The Truth Terry Pratchett,2008 The truth will out or at least it s going to try to any minute New printing technology means that words just won t obediently stay nailed down like usual They can now be taken apart and used to make other words Which is downright dangerous There s a very real threat of news getting out there Of people finding out what s really going on And the powers that be aren t happy they want that to be far from the truth If they are to call a halt to this madness of free speech they may have to succumb to their despotic tendencies But will they in this brave new world still be able to have the last word Sourcery Terry Pratchett,2004-09 All this books and stuff that isn t what it should all be about What we need is real wizardry All is not well within the Unseen University The endemic politics of the place have ensured that it has finally got what it wished for the most powerful wizard on the disc Which could mean that the death of all wizardry is at hand And the world is going to end depending on whom you listen to Unless of course one inept wizard can take the University s most precious artefact the very embodiment of magic itself and deliver it halfway across the disc to safety

The Wit and Wisdom of Discworld Terry Pratchett, 2007-09-25 For more than two decades Terry Pratchett has been regaling readers with tales of Discworld a flat world balanced on the backs of four elephants which are standing on the back of a giant turtle flying through space It is a world populated by ineffectual wizards and sharp as tacks witches by tired policemen and devious dictators by reformed thieves and vampires who have sworn to drink no blood It is a world that is vastly different from our own except when it isn't Now in *The Wit and Wisdom of Discworld* various nuggets of Pratchett's witty commentary and sagacious observations have been compiled by Pratchett expert Stephen Briggs a man who they say knows even more about Discworld than Terry Pratchett Within these pages you'll find musings on interior decorating It's a fact known throughout the universes that no matter how carefully the colors are chosen institutional decor ends up as either vomit green unmentionable brown nicotine yellow or surgical appliance pink By some little understood process of sympathetic resonance corridors painted in those colors always smell slightly of boiled cabbage even if no cabbage is ever cooked in the vicinity *Equal Rites* Travel Any seasoned traveler soon learns to avoid anything wished on them as a regional speciality because all the term means is that the dish is so unpleasant the people living everywhere else will bite off their own legs rather than eat it But hosts still press it upon distant guests anyway Go on have the dog's head stuffed with macerated cabbage and pork noses it's a regional speciality *The Last Continent* Young men And then there was the young male walk At least women swung only their hips Young men swung everything from the shoulders down You have to try to occupy a lot of space It makes you look bigger like a tomcat fluffing his tail The boys tried to walk big in self defense against all those other big boys out there I'm bad I'm fierce I'm cool I'd like a pint of shandy and me mam wants me home by nine *Monstrous Regiment* Class Old money meant that it had been made so long ago that the black deeds that had originally filled the coffers were now historically irrelevant Funny that a brigand for a father was something you kept quiet about but a slave taking pirate for a great great great grandfather was something to boast of over the port Time turned the evil bastards into rogues and rogue was a word with a twinkle in its eye and nothing to be ashamed of *Making Money* and more Culled from all the Discworld novels *The Wit and Wisdom of Discworld* confirms Pratchett's place in the pantheon of great satirists and proves why the Chicago Tribune has praised his Discworld as entertaining and gloriously funny an accomplishment nothing short of magical

The Truth Terry Pratchett, 2013-10-10 William de Worde is the accidental editor of the Discworld's first newspaper New printing technology means that words just won't obediently stay nailed down like usual There's a very real threat of news getting out there Now he must cope with the traditional perils of a journalist's life people who want him dead a recovering vampire with a suicidal fascination for flash photography some more people who want him dead in a different way and worst of all the man who keeps begging him to publish pictures of his humorously shaped potatoes William just wants to get at THE TRUTH Unfortunately everyone else wants to get at William And it's only the third edition *Equal Rites* Terry Pratchett, 1987 This is part of a set of gift sized editions of Terry Pratchett's Discworld novels Discworld is a flat

planet supported on the backs of four elephants who in turn stand on the back of the great turtle A Tuin as it swims majestically through space *The Wit & Wisdom of Discworld* Terry Pratchett, 2008
