The World Crisis And Bible Prophecies:

Understanding Bible Prophecy and the End Times P. L. Ditshego, 2016-06-16 Understanding Bible Prophecy and the End Times is an insightful practical and thought provoking book preparing the church the world and government leaders to understand Gods prophetic time clock and the signs of the end times How God controls the course of world history as revealed and proven by the records of scripture What is the New World Order who is behind its formation what is the rationale for its formation and what are its characteristics Who is the coming super world dictator and what would be the features of his reign of terror When will the Church be raptures pre mid or post tribulation What is the Mark the Image and the Number of the Beast that Revelations 13 is warning us against Phases of the resurrection and their relevance on the End Time phenomenon End Time judgements of God and the Marriage Supper of lamb The nature characteristics and purpose of the Millenial Kingdom How can we prepare ourselves in the light of Bible Prophecy and its fulfilment with current events Undoubtedly reading this book will sharpen your perception and make you a sound student of Bible Prophecy Your World, Your Future, & Bible Prophecy Daniel J. Gansle, 2007-11 Our high tech planet what promises and pitfalls lie before us and what does the Bible have to say about it Your world your future read the book everyone s talking about The Watchman Magazine ,1917 Why the End of the World is Not in Your Future Gary DeMar, 2008 *The Rapture, One-World Government and the "Great Tribulation"* Luis Muñoz, 2013-08-13 This book explains in great detail and exceptional clarity the issues related to the rapture of the Church the government of the Antichrist the great tribulation and all the apocalyptic judgments which God will pour out upon the wicked world The rapture of the Church will bring about the global collapse of the economic political and religious institutions of the world At that moment of monumental crisis humanity will quickly look for a leader willing to put the world back together offer them peace and security The world will host a false prince of peace called the Antichrist He will elate the masses by telling them what they want to hear However he will push humanity to the deepest levels of degradation vice immorality crime war violence and rebellion against God He will corrupt the social and moral order and as a result billions of people will die He will plunge the world into spiritual darkness and lead humanity astray The Antichrists empire shall devour the whole earth trample it and break it in pieces Daniel 7 23 NKJV This will be a period characterized by widespread wars which will bring death to billions of people For in those days there will be tribulation such as has not been since the beginning of the creation which God created until this time nor ever shall be Mark 13 19 NKJV During this period 25 and 33 per cent of the world population will die in two major wars If these conflicts were to happen in our time 3 56 billion people would die However before the Antichrist begins God will take out of this world all those who believe in Christ Seven years later the Lord Jesus will return to destroy those who destroy the earth Rev 11 18b and establish His everlasting kingdom on Earth Then The wolf and the lamb shall feed together The lion shall eat straw like the ox and dust shall be the serpents food They shall not hurt nor destroy in all My holy mountain says the LORD Isaiah 65 25

NKJV **Uncovering the Secrets of Bible Prophecy** Jeff Kinley, 2018-11-06 Can I know for sure what is in store for the future With so much hype about the signs of the times it is more important than ever to know what God really said was going to happen It is not enough to take someone else's word for it You must know how to uncover prophetic truths in the Bible for yourself In this easy to read yet extremely helpful guide to understanding the nature and purpose of the prophetic passages in Scripture Jeff Kinley will show you the five biggest mistakes people make when it comes to Bible prophecy how to sort fact from fiction and spot false prophets the major views and interpretive principles you need to know the difference Bible prophecy makes in your life right now The future may seem like one big mystery but it doesn't have to be God has made His plans evident to all And when you know what He has revealed you can face the last days with a confident assurance of His provision and victory *Millennial Dreams and Apocalyptic Nightmares* Angela M. Lahr, 2007-10-31 The Religious Right came to prominence in the early 1980s but it was born during the early Cold War Evangelical leaders like Billy Graham driven by a fierce opposition to communism led evangelicals out of the political wilderness they inhabited since the Scopes trial and into a much more active engagement with the important issues of the day How did the conservative evangelical culture move into the political mainstream Angela Lahr seeks to answer this important question She shows how evangelicals who had felt marginalized by American culture drew upon their eschatological belief in the Second Coming of Christ and a subsequent glorious millennium to find common cause with more mainstream Americans who also feared a soon coming end albeit from nuclear war In the early postwar climate of nuclear fear and anticommunism the apocalyptic eschatology of premillennial dispensationalism embraced by many evangelicals meshed very well with the secular apocalyptic mood of a society equally terrified of the Bomb and of communism She argues that the development of the bomb the creation of the state of Israel and the Cuban Missile Crisis combined with evangelical end times theology to shape conservative evangelical political identity and to influence secular views Millennial beliefs influenced evangelical interpretation of these events repeatedly energized evangelical efforts and helped evangelicals view themselves and be viewed by others as a vital and legitimate segment of American culture even when it raised its voice in sharp criticism of aspects of that culture Conservative Protestants were able to take advantage of this situation to carve out a new space for their subculture within the national arena The greater legitimacy that evangelicals gained in the early Cold War provided the foundation of a power base in the national political culture that the religious right would draw on in the late seventies and early eighties The result she demonstrates was the alliance of religious and political conservatives that holds power today *The Coming Oil Storm* Ron Rhodes, 2010-07-01 Ron Rhodes a leading scholar on biblical prophecy reveals how looming tensions over oil factor into end time global alignments and how they may lead to a dramatic shift in the balance of power in the world Much of the world's oil is in the custody of unstable and sometimes hostile regimes Nations around the world are positioning themselves to protect their shrinking piece of the pie of dwindling oil reserves Global tensions continue to rise In *The Coming Oil Storm*

Rhodes documents the role of Islam as the religion in control of most of the world's oil reserves and shows convincingly that once Muslims are in possession of the two swords of oil and nuclear weapons they will feel empowered to act as they wish. Oil could even play a role in the path to Armageddon. *The Coming Oil Storm* is an essential guide for understanding the state of the world today and what's yet to come. **The United States Catalog**, 1921. Hawkins, 1921. **War-time Agencies of the Churches** General War-Time Commission of the Churches, 1919. **THE TRUTH OF THE ORIGIN OF THE UNIVERSE** Sabrie Soloman, 2024-06-12. God's Signature in DNA. The Rapture. The Great Tribulation. Armageddon. War. World War III. The concept of God's signature in DNA is a fascinating topic that explores the intricate design and complexity of the human genome. Many creationists and religious believers see the complexity and precision of DNA as evidence of an intelligent designer or creator pointing to the existence of a higher power. The idea that DNA contains a signature of God's handiwork is a theme often discussed in religious and philosophical circles, highlighting the wonder and mystery of life itself. Moving on to the topics of the Rapture, the Great Tribulation, and the Armageddon War, these concepts are deeply embedded in Christian eschatology or the study of end times. The Rapture is believed to be the biblical event where believers are taken up to heaven to be with God before a period of tribulation and judgment on earth. The Great Tribulation is a period of intense suffering and turmoil that is prophesied to occur before the final battle of Armageddon, believed by the author to be World War III. These apocalyptic beliefs have captured the imagination of many believers and have inspired countless books, movies, and religious teachings. While interpretations of these events may vary among different Christian denominations, the underlying message of hope, redemption, and faith in the face of adversity remains a central theme. [The End](#) Mark Hitchcock, 2012-07-06. *A Comprehensive Guide to Bible Prophecy and the End of Days*. The end times have seen a great amount of interest within the last two decades, but there hasn't been a comprehensive overview of biblical prophecy and eschatology for more than five decades. Mark Hitchcock's book is a thorough resource for the twenty-first century. *The End* will do for eschatology what

Randy Alcorn's *Heaven* did for people's understanding of heaven. It will provide a solid biblical foundation for Christians to explore the essential truths around this topic: the end of the world. In a clear and understandable way, *The End* lays out how to interpret Bible prophecy, the key prophecy passages in Scripture, what you need to know about the Tribulation, the Antichrist, and signs of the last days. The strengths and weaknesses of the different views on the Rapture, the Millennium, and the chronology of the end times events. The book of Revelation doesn't need to feel daunting. *The End* will give you confidence in and hope for the future as it points you toward the second coming of Christ.

Existential Threats Lisa Vox, 2017-07-03 In *Existential Threats*, Lisa Vox explores the growth of dispensationalist premillennialism alongside scientific understandings of the end of the world and contends that these two allegedly competing visions have converged to create an American apocalyptic imagination.

The Popular Encyclopedia of Bible Prophecy Tim LaHaye, Ed Hindson, 2018-02-06 More than one fourth of the Bible was prophetic in nature at the time it was written, and Christ's second coming is mentioned more than 300 times in Scripture.
