Chakras Easy Guide for Beginners J.D. Rockefeller, 2014-08-02 This book will teach you the meaning and functioning of the main 7 chakras You will understand where they are located in the body the colors that are related to each chakra what they mean and how they relate to your physical and spiritual wellbeing You will also understand how this life current energy represented by the chakras spirals through our bodies grounding us to the Earth plane These energy points that run vertically all the way from the top of your head down to your spine draw in energy and also radiate an energy of vibration as they connect to major organs or glands which are also connected to other body parts that resonate with the same frequency When one chakra center is out of sync it may eventually affect the organs and glands that it is connected to and cause the neighboring chakras connected to it to also go out of sync Therefore to understand and to have balanced chakras will make you happier healthier and more in tune with yourself It will bring harmony to your body and spirit while providing you with a healthier state of consciousness
