies of God in 1916 for its rejection of the doctrine of the

Trinity and insistence on water baptism in the name of the Lord Jesus Christ Reed traces the movement now estimated at 14 million world wide to its Pietist and Evangelical roots Its distinctive doctrine is a radical trajectory of a christocentric reaction that had already begun in early Pentecostalism Reed s study shows the inadequacy of the label of heresy in light of its thoroughgoing Pentecostal identity and theology of the Name of God This title was granted the PNEUMA award for 2009

His Word is Now E. W. Kenyon, Don Gossett, 2016-02-08 Redemption is now Healing is now From the inspirational writings of E W Kenyon and Don Gossett comes a book that dares the reader to stand on the daily power and truth of God s Word in order to reap God s promises for deliverance and healing in life Jesus said Whatsoever ye shall ask the Father in my name he will give it you John 16 23 God s Word is as fresh as if it was uttered this morning His Word Is Now It has the power to save now It has the power to heal now

The 'Spiritual Death' of Jesus William Atkinson, 2009-03-16 The teaching of Kenyon Hagin and Copeland that Jesus died spiritually JDS is important because of the influence of these men not least on Pentecostalism This title states that adoption of JDS by Pentecostalism would be damaging in several respects and thus draw the latter away from its moorings in traditional Christianity

Righteous Riches Milmon F. Harrison, 2005-03-03 Does God want us to be wealthy Many people believe that God offers not only eternal joy in the hereafter but also material blessings in the here and now Other Christians see this prosperity theology as nothing more than vulgar materialism incompatible with orthodox Christianity In *Righteous Riches* Milmon F Harrison examines the Word of Faith movement an independent non denominational Christian movement that preaches the so called health and wealth gospel The Word of Faith movement is an international network loosely bound by a basic doctrine called the Faith Message which teaches that it is God s will for Christians to be prosperous successful and healthy in the present life Drawing on his personal experiences as a former insider and in depth interviews with members Harrison takes us inside the movement revealing what it is like to belong and how people accept reject and reshape Word of Faith doctrines to fit their own lives Although the movement is not exclusively African American many of its most prominent and recognized leaders are African American ministers with large congregations and national television audiences Analyzing the movement s appeal to African Americans Harrison argues that because of their history of oppression and discrimination African American religious institutions have always had to address the material as well as spiritual concerns of their members The Word of Faith Movement he says is one of several prosperity movements that resonate strongly with African Americans Situating the movement in the contexts of both contemporary American religion and the history of the Black Church *Righteous Riches* offers a fascinating look at a quintessentially American phenomenon

SPIRITUAL WARFARE: A Struggle for Truth Russell Sharrock, 2007-03-01 Much in the Church is being touted as biblical spiritual warfare even to changing it from being spiritual to be geographical This book critics spiritual warfare teaching comparing it to the Bible and offers a biblically reasoned discussion on spiritual warfare
