

Heavenly Father, I stand against the plans and schemes of the enemy. Your Word says that no weapon formed against me shall prosper. I pray for discernment and wisdom to recognize the enemy's tactics and the strength to resist them. May Your truth and light shine upon every dark plot, and may I walk in victory over the adversary.

Know Your Spiritual Enemies and Destroy Their Kingdom of Darkness Gilbert Enyidah-Okey Ordu, 2007 **How to Defend Your Lair** Keith Ammann, 2022-11-29 The world is a dangerous place especially when you re up to no good Whether you re a rampaging monster a calculating mastermind or the current possessor of the Golden MacGuffin someone s going to come at you Probably more than one someone You can t know when but you can choose where You need to be ready You need a lair In *How to Defend Your Lair* gamemaster Keith Ammann pulls back the curtain on an underrated but crucial part of any tabletop roleplaying game the theater of battle Say goodbye to encounters in randomly generated dungeons and hello to a game in which where the fight takes place is just as important as who is doing the fighting This book teaches you how to use real world principles of building security and area defense to create strongholds infused with flavor informed by narrative and complex enough to force your players to think strategically You ll look at the strengths and weaknesses of both defenders and potential attackers creating spaces that are strong enough to keep out ordinary intruders and to provide thrilling challenges to extraordinary ones *Infantry*, 1992 **Deception Unveiled** Louvenia Pickett, 2015-02-16 Six Strategies the Enemy Uses to Confuse You about Gods Law to Destroy You is about a man who worked for the King until he decided to promote himself He thought that he would one day rule that Kingdom but was cast out So he became the Kings enemy Instead of giving the Kings message to the people he gives them his own message The adversary rebels against the Kings commands and tries to discredit the Kings words He twists them to deceive the people into following him instead of following the King He secretly plans to lead recruits down unrighteous paths by lies and flatteries to destroy them His followers are taught to duplicate him Since this enemy cannot create he erroneously teaches the laws of his former King to confuse the people He tricks people into his kingdom with false doctrines Those who know the truth defeat him and destroy his works With powerful truths from the Scriptures Louvenia reveals how you can know what is right discern the enemys intent to deceive you be established in the truth know whats done away with and whats not destroy the enemys lies and be established in the faith Do Old Testament laws still apply today Find out the truth about Gods law and the law of Moses and how confusion of the laws leads Christians into following ungodly doctrines that lead to eternal damnation *A Pair of Miracles* Karla Akins, 2017-07-25 A parent s gripping journey of awareness acceptance and appreciation of her two boys dealing with significant challenges brought on by autism Stephen Mark Shore EdD When Karla Akins hoped that her autistic sons could learn to read and function independently doctors warned her that those expectations would never be met She set out to prove that despite those warnings all things are possible through God Laced with humor and compassion *A Pair of Miracles* is the heartwarming story of her journey rearing adopted twin sons each diagnosed with autism and fetal alcohol disorder This is more than a moving biography from a mom on the front lines however It is a powerful tool full of practical help for parents educators and church members working with children who have intellectual disabilities speech impairments

and other limitations on the autism spectrum It is also a challenge to the church to welcome and celebrate all the members of their congregation no matter their abilities Thanks to Karla s determination faith and unconditional love and contrary to the doctors predictions her adult twins are now able to function independently in many ways They help their dad install pools do carpentry work and serve in the church as ushers sound engineers and children s ministry workers For parents seeking hope answers and peace Karla leads the way to all three down a path she s already been *Finding the Warrior Within* Carolyn Alcina,2012-08 See the power of God transform lives through your prayers We are in a war Satan has declared war on God and his people We are called to fight Discover how we have come to be involved in this battle and everything you need to know to unlock the power of prayer Learn how God places a burden on our hearts What He wants us to do with that burden A Burden Bearer becomes a Prayer Warrior To find the warrior within *Samurai and Ninja* Antony Cummins,2016-08-09 The myths of the noble Samurai and the sinister Ninja are filled with romantic fantasy and fallacy Samurai and Ninja expert Antony Cummins shatters the myths and exposes the true nature of these very real and very lethal medieval Japanese warriors The Samurai and Ninja were in fact brutal killing machines trained in torture and soaked in machismo Many were skilled horsemen and sword fighting specialists while others were masters of deception and sabotage Some fought for loyalty others for personal gain What these warriors all shared in common was their unflinching personal bravery skill and brutality In *Samurai and Ninja* Cummins separates myth from reality and shows why the Japanese were the greatest warriors of all time He describes the Samurai and the Ninja as they really were in earlier times when battles raged across Japan not in later times when war became obsolete and Japanese warriors became philosophers scholars and courtiers He describes the social context of the day and the feudal world into which the warriors were trained to fight and die for their lords He exposes the essentially brutal nature of warfare in medieval Japan This book is illuminated by many rare Japanese manuscripts and texts which are translated into English for the very first time **Burdens to Blessings** Kim Crabill,2016-10-01 From the time Kim Crabill experienced a life altering trauma at age four she became an expert in hiding her hurt and confusion behind a mask The trick she discovered was to sing a little louder in choir study a little harder at school and smile a little wider with friends Then no one would notice how damaged her heart was Kim became a classic overachiever academically and socially As an adult she could even speak before crowds with her mask fully intact But she could not hide from the pain of her past and pain that expressed itself through anorexia and diet pill addiction loneliness depression and anxiety attacks In her transparent story *Burdens to Blessings* Kim invites you along her journey from shame and sadness toward healing and hope In the process you will encounter the upside down truth that God uses you because of your hurt and uncertainty The very things you regret the most the things you hope no one ever discovers about you are what God wants to use to enrich your life and the lives of others around you Discover the confidence and courage to quit hiding and show your true self to God and others Then watch out because you will be showered with opportunities beyond your wildest dreams to help other hurting
