The World To Come A Portal To Heaven On Earth:

The World to Come Derek Leman, 2008 A fresh but old perspective on the world to come as it interacts with the prophets and the Bible

The Books of Enoch R. H. Charles, 2024-04-09 A collection of three key lost books of the bible offering insight into the origins of early Christianity In the early days of the Christian faith there were many writings only some of which became part of the canonical Bible But what of the other books known as apocryphal texts which of those are worth reading One of the most influential and well known of these apocryphal texts is The Books of Enoch a collection of three ancient Hebrew texts that contain teachings about angels demons the great flood as well as mystical prophecies This collection also includes two other important apocryphal books The Book of Jasher meaning upright or righteous describes the world s creation up until Moses death and is referenced throughout the Hebrew bible The Book of Jubilees is an ancient Jewish religious text that offers a retelling of the books of Genesis and Exodus Compiled together for modern readers these three apocryphal texts offer insight into the origins of early Christianity Readers will discover new details narratives and perspectives that will interest and even challenge modern readers Together these books provide a historical framework for readers interested in expanding their knowledge of biblical heritage

'The Real Scriptures' of God James Platter, 2012-08-14 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isnt in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone elses church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language

The Book of Enoch Revised Unknown, *The Book of Enoch* R. H. CHARLES, D.LITT., D.D., 2016-07-24 A book of Jewish myth and thinking the Book of Enoch was a book that was widely used in the first century as a point of reference in Jewish belief While it is largely unknown exactly when the book was written it was known to have been written by the time of the New Testament since a passage in the book of Jude comes from this source While not canonical this book is an interesting tool to enlightening the myths Jews held onto at the time of Biblical writing

Midkiff,2019-08-25 These Apocrypha books were found within the Dead Sea scrolls Were they taken out on purpose to further a sinister plan Could these writings which were referred to and quoted in the canonized 66 books of the Bible shed new light on some old mysteries If the closest man to ever walk and talk with God and was shown how the universe works wrote a book would you want to read it **Power Portals** Joshua Mills,2020-10-06 Heaven Is Opening for You I encourage you to read Joshua s book not only to learn about the glory but also to be changed by the glory Bill Johnson This book is boot camp for the next and greatest move of God s Spirit in history Sid Roth All Christians are intended to live move and operate in the supernatural realm But many people aren t sure how to enter into this realm or how to go deeper in the Spirit Joshua Mills explains that much more than sensing what God is doing we can participate in the supernatural on a daily basis through divine portals or gates Within a power portal we may experience a sudden realization of God s presence an abundance of healing spontaneous joy signs and wonders angelic activity an increase in spiritual dreams and visions or extravagant provision Some portals can be activated in our own bodies through the mind eyes and ears mouth heart innermost being hands and feet There are also direct heavenly portals and geographical portals special places where we can experience the release of God s power Joshua s writing is filled with amazing personal stories of the supernatural at work Get ready to awaken your connection to the Spirit realm Get ready to encounter Power Portals Joshua Mills has taken deep spiritual revelation and translated it into language that any reader can understand and apply to daily life Becky Thompson Joshua Mills gives you teachings you can trust and revelations that get you results Tony Kemp *Book of Enoch* R. H. Charles,2013-08-15 The Book of Enoch was known and valued by the earliest Christians and sheds light on many concepts found in the New Testament such as angels and demons future judgment the Messiah and the Messianic Kingdom the title Son of Man and the resurrection This new edition of R H Charles s classic translation includes a substantial new introduction by Paula Gooder in which she writes Despite the many exciting and revolutionary archaeological finds during the 20th century 1 Enoch remains one of the most important texts of its kind It is a broad anthology of apocalyptic traditions about the biblical character Enoch some easier to read and comprehend than others It arose out of its context This was a context riven by the harsh experience of conflict violence and fear for the future as the wars between rival Greek generals gave way first to the oppression of the Seleucid Antiochus IV Epiphanes then the disillusionment of Hasmonean rule followed by Roman invasion and further oppression It arose out of this context but spoke very clearly into and beyond it too reminding its readers in many different generations that the world around them was not all there was that judgement would come and the righteous would be rewarded It also reflected a view of the world shared by the majority if not all of the New Testament writers This was a world in which the things of heaven continually shaped the things of earth in which angels revealed secrets and in which God cared and intervened for his people 1 Enoch is thus worth reading in its own right but it is also vitally important for the many ways in which it illuminates the world language and theology of the New Testament The

Books of Enoch AA.VV.,2023-12-07 The Book of Enoch is an ancient Hebrew apocalyptic religious text ascribed by tradition to Enoch the great grandfather of Noah Enoch contains unique material on the origins of demons and Nephilim why some angels fell from heaven an explanation of why the Genesis flood was morally necessary and prophetic exposition of the thousand year reign of the Messiah The older sections mainly in the Book of the Watchers of the text are estimated to date from about 300 200 BC and the latest part Book of Parables probably to 100 BC *The Sacred Books and Early Literature of the East* Charles Francis Horne,1917 Collected Works of Enoch the Prophet Zen Garcia,2017-12-07 With renewed interest in the character of Enoch the prophet I decided to publish in 14 point font not just the R H Charles Oxford translation of the Book of Enoch and the Richard Laurence translation of the Book of the Secrets of Enoch but compile with them such obscure sources as the recently 2005 discovery of the Greek Account of Enoch the Prophet the Aramaic Dead Sea Scroll fragments of 1 Enoch Ogdias the Giant the Manichean Book of the Giants The Midrash of Semhazai and Aza the Kebra Nagast 100 the Armenian Vision Of Enoch The Just the Hebrew Third Book Of Enoch Coptic Apocryphon of Enoch and The Slavonic Two Tablets Of Enoch It is my opinion that providing all of these sources together in one collection would better assist those seeking to understand more completely Enoch his life and involvement with the Watchers and Giants This manuscript better expounds upon the context of the few texts we still have of those he left for us in greater capacity and clearer regard The Book of Enoch ,1925 *Extra Canicals* Leslie John Taylor,2004 Extra Canicals the Holy Apocrapha are Books like Enoch of Jude 14 and Adam and eve the very fulfillment of bible prophecies that Jesus did speak from the beginning Isaiah 48 3 16 1 Jn 2 7 and they have prophecies for all their children which is you who want to survive the second coming of Christ the vision of Christ s Martyr and Ascension by Isaiah a priceless pearl Testaments of the sons of Jacob Their testimonies about the God of Abraham Isaac and Jacob truly sparkle from the richness of their promises There all here with commentaries with concordances straight from the King James Bible Don't miss them for the world *Creation Centered in Christ* Henry Grattan Guinness,1896 **The Book of Enoch** R. H. Charles,W. O. E. Oesterley,2007-01-15 An apocryphal work from the second century B C this volume influenced early Christians particularly the Gnostics and introduced such concepts as fallen angels resurrection and last judgment **Enoch Insights** S N Strutt,2018-04-18 Every chapter of the book of Enoch with commentaries opinions speculations and theories The verses are reproduced together with extensive commentaries references and ideas for follow up ENOCH INSIGHTS gives great insight into the book of Enoch itself which is an ancient book of around 5000 years old and apparently the very first book ever written The book of Enoch was banned for 1000 years during the Dark Ages on the threat of one being burned at the stake Why was it banned Enoch lived in a Prediluvian world where Fallen Angels came down from heaven and were seduced by the most beautiful women who had ever lived The fruit of this forbidden union were the Giants and Titans who became cannibals and devoured mankind Perhaps that is why we find many prediluvian cities underground Were the prediluvian peoples hiding from man eating giants and

other monsters such as dragons dinosaurs and also chimeras of many types How did the chimeras come into existence During his lifespan which reached 365 years old Enoch had many visions and dreams of heaven He also visited hell and other dimensions He prophesied about the entire 7000 year History of mankind from the beginning to the very end with stunning accuracy THE BOOK OF ENOCH Enoch,2011-05-31 The Book of Enoch traditionally ascribed to Enoch the great grandfather of Noah is probably the most notable apocalyptic work outside the canonical Scriptures even though a short section of 1 Enoch 1 En 1 9 is quoted in the New Testament Letter of Jude 1 14 15 It may also be significant that the attribution Enoch the Seventh from Adam is apparently itself a section heading taken from 1 Enoch 1 En 60 8 Jude 1 14a and not from Genesis This book was omitted from the bible by the Bishop s Conference at Nicea currently named Iznik Bursa province Turkey in 325AD for being too revelatory and evocative for the people of the time to comprehend Even so it has survived down the ages While the work is scriptural in nature many modern day fantasy writers have used and continue to use the content of the Book of Enoch as inspiration for their works The Apocalyptic Literature as distinct from the Apocalyptic Movement began to come into existence about the period 200 150 B C and the earliest portions of the Book of Enoch belongs to this period The Book of Enoch is considered as Scripture in the Epistle of Barnabas 16 4 and by many of the early Church Fathers who wrote that the Book of Enoch had been rejected by the Jews because it contained prophecies pertaining to Christ However later Fathers denied the canonicity of the book and some even considered the letter of Jude uncanonical because it refers to an apocryphal work By the 4th century it was mostly excluded from Christian lists of the Biblical canon and it was omitted from the canon by most of the Christian church the Ethiopian Orthodox Church being an exception Works of an Apocalyptic character continued to be written for about three centuries the Second Fourth Book of Esdras one of the most remarkable Apocalypses belongs to the end of the first Christian century approximately There are Apocalypses of later date but the real period of the Apocalyptic Literature is from about 200 B C to about A D 100 its beginnings date therefore from a time prior to that great landmark in Jewish history the Maccab an Era Book of Enoch noah apocalyptic work canonical Scriptures New Testament Jude Enoch the Seventh from Adam Genesis Epistle of Barnabas Church Fathers rejected by the Jews Christ Biblical canon Christian church Ethiopian Orthodox Book of Esdras Jewish history Maccab an Era revelatory explicit terrifying shocking startling

The Apocrypha and Pseudepigrapha of the Old Testament in English ,1913 **The Apocrypha and Pseudepigrapha of the Old Testament, Volume Two** R. H. Charles,Robert Henry Charles,2004 Second only to the Apocrypha the Pseudepigrapha is the most important body of non canonical literature we possess from ancient Judaism These writings shed much light upon theological development between the testaments and provide invaluable historical cultural and spiritual information Contains the Book of Jubilees the Letter of Aristeas the Books of Adam and Eve the Martyrdom of Isaiah 1 Enoch the Testaments of the Twelve Patriarchs the Sibylline Oracles the Assumption of Moses 2 Enoch 2 Baruch 3 Baruch 4 Ezra The Psalms of Solomon 4 Maccabees Pirke Aboth and
