Subhadra Sen Gupta, 2011 A light hearted story that will appeal to teenagers with its breezy language and fun attitude

The Single Person's Cookbook Tony Wilkins, 2007-02-16 A friend told me about a new person he'd invited over for dinner later that night. Since my friend is the world's worst cook and hates cookbooks too complicated and the recipes are never broken down for single serving meals, the task fell to me to help. My suggestions included everything from a roasted chicken to a stir fry. I also told him he could have me prepare the meal for him but do take out or starve. I could help him come up with a few simple recipes he could make himself in 30 minutes or less. While putting together his menu, he asked me a question: Have you ever thought of writing a cookbook? To which I replied, if I did it would be specifically for single people. And as they say, necessity is the mother of invention. The Single Person's Cookbook is written for anyone without a wife, husband, children, or significant other to cook for. Or for anyone needing to impress a date or serve a special someone a great meal because you care. In short, it is for anyone who wants a simple, fast, elegant, low fat, and yes, romantic home cooked meal in minutes. Each chapter will include approximately 5-10 recipes, a piece, and tips to help make the cooking process easier and more enjoyable. Although I have included measurements for these recipes as a frame of reference, I'd like to note that I rarely ever measure anything ever. In creating a simple meal, I find that using the six senses, instinct, being the sixth, are far more important and reliable than a measuring cup. As a single man myself over 40, I'm often aware of the irony of life's little lessons. The blind date that turns out to be your ex-lover's ex-lover. This book will not only be informative from a culinary standpoint but also offers funny little observations about getting through life as a single person of a certain age. Think Sex in the City meets 30 Minute Meals from a gay man's point of view. The book also offers tips on fitness. I went from 232 lbs to 165 lbs in about a year, as well as ways to save money on your food bill. Upcoming books in The Single Person's Cookbook series include **Cooking from your Garden** and **Southern Cooking**. **The Good, the Bad and the Wurst** Geoff Tibballs, 2016-04-14 Sixty extraordinary years of Eurovision from Celine Dion to Dustin the Turkey from Abba to Conchita Wurst, the drag acts, the bad acts, and all the nul points heroes. For 60 years the Eurovision Song Contest has existed in a parallel universe where a song about the construction of a hydro electric power station is considered cutting edge pop, where half a dozen warbling Russian grandmothers are considered Saturday night entertainment, where a tune repeating the word la 138 times is considered a winner, and where Australia is considered part of Europe. During those sixty years we have witnessed scandals in 1957 Denmark's Birthe Wilke and Gustav Winckler enjoyed an outrageously long 13 second kiss because the stage manager forgot to say cut during the live broadcast. We have witnessed national outrage, the 1976 Greek entry was a savage indictment of Turkish foreign policy in Cyprus. But most of all, we have witnessed silly costumes, terrible lyrics, and performers as diverse as Celine Dion and Dustin the Turkey. This book chronicles the 100 craziest moments in the history of Eurovision, the drag

acts the bad acts the nul points heroes and the night in Luxembourg when the floor manager warned the audience not to stand up while they applauded because they might be shot by security forces It captures some of the magic from this yearly event that continues to beguile and bemuse in equal measure The World Cookbook Jeanne Jacob,Michael
