Helming,2015-09-08 **TW Index Volume 3** Jan Young, *The Handbook of African Defence and Armed Forces* Evert Kleynhans,Marco Wyss,2025-03-01 The Handbook of African Defence and Armed Forces provides the first in depth and multifaceted analysis of the evolution and current state of national defence policies strategies doctrines capabilities security challenges and strategic responses of African states and their armed forces Geographically these aspects are investigated at the national sub regional and regional levels Chronologically they are analysed against the backdrop of the superpower withdrawal from the continent in the 1990s and the so called New Scramble for Africa which has seen a crescendo of renewed great power interest in the continent s resources as well as its strategic role location and relevance since the 2000s The book takes a bottom up and African centric approach and is organized around five key themes i the differing security outlooks and defence policies of African powers within the region and the different sub regions ii the strategies doctrines transformation and employment of African armed forces iii the relationship between African armed forces with sub regional regional and international organizations iv the challenges that African states and their armed forces have been facing and their strategic responses and v the position of African perspectives and agency in the context of continental and international security and defence Understanding African security and defence especially in terms of each individual nation s ability to contribute to peacekeeping operations counterterrorism border security and internal security requires a focus on the national level of armed forces and defence policies this in turns sheds light on sub regional and regional divergences challenges and cooperation Based on this framework the chapters in this volume offer comprehensive African perspectives on African and international security and defence and in doing so show the agency of the continent s countries and armed forces in International Security and Relations *Handbook on Critical Geographies of Migration* Katharyne Mitchell,Reece Jones,Jennifer L. Fluri,2019 Border walls shipwrecks in the Mediterranean separated families at the border island detention camps migration is at the centre of contemporary political and academic debates This ground breaking Handbook offers an exciting and original analysis of critical research on themes such as these drawing on cutting edge theories from an interdisciplinary and international group of leading scholars With a focus on spatial analysis and geographical context this volume highlights a range of theoretical methodological and regional approaches to migration research while remaining attuned to the underlying politics that bring critical scholars together **Tank Gun Systems** William Andrews,2023-06-30 Much has been written about the use of tanks in battle Little however has appeared about the gunnery systems that are at their core This book describes and examines the main gun systems of medium and heavy tanks from first use in 1916 in World War I to those fielded in numbers to the end of World War II in 1945 including tanks of the interwar period Specifically considered are guns of a caliber greater than 35 mm which have been deployed in numbers greater than 100 The emphasis is

on guns mounted in turrets on heavier tracked armored fighting vehicles greater than 15 tonnes which were considered tanks There are though exceptions in that the naval 6 pounder guns in First World War British tanks as well as the 75 mm guns in French medium tanks of the same period all turretless are included The treatment of gun systems includes sighting and fire control equipment gun laying equipment mounts and the array of munitions fired as well as the actual gun including its barrel cradle breech firing mechanism sights and recoil system Related to this are issues of gun handling loading and unloading ammunition design and rates of fire Also examined are the maximum impulse and energy generated by firing some of the munitions available that must be absorbed by the gun recoil system Routledge Handbook of Air Power John Andreas Olsen, 2018-02-20 The Routledge Handbook of Air Power offers a comprehensive overview of the political purposes and military importance of air power Despite its increasing significance in international relations statecraft and war the phenomenon of air power remains controversial and little understood beyond its tactical and technological prominence This volume provides a comprehensive survey designed to contribute to a deep and sophisticated understanding of air power Containing contributions from academics and service personnel the book comprises five sections Part I Foundation the essence of air power Part II Roles and functions delivering air power Part III Cross domain integration applying air power Part IV Political social economic environment air power in its strategic context Part V Case studies air power in its national context Examining a series of themes and factors that contribute to an understanding of the utility and applicability of air power this Handbook focuses on the essence of air power identifies its roles and functions and places air power in its wider strategic and national contexts The Routledge Handbook of Air Power will be of great interest to students of air power strategic studies defence studies security studies and IR as well as to military professionals and policy makers *Australia Navy Handbook Volume 1 Strategic Information and Weapon Systems* IBP USA, 2011 2011 Updated Reprint Updated Annually Australia Navy Handbook *Availability, Reliability and Security* Mila Dalla Preda, Sebastian Schrittwieser, Vincent Naessens, Bjorn De Sutter, 2025-08-09 This two volume set LNCS 15992 15993 constitutes the proceedings of the 20th International Conference on Availability Reliability and Security ARES 2025 in Ghent Belgium during August 11 14 2025 The 34 full papers presented in this book together with 8 short papers were carefully reviewed and selected from 186 submissions They cover topics such as Privacy Enhancing Technologies and Legal Compliance Network and Communication Security IoT and Embedded Systems Security Machine Learning and Privacy Usable Security and Awareness System Security Supply Chain Security Malware and Forensics and Machine Learning and Security *The Routledge Handbook of US Foreign Policy in the Indo-Pacific* Oliver Turner, Nicola Nymalm, Wali Aslam, 2022-12-30 This handbook provides a comprehensive survey of US foreign policy throughout the Indo Pacific Home to around 60 percent of the world's population most of the world's largest and fastest growing economies around half of the world's states with full nuclear capabilities and a complicated web of unresolved tensions disputes and conflicts the Indo Pacific is arguably the most diverse dynamic and

contested region on Earth US strategy there has evolved over centuries with its physical presence going broadly unchallenged since at least the middle of the last century However the rapid development and expanding influence of China alongside the growth of India Indonesia Vietnam the Philippines and others as well as political and economic crises and disruptions within the United States itself mean that in recent times the US has come to occupy a newly uncertain position and perceive a range of highly unfamiliar challenges To explore how the US has managed and continues to manage its regional history and how it approaches the modern day landscape of an Indo Pacific only recently normalised within international political discourse the book contains 33 newly commissioned chapters from leading experts in the field It does so partly with help from the more traditional realms of International Relations theory as well as more critical realms It also unpacks US policy and strategy as it pertains to regional governments states and multilateral institutions as well as to pressing issues including inter state security human rights trade artificial intelligence and cyber strategy It does so in four parts History of the US in the Indo Pacific Theorising US Policy and Presence in the Indo Pacific The US and Indo Pacific States and Institutions The US and Indo Pacific Issues The book is designed to be of interest to students and scholars of the US in the Indo Asia Pacific the international relations of the Indo Asia Pacific and US foreign policy British Books in Print,1980
