counselors from the VA's misguided harmful and unethical clinical performance policies which turned patients into numbers and severely compromised the mental health and welfare of both Veterans and the clinicians who serve them. Consequently, VA management was no longer keeping the promise Abraham Lincoln made in 1865 after the Civil War: To care for him who shall have borne the battle and for his widow and his orphan. Now the VA was breaking the promise. Broken Promises also uncovers the toxic malicious and deceptive whistleblower retaliation tactics inflicted on Blickwedel by VA officials designed to silence him from speaking truth to power and it reveals the horrific impact these retributions had on himself, family members, clients, and counselors. Though defamed, marginalized, gaslighted, mobbed, and experiencing traumatic near-death health challenges, he marched steadfastly on. Despite being forced to leave the job he loved counseling his fellow veterans, Blickwedel was compelled and determined to expose and correct the callous misconduct, injustice, and abuse perpetrated by VA management. A federal Government Accountability Office (GAO) investigation, Blickwedel helped instigate, substantiated his allegations which led to the U.S. Congress passing legislation into law that ensures VA leadership is accountable for protecting the quality of care for our Veterans and their families as well as safeguarding the well-being and morale of counselors who provide services to them at over 300 VET Centers nationwide. Broken Promises further gives hope to those who undertake similar campaigns to report corruption, neglect, and maltreatment by providing indispensable guidelines that will greatly enhance the effectiveness of the endeavor while granting a better chance for a more favorable outcome. Also, self-care strategies are offered which are essential to maintain good health and resilience throughout such an overwhelming ordeal. Blickwedel's unwavering battle to rectify jeopardized mental health care and endangered counselor welfare within the VA VET Center program has been featured on NBC and NPR, to include the Military Times, other publications, and local news broadcasts. A man of courage, integrity, and tireless resolve, Blickwedel epitomizes all that is great in our American heroes.
