Total Oblivion, More or Less Alan DeNiro, 2009-11-24 I remember the first time I began to understand that things might not be the same again What's a girl to do when her world is invaded by warriors from the

ancient world That s the problem faced by sixteen year old Macy who sees her quiet normal life in suburban Minnesota turned upside down when things that should never be possible begin to transform the landscape all around her The cable stops working the phone lines die and then the horsemen come to town It s not the same America that she last went to sleep in Ticketed to a refugee camp by the marauding Scythian armies Macy and her family come to believe that heading down the Mississippi by boat is their one escape from the encroaching madness But as they make their way downriver Macy s world just keeps getting stranger and the wooden submarines wasp borne plagues and talking dogs are the least of her problems For in this upside down world old identities warp and family bonds are sorely tested Acclaimed writer Alan DeNiro has fashioned a completely original utterly beguiling melding of the surreal and the everyday **Everything I Need to Know I Learned from a Children's Book** Anita Silvey,2009-10-13 What children s book changed the way you see the world Anita Silvey asked this question to more than one hundred of our most respected and admired leaders in society and she learned about the books that shaped financiers actors singers athletes activists artists comic book creators novelists illustrators teachers The lessons they recall are inspiring instructive and illuminating And the books they remember resonate as influential reading choices for families EVERYTHING I NEED TO KNOW I LEARNED FROM A CHILDREN S BOOK with its full color excerpts of beloved children s books is a treasury and a guide a collection of fascinating essays and THE gift book of the year for families *Do You Remember Me?* Judith Levine,2010-05-11 In her award winning book Harmful to Minors Judith Levine radically upended our fixed ideas about childhood Now she tackles the other end of life in this poignant memoir of a daughter coming to terms with a difficult father who is sinking into dementia presenting an insightful exploration of the ways we think about disability aging and the self as it resides in the body and the world In prose that is unsentimental yet moving serious yet darkly funny complex in emotion and ideas yet spare in diction Levine reassembles her father s personal and professional history even as he is losing track of it She unpeels the layers of his complicated personality and uncovers information that surprises even her mother to whom her father has been married for more than sixty years As her father deteriorates the family consensus about who he was and is and how best to care for him constantly threatens to collapse Levine recounts the painful discussions mad outbursts and gingerly negotiations and dissects the shifting alliances among family friends and a changing guard of hired caretakers Spending more and more time with her father she confronts a relationship that has long felt bereft of love By caring for his needs she learns to care about and slowly to love him While Levine chronicles these developments she looks outside her family for the sources of their perceptions and expectations deftly weaving politics science history and philosophy into their personal story A memoir opens up to become a critique of our culture s attitudes toward the elderly A claustrophobic account of Alzheimer s is transformed into a complex lesson about love duty and community What creates a self and keeps it whole Levine insists that only the collaboration of others can safeguard her father s self against the riddling of his brain Embracing interdependence and vulnerability not autonomy and

productivity as the seminal elements of our humanity Levine challenges herself and her readers to find new meaning even hope in one man's mortality and our own

There's a Storm Coming: the Journey to Rescue and Save My Father Kathryn Huddleston, 2010-10-18 In narrative form this book chronicles the five year journey the author took with her father afflicted with Alzheimers to restore his dignity and help him reach his physical mental and spiritual potential It presents the many obstacles including the presence of evil forces and other family members mental disorders which had to be overcome to accomplish this The book illustrates how the common denominator of faith in God and a belief in His supreme will enabled communication with her father with whom she previously had only limited interaction She came to discover the importance of entering her father's world of confirming his reality and to recognize though parts of the brain may be tangled and even gone the response to spirit and tone actually remains Her father's sensory awareness and understanding increased and she challenges some previous stereotypes held about patients with this disease Pragmatically the author gives the caregiver suggestions on how

to ensure the patients sense of accomplishment and purpose and maps out daily activity processes The book illustrates how previous experiences enabled them to survive their storm as the author relentlessly struggled to keep her father from being institutionalized so he could remain a participant in this world Occasionally in a mans life there is a book or manuscript that comes his way that is so far out of the norm and so deep beyond expectation that it requires thought prayer and time to assimilate the information through meditation Theres a Storm Coming Kathryn Huddlestons book on the subject of her fathers experience with Alzheimers disease and her passion to help him be the very best he could be physically mentally and spiritually is incredible The journey with glimpses into the family life through the eyes of a person with medical insight and ultimately through a spiritual lens allows us to take a peek behind the veil of one of the most difficult and tough situations facing many Americans today This book is an incredible read for those who care about the condition of their fellow human beings Maury Davis Senior Pastor Cornerstone Church Nashville TN Maury Davis Ministries God brings hope to us in stormy times Through these dark years compassion and care for loved ones is always first This could not be more true than in this book Michelle Stein Executive Director Alzheimers Solutions Project Center for Health Transformation Washington D C The author captures the readers attention by recounting in narrative form how she attempted to overcome the many challenges and trials in her stormy family in order to lessen her fathers turbulence and bring him peace in the last phase of his life In an unassuming authentic way the author illustrates how she ensured her father remained a valued participant in the world Giving caregivers concrete ideas on how she helped her father make decisions ensured up close and personal interaction with others and recognized the importance of tone spirit and listening the book should give them a sense of hope E L Shoenfelt Ph D Professor of Psychology Western Kentucky University Performance Psychologist Kathryn Huddleston believes that while in the midst of other life storms God gave her the gift to care for her father Here she shares that journey in a very personal detailed and honest fashion Not only is this a wonderful handbook for the Alzheimers caregiver Kathryns story affirms my experience of Gods daily walk with those who appear to be absent While we may see our loved ones as fading way in reality they may be living the old gospel hymn Just a Closer Walk with Thee This book gives the caregiver or any reader great spiritual hope Chaplain R Gene Lovelace Alive Hospice Nashville TN
