Mavroidis, Michael J. Hahn, *The World Trade Organization* WTO is one of the most important intergovernmental organizations in the world yet the way in which it functions as an organization and the scope of its authority and power are still poorly understood This revised edition provides a complete overview of the law and practice of the WTO The chapters begin with the institutional law of the WTO such as the sources of law and remedies of the dispute settlement system then tackle the principal substantive obligations of the WTO regime including tariffs quotas and MFN **The Law and Practice of Global ICT Standardization** Olia Kanevskaja, 2023-02-16 This book presents a first comprehensive effort to explore the mechanics and fundamentals of global ICT standardization It offers a comprehensive study of legal rules governing ICT standardization systematically analyses governance and institutional features of some most prominent Standards

Development Organizations and presents qualitative empirical evidence on implementation of these rules in practice By evaluating legal and procedural rules in light of current practices and tendencies in the industry the book explores various options available for disciplining ICT standardization from the viewpoint of the applicable legislation judiciary and internal governance rules of Standards Development Organizations and offers practical solutions on how to increase the legitimacy of ICT standards Adding to the previous theoretical approach to the field of standardization from historical legal and political science perspective this book applies theoretical considerations to unexplored scenarios offering a holistic picture of ICT standardization and providing a novel contribution to the field

Customs Unions in the WTO Fabian Bickel, 2021-10-15

How the WTO deals with regional trade agreements RTAs is conceptually and practically one of the most important questions in international trade law This book clarifies that relationship focussing on one form of regional integration customs unions and one form of trade measures anti dumping measures This book answers the question how anti dumping measures and legislation change if a state is in a customs union as well In doing so this book provides a new reasoning why anti dumping measures are modified in customs unions as well as a comprehensive overview of how this has happened a legal analysis on the legality of these changes and an answer to the question how the different institutional settings have impacted questions of responsibility and attribution Going beyond this this book also considers the specific problems that arise in cases of economic integration and disintegration and finally the impact forming a customs union has on third parties that may impose anti dumping measures on states that are members of a customs union

Invitation to the Sociology of International Law

Moshe Hirsch, 2015-11-05 Invitation to the Sociology of International Law aims to cast light on the under explored sociological dimension of international law The book emphasizes that international legal rules are profoundly embedded in diverse social factors and processes such as norms identity and collective memory Thus international law often reflects and affects societal factors and processes in state societies and in the international community The book exposes some central tenets of the sociological perspective and its core theoretical approaches and presents a sociological analysis of several significant topics in present day international law The volume surveys subjects such as compliance international economic law legal fragmentation law making and the impartiality of adjudicators and reveals that a sociological analysis of international law enriches our understanding of social factors involved in the formation evolution and implementation of the law Such analysis may not only explain past and present trends in international law but also bears significant implications for the interpretation of existing legal provisions as well as suggesting better legal mechanisms for coping with contemporary challenges In light of the underlying interrelationships between international law and other social factors this book invites international law specialists to analyse international legal rules in their wider social context and to incorporate sociological tools into mainstream international law scholarship

Struggling With Success: Challenges Facing The International Economy Anne O Krueger, 2012-01-13 Globalization by which is meant the increasing economic interdependence among nations has been a critical ingredient in enabling enormous improvement in mankind's condition While progress has not always been smooth and has not come without dislocation for some the economic policy challenge has been and is to enable the realization of the large potential benefits of globalization while simultaneously reducing the negative side effects and providing safety nets for those whose lives are disrupted in the process This volume focuses on the successes of globalization and some of the main economic policy challenges and solutions that arise to enhance the benefits and lower the costs It covers different aspects of globalization sovereign debt restructuring

development of the financial sector and financial crises in Asia Turkey Brazil etc The final part of the book covers multilateral international organizations namely the World Trade Organization the IMF and the World Bank a *Foreign Investment in the Sultanate of Oman* Moosa Salim Jabir Al Azri,2021-10-11 No detailed description available for Foreign Investment in the Sultanate of Oman *The EU, World Trade Law and the Right to Food* Giovanni Gruni,2018-08-09 In recent years the European Union has developed a comprehensive strategy to conclude free trade agreements which includes not only prominent trade partners such as Canada the United States and Japan but also numerous developing countries This book looks at the existing WTO law and at the new EU free trade agreements with the Caribbean and sub Saharan Africa through the lens of the human right to adequate food It shows how the clauses on the import and export of food included in recent free trade agreements limit the capacity of these countries to implement food security policies and to respect their human rights obligations This outcome appears to be at odds with international human rights law and dismissive of existing human rights references in EU founding treaties as well as in treaties between the EU and developing states Yet the book argues against the conception in human rights literature that there is an inflexible agenda encoded in world trade law which is fundamentally conflictual with non economic interests The book puts forward the idea that the European Union is perfectly placed to develop a narrative of globalisation considering other areas of public international law when negotiating trade agreements and argues that the EU does have the competences and influence to uphold a role of international leadership in designing a sustainable global trading system Will the EU be ambitious enough A timely contribution to the growing academic literature on the relation between world trade law and international human rights law this book imagines a central role for the EU in reconciling these two areas of international law *Research Handbook in International Economic Law* Andrew T. Guzman, A. O. Sykes,2008-01-01 This major new work consists of carefully commissioned original and incisive contributions from leading scholars in the field of international economic law Covering a full range of topics the Handbook provides an accessible treatment of the law in each area as well as a thoughtful synthesis and discussion of related public policy issues from a broadly social science perspective [European Plant Intellectual Property](#) Margaret Llewelyn, Mike Adcock,2006-08-07 This authoritative new work analyses European plant intellectual property rights Whilst the focus of the work is on Europe and in particular the European Patent Convention the Council Regulation on Community Plant Variety Rights and the EU Directive on the Legal Protection of Biotechnological Inventions these provisions are discussed within the context of international legislation including the Agreement on Trade Related Aspects of Intellectual Property Rights TRIPs and the Convention on Biological Diversity It is the first book to look at the impact of plant intellectual property rights on the European plant breeding industry and assess whether recent developments such as the Novartis decision will assist plant breeders from all sectors of plant breeding activities in the production of new plant products In addition to a thorough discussion of the legislation the book includes unique empirical research results obtained by the authors as part of a two year

research project funded by the European Union which surveyed attitudes towards and use of plant intellectual property rights within the European plant breeding community Марракешское соглашение об учреждении Всемирной торговой организации (сборник) Сборник, 2018-03-12 **Международное финансовое право и право Европейского союза: взаимодействие и взаимовлияние** Илья Лифшиц, 2020-08-25 **Tilburg Foreign Law Review** ,2004
