The Victorian Dictionary *of* Slang & Phrase

BY J. REDDING WARE

Victorian Dictionary Slang Phrase

John Camden Hotten

Victorian Dictionary Slang Phrase:

The Victorian Dictionary of Slang & Phrase James Redding Ware, 2015 Acutely aware of the changes in English usage at the close of the Victorian era the lexicographer James Redding Ware 1832 1909 decided to record for posterity new and archaic words and phrases from all walks of life from the curses in common use by sailors and the rhyming slang of the street to the jargon of the theatre dandies Where else would you turn to learn the meaning of Bow wow mutton Air hole Lally gagging and Damper Ware's dictionary first published in 1909 is a treasure trove of the everyday language of the nineteenth century showing the influence of American English on Victorian slang as well as historical and innovative words and phrases While it presents numerous expressions now obsolete and some terms and definitions in the idiom of the era which would not now be considered acceptable it also uncovers the origins and meaning of many slang words still in use today Reproduced in facsimile with an introduction by John Simpson Chief Editor of the Oxford English Dictionary this dictionary provides a fascinating and highly entertaining witness to the colourful history of unofficial English PASSING ENGLISH OF THE VICTORIAN ERA J. REDDING. WARE, 2018 Passing English of the Victorian Era James Redding Ware, 1986 **Passing English of the Victorian Era** James Redding Ware, 1972 Passing English of the Victorian Era J. Redding Ware, 2015-11-25 This new version of the book contains all the original text including the pages missing or unreadable from other reprints Most of the obvious errors from the original printing have also been cleaned up This edition is not a cut and paste job or a collection of inferior scans it has been lovingly retyped and checked paragraph by paragraph The aim of this new edition is to make the book a reference work in its own right Read in its original version the book can seem a little arcane with reference to events and people that have been forgotten by anyone but historians but would be well known to the educated man of the time The author assumed that his reader had a fairly classical education and a firm understanding of social and political events with Victorian history freshly in their minds His typical reader would be a well read gentleman with an understanding of Latin and French and an appreciation for the theatre and good literature Few modern readers will understand all of the references given in the text of the original book so this edition has been expanded to make reading it as enjoyable and as enlightening as possible the aim being to enable understanding without having to look up the people or places mentioned in other books To this end hundreds of Publisher's Notes have been inserted into and among the original text Each note gives a brief explanation of obscure words translates foreign terms gives a brief biography of people mentioned or otherwise provides further information for the modern reader It is hoped that these additions improve the usability of what is already a classic piece of work *A Dictionary of Slang, Cant, and Vulgar Words* John Camden Hotten, 2023-10-25 In *A Dictionary of Slang Cant and Vulgar Words* by John Camden Hotten readers are transported to the underbelly of Victorian England through a comprehensive compilation of unconventional language Hotten's book serves as a window into the vernacular of the time shedding light on the hidden subcultures and unsavory aspects of society The literary

style of the dictionary is informative yet engaging allowing readers to delve into the world of slang and colloquial speech with ease This work is a vital resource for scholars and linguists studying the linguistic evolution of the era Hotten s meticulous attention to detail and thorough research make this dictionary a valuable addition to any library John Camden Hotten s extensive background in publishing and interest in language likely inspired him to create such a comprehensive dictionary His passion for preserving the unconventional language of the time is evident in the meticulous compilation of entries in the book With a keen eye for detail and a dedication to historical accuracy Hotten has left a lasting legacy with this work I highly recommend A Dictionary of Slang Cant and Vulgar Words to readers interested in exploring the hidden intricacies of Victorian English language Hotten s meticulous research and comprehensive approach make this dictionary a valuable resource for anyone studying the history of language or seeking a deeper understanding of the linguistic landscape of the era

Ware's Victorian Dictionary of Slang and Phrase James Redding Ware,2013 Acutely aware of the changes in English usage at the close of the Victorian era the lexicographer James Redding Ware 1832 1909 decided to record for posterity new and archaic words and phrases from all walks of life from the curses in common use by sailors and the rhyming slang of the street to the jargon of the theatre dandies Where else would you turn to learn the meaning of Bow wow mutton Air hole Lally gagging and Damper Ware s dictionary first published in 1909 is a treasure trove of the everyday language of the nineteenth century showing the influence of American English on Victorian slang as well as historical and innovative words and phrases While it presents numerous expressions now obsolete and some terms and definitions in the idiom of the era which would not now be considered acceptable it also uncovers the origins and meaning of many slang words still in use today Reproduced in facsimile with an introduction by John Simpson Chief Editor of the Oxford English Dictionary this dictionary provides a fascinating and highly entertaining witness to the colourful history of unofficial English *Passing English of the Victorian Era* J. Redding Ware,2015-07-04 Excerpt from *Passing English of the Victorian Era A Dictionary of Heterodox English Slang and Phrase* Here is a numerically weak collection of instances of Passing English It may be hoped that there are errors on every page and also that no entry is quite too dull Thousands of words and phrases in existence in 1870 have drifted away or changed their forms or been absorbed while as many have been added or are being added Passing English ripples from countless sources forming a river of new language which has its tide and its ebb while its current brings down new ideas and carries away those that have dribbled out of fashion Not only is Passing English general it is local often very seasonably local Careless etymologists might hold that there are only four divisions of fugitive language in London west east north and south But the variations are countless Holborn knows little of Petty Italia behind Hatton Garden and both these ignore Clerkenwell which is equally foreign to Islington proper in the South Lambeth generally ignores the New Cut and both look upon Southwark as linguistically out of bounds while in Central London Clare Market disappearing with the nineteenth century had if it no longer has a distinct fashion in words from its great and partially surviving rival through the centuries the world

of Seven Dials which is in St Giles St James's being practically in the next parish In the East the confusion of languages is a world of variants there must be half a dozen of Anglo Yiddish alone all however outgrown from the Hebrew stem Passing English belongs to all the classes from the peerage class who have always adopted an imperfection in speech or frequency of phrase associated with the court to the court of the lowest costermonger who gives the fashion to his immediate entourage Much passing English becomes obscure almost immediately upon its appearance such as Whoa Emma or How's Your poor feet About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Passing English of the Victorian Era James Redding Ware, 2014-03 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

Passing English of the Victorian Era James Redding Ware, 2015-02-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Passing English of the Victorian Era J Redding Ware, 2020-06-20 This book has been considered by academicians and scholars of great significance and value to literature This forms a part of the knowledge base for future generations So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published Hence any marks or annotations seen are left intentionally to preserve its true nature

Dictionary of the Slang-English of Australia and of Some Mixed Languages Karl August Lentzner, 1892 A

Dictionary of Victorian Slang, Cant, and Vulgar Words John Camden Hotten, 2017-01-29 This is more than just a dictionary of the speech of beggars thieves rogues vagabonds ne'er-do-wells shopkeepers workmen soldiers lords dandies actors students and parliamentarians amongst others though it is abundantly that it is also a guidebook and an essay collection that takes the reader on a journey deep into Victorian England from the backstreet dens of the underworld all the way up to the offices of high society

Queer Objects Guy Davidson, Monique Rooney, 2020-06-29 Pursuing the discursive or material effects of relational queerness this book reflects on how objects can illuminate affect and animate queer modes of being In the early 1990s the queer theorist Eve Kosofsky Sedgwick defined queer as multiply transitive relational and strange rather than a fixed identity In spite of this much of the queer theoretical scholarship of the last three decades has used queer as a synonym for anti-normative sexual identities The contributions to this volume return to the idea of transitivity exploring what happens when queer is thought of as a turning toward or turning away from a diverse range of objects including bodily waste frozen cats archival ephemera the writing of Virginia Woolf the Pop art of Ray Johnson the podcast *S-Town* and Maggie Nelson's memoir *The Argonauts* Relevant to those studying queer theory this book will also be of wider interest to those researching identity and the way in which it is represented in a variety of artistic disciplines This book was originally published as a special issue of *Angelaki*

A History of Cant and Slang Dictionaries Julie Coleman, 2008-10-23 This book continues Julie Coleman's acclaimed history of dictionaries of English slang and cant It describes the increasingly systematic and scholarly way in which such terms were recorded and classified in the UK the USA Australia and elsewhere and the huge growth in the publication of and public appetite for dictionaries glossaries and guides to the distinctive vocabularies of different social groups classes districts regions and nations Dr Coleman describes the origins of words and phrases and explores their history By copious example she shows how they cast light on everyday life across the globe from settlers in Canada and Australia and cockneys in London to gang members in New York and soldiers fighting in the Boer and First World Wars as well as on the operations of the narcotics trade and the entertainment business and the lives of those attending American colleges and British public schools The slang lexicographers were a colourful bunch Those featured in this book include spiritualists aristocrats socialists journalists psychiatrists school boys criminals hoboes police officers and a serial bigamist One provided the inspiration for Robert Lewis Stevenson's Long John Silver Another was allegedly killed by a pork pie Julie Coleman's account will interest historians of language crime poverty sexuality and the criminal underworld
