The Search for Ultimate Reality Dan Lioy, 2005 In analyzing the intertextuality between the Genesis and Johannine Prologues Dr Lioy maintains that both passages utilize polemical theology to refute distorted views of ultimate reality Furthermore he theorizes that the author of the Johannine Prologue deliberately reflected the structure and themes found in the Genesis Prologue to emphasize that the God man Jesus Christ created all things and is a new spiritual beginning for all who believe in Him Ultimate reality is found through faith in the Son

Paul's Concept of Justification Richard Kingsley Moore, 2015-02-11 The Greek family of words characterizing the doctrine of justification by faith as it is known in English is most prominent in the writings of the Apostle Paul It was this doctrine that lay at the heart of the sixteenth century Reformation Martin Luther and his followers considered it to be at the very center of the gospel Protestants came to understand justification differently from the Catholic Church they had left Instead of the Catholic realist view in which God makes a sinner righteous they came to a forensic understanding by which God as judge declares a sinner righteous During the nineteenth century a third relational view began to emerge it viewed justification as God s gift of a right relationship to a sinner This monograph examines Paul s concept from three perspectives the New Testament data the way the doctrine has developed historically and how the doctrine has been expressed in English translations of the Scriptures The author concludes that it is the relational view that most accurately depicts Paul s concept of justification

kingdom of God in heaven but we pray for it to come on earth Why is the Bible infallible when it s littered with textual contradictions The talking serpent clearly relegates Adam and Eve s story to the realm of tales Since they never existed how could they have committed original sin So how could we inherit it And what did Jesus need to redeem us from It s been almost two thousand years will Jesus ever come back to earth How can Jesus be inside the Eucharist Faith and Reason shows why and how we ve come to believe such oddities The truth will set you free John 8 32 NIV

Truth or Tradition? Les Leno,2014-02-11 Many of us both Christians and non Christians alike hold deeply engrained erroneous beliefs about God Because of the prevalent views of our culture and what we have grown up hearing we often buy into one or more of the false truths that have circulated for centuries Whatever the belief system it determines what we think God is like how we relate to Him how we think He relates to us and how we think salvation works Thus a saving relationship with God and our eternal destiny depend on a belief system solidly based on truth In the light of Scripture Les Leno examines the most basic tenets of Christianity the law obedience sin salvation atonement legalism faith and the gospel to uncover the real truth that lies hidden beneath layers of tradition and misinterpretation As you read this book you will discover a God who loves sinners unconditionally who comes looking for us when we are afraid to be found and who paid the ultimate price to win us back to love and loyalty Perhaps you will meet God for the first time Or maybe your faith in and love for God will be reaffirmed Whatever the case discover for yourself what is Truth or Tradition

Protestant Bible Translation and Mandarin as the National Language of China George Kam Wah Mak,2017-03-06 This book represents the first monograph length study of the relationship between Protestant Bible translation and the development of Mandarin from a lingua franca into the national language of China Drawing on both published and unpublished sources this book looks into the translation publication circulation and use of the Mandarin Bible in late Qing and Republican China and sets out how the Mandarin Bible contributed to the standardization and enrichment of Mandarin It also illustrates that the Mandarin Union Version published in 1919 was involved in promoting Mandarin as not only the standard medium of communication but also a marker of national identity among the Chinese people thus playing a role in the nation building of modern China

The Ministry of Paul the Apostle G. Roger Greene,2019-06-20 Everyone knows the supposed life story of Paul the apostle but then again they may not As it is generally drawn from the book of Acts Paul had a dramatic conversion on the road to Damascus undertook three missionary journeys and returned a final time to Jerusalem He was arrested for creating a riot held prisoner in Caesarea and upon his appeal to Caesar was finally transported to Rome as a prisoner Dotted dashed or colored lines on countless numbers of maps document Paul s three missionary journeys and his journey to Rome as these are commonly discerned in the book of Acts Paul s letters and the book of Acts itself however may tell a different story than the one customarily perceived perhaps a less familiar story but perhaps a more factual one The Ministry of Paul the

Apostle represents a significant paradigm shift for understanding Paul's ministry which involves two major campaigns an ordered awareness of Paul's ministry as far as Illyricum a revision of Paul's Corinthian ministry an historical confirmation of visits to Jerusalem an appropriate ordering and reaffirmation of Paul's letters including Romans 16 as a letter to Ephesus In addition the current study offers a new paradigm for correlation between our sources of Paul's letters and the book of Acts with the development of an underlying source tradition behind Acts The reader is thus invited to participate in a significant re evaluation of Paul's ministry and a proposed solution to a long standing mystery of correlation between Paul's letters and Acts When one travels with Paul one engages in a voyage of discovery This book makes sense of the mystery of Paul's ministry which when properly understood becomes an illuminating foundational window of clarity for sorting out a bewildering multitude of theological formulations of the enigmas of Paul's thought It is through a thorough awareness of the ministry of Paul that one comes to appreciate the contextual nature and depth of Paul's theological thought One comes to a new appreciation of Paul's place in early Christianity relevant even for those who live in a post modern age
