War And Peace Modern Library:

War and Peace Leo Tolstoy, 2002-07-09 Introduction by A N Wilson Nominated as one of America's best loved novels by PBS's The Great American Read Often called the greatest novel ever written War and Peace is at once an epic of the Napoleonic Wars a philosophical study and a celebration of the Russian spirit Tolstoy's genius is seen clearly in the multitude of characters in this massive chronicle all of them fully realized and equally memorable Out of this complex narrative emerges a profound examination of the individual's place in the historical process one that makes it clear why Thomas Mann praised Tolstoy for his Homeric powers and placed War and Peace in the same category as the Iliad To read him is to find one's way home to everything within us that is fundamental and sane *War and Peace, a Novel by Count Leo Tolstoy* graf Leo Tolstoy,

Tolstoy Henri Troyat, 2001 A biography of nineteenth century Russian novelist Leo Tolstoy discussing his childhood and youth his stint in the military his discovery of Europe his relationships and his writing **War and Peace in Contemporary Eritrean Poetry** Charles Cantalupo, 2009 War and Peace in Contemporary Eritrean Poetry focuses on Eritrean written poetry from roughly the last three decades of the twentieth century The poems appear in the anthology Who Needs a Story Contemporary Eritrean Poetry in Tigrinya Tigre and Arabic from which a selection is offered here in their original scripts of Ge'ez or Arabic and in English translation Who Needs a Story is the first anthology of contemporary poetry from Eritrea ever published and War and Peace in Contemporary Eritrean Poetry is the first book on the subject Therefore the groundbreaking effort of the former warrants a discussion of its means of cultural production All of the poets in Who Needs a Story participated in the Eritrean struggle for independence 1961-91 as freedom fighters and/or as supporters in the Eritrean diaspora Thus contemporary Eritrean poetry divides itself between experiences of war and peace although one can contain the other as well War and Peace in Contemporary Eritrean Poetry also includes an extended analysis of one of Eritrea's most famous contemporary poets Reesom Haile as an example of the kind of extended analysis that many of the poets of Who Needs a Story should stimulate and last but not least a meditation on how the author a non-native speaker personally becomes involved in Eritrean poetry translation *War and Peace in the Western Political Imagination* Roger

Manning, 2016-03-10 The study of war in all periods of prehistory and recorded history has always commanded the attention of historians dramatists poets and artists The study of peace has however not yet gained a comparable readership and the subject is attracting an increasing amount of scholarly research This volume presents the first work of academic research to tackle this imbalance head on It looks at war and peace through the ages from the Classical world through to the 18th century It considers the nature and advocacy of war and peace both from an historical perspective but also a philosophical one particularly looking at how universal peace which began as a personal philosophy became over the centuries a political philosophy that underpins much of modern society's attitudes towards warfare and militarism Roger Manning begins his journey through history by looking at the Greek martial ethos and philosophical concepts of peace and war in the ancient

world moving through the Roman empire's military advances he explores the concepts of war and peace in the medieval world and the Renaissance with the writing of Machiavelli and Erasmus finally his account of the search for a science of peace in the 17th and 18th centuries brings the book to its conclusion **The Public Papers of Woodrow Wilson: War and peace; presidential messages, addresses, and public paper (1917-1924)** Woodrow Wilson, 1927 War and Peace graf Leo Tolstoy, 1960 The Modern Library of the world's best books An epic novel featuring the Russian role in the Napoleonic wars and providing a complex panorama of the life of the time **Wisconsin Library Bulletin** , 1911

Universal Classics Library: The rights of war and peace [by] Grotius , 1901 *The State, War and Peace* J. A. Fernández-Santamaria, 1977-09-08 This is a comprehensive study in English of political thought in Spain during the Renaissance In the early sixteenth century Castile experienced two major constitutional crises caused by the accession of a Habsburg ruler shortly to become Holy Roman Emperor to her throne and by the discovery and conquest of America Politically these circumstances created a bizarre situation in which the venerable idea of medieval empire was forced to co exist with a novel imperial vision made inevitable by expansion in the new world The strain imposed on Castile's constitutional fabric stimulated the most significant developments of Spanish political thought in the Renaissance Against this background Professor Fernández Santamaria surveys the contribution of a number of eminent writers from diverse intellectual traditions who endeavoured to apply established political assumptions to these unprecedented circumstances
