she's struggling to make ends meet working at a tree farm while stowing away in a Tiny House on builder Bale Barrett's property. Of course she only plans to hide out until the weather improves or until she finishes her own Tiny House project. But when Bale discovers her rather than send the hapless designer packing he offers her a place to stay and solid advice on her thesis and her life. Just as Molly feels like she's getting back on her feet things start to fall apart like her project and her romantic illusions about her outrageously good looking boss Quinn. Puzzles and descriptions based on each of the following Laura Ingalls Wilder books: Little House in the Big Woods, Farmer Boy, Little House on the Prairie, On the Banks of Plum Creek, By the Shores of Silver Lake, The Long Winter, Little Town on the Prairie, These Happy Golden Years, The First Four Years, On the Way Home, West From Home. Gregory White has been studying Laura Ingalls Wilder for over 35 years. Excerpt: I was able to take a charter bus with Evelyn and a group of about fifteen others mostly adults to the Laura Ingalls Wilder Historic Home in Mansfield, Missouri. The experience of visiting Rocky Ridge Farm is probably why I still enjoy museums to this day. It wasn't the souvenirs in the gift shop that interested me; it was being able to walk across the same floors as Laura and Almanzo to look out of the same windows of their house and see the views they saw and to actually lay eyes on the desk where she wrote the Little House books. For someone wanting to become a writer when he grew up it showed me a connection between a real person and a place and the world she created to share with the entire world through writing.
