The Yesteryears Me Growing Up:

The Snows of Yesteryear Gregor Von Rezzori, 2012-08-15 Gregor von Rezzori was born in Czernowitz a onetime provincial capital of the Austro Hungarian Empire that was later to be absorbed successively into Romania the USSR and the Ukraine a town that was everywhere and nowhere with a population of astonishing diversity Growing up after World War I and the collapse of the empire Rezzori lived in a twilight world suspended between the formalities of the old nineteenth century order which had shaped his aristocratic parents and the innovations uncertainties and raw terror of the new century The haunted atmosphere of this dying world is beautifully rendered in the pages of *The Snows of Yesteryear* The book is a series of portraits amused fond sometimes appalling of Rezzori's family his hysterical and histrionic mother disappointed by marriage destructively obsessed with her children's health and breeding his father a flinty reactionary whose only real love was hunting his haughty older sister fated to die before thirty his earthy nursemaid who introduced Rezzori to the power of storytelling and the inevitability of death and a beloved governess Bunchy Telling their stories Rezzori tells his own holding his early life to the light like a crystal until it shines for us with a prismatic brilliance *Those Thrilling Yarns of Yesteryear* Carl "Bud" Paepcke, 2024-10-11 In his third in a series of stimulating stories which he likes referring to as his yarns the author paints colorful portraits of real people who have either personally touched his life in some way or simply captured his imagination by the way they lived and what they accomplished in their lifetimes While telling his yarns about these Notable Characters this Marine Corps veteran and retired FBI agent unabashedly professes his sincere love of family his deep pride in American history his steadfast admiration of personal courage and his enduring belief and trust in God *The Hearts of Yesteryear* Vivien Dean, 2016-08-06 Throughout his career actor John Paravati has stuck with what he told the gossip rags he's been in like in lust even in respect once or twice but never love All he's ever cared about is performing If he's stuck now doing commercials for cruise lines at least it's better than shilling adult diapers But Hollywood pretends and John is a master Because once upon a time he loved two things more than anything his best friend Frank and the movie palace he used as sanctuary Over fifty years ago John ran away from his hometown Now someone has restored the theater he left behind and they want John at its relaunch The memories still sting but he agrees to attend even though it means dealing with heartache At seventy seven he's too old to hold onto the hurt The question is however is he too old to start over once it's gone **A Bar on Adly Street** Medhat M Ghabrial, 2022-08-05 It's 1971 Egypt is still reeling from the sudden death of its benevolent tyrant Nasser and teeters on the precipice of Sadat's era of unrelenting Islamization Ghabrial is an engineering graduate student and a TA moonlighting in an office that operates more as a Marxist political and cultural salon conveniently located between a famous cabaret and the Cairo Opera House A frustrated dreamer of bygone eras when poetry and freedoms were sacred he sees the alarming changes happening in front of his eyes altering his reality for good Running parallel to the story of a nation in metamorphosis and turmoil is Ghabrial's troubled love story with Aida his life thirsty 19 year old student Their

relationship is complicated by many factors controlling that junction of history Aida says Who can remember us 50 years from now and who can tell what happened to us The real heroine of the narrative is Cairo of the early seventies with its night lights and escapes alleys and bars especially one underground bar where the misfits of the city find refuge and salvation against a tremulous backdrop of a national unrest above ground A Bar on Adly Street is an unflinching first hand account of an in between generation in 1970s Egypt whose fathers cherished secular democracy and religious tolerance while they faced poverty tyranny fanaticism and corruption It carefully layers strata of a life that examines the circumstances that lead to a nation turning against its defenseless minorities Remnants of Greeks and Italians then Copts and even Muslims not subscribing to the MB s Islamist agenda all reeling under the new norms and the changing world around them leaving them with no choice but to run away from home in droves creating the schism in which the present narrative is at its centre

lioness and ferocious as a leopardess when it comes to caring of their families and the men who loved them These women were strong and a little flirty at times but held strong to their convictions Teaser The year was 1898 Bella and Gappy were my great great grandparents They were slaves on Master Barkley s Plantation in the Southern part of Texas The slaves had just finished a long hard day in the fields and tending the livestock They went home for the evening because the weather seem to be changing quickly The slaves were feeling uneasy about the way the sky looked so they hurried home quickly Once they got home Bella started to make supper in the kitchen Gappy was walking back and forth across the hardwood floor looking out the windows at the sky He was getting a little nervous because the sky started getting real dark and it started to rain The wind started blowing so loud and hard he thought it was going to blow them away We were all getting real scared and started huddling together I told Bella feeling concerned a storm is blowing up and we got to hurry up and get down in the storm cellar before it gets worse The weather started to change outside Bella and Gappy took their child Nerve and gathered things to go down in the storm cellar Bella was pregnant with their second child and had been having stomach pains all day The pains didn t bother her too much because she knew the baby wasn t due for another month We went down in the storm cellar to ride out the storm with other slaves that lived nearby Bella always kept it filled with supplies to last us awhile just for these times Everyone start getting scared and nervous so we huddle up real close together Bella s pains got worse and they started coming closer and closer The storm outside was getting worse and the wind was blowing with a vengeance Bella panting said to Gappy I hope this baby wait till this storm is over before it gets here Breathless She sat in the corner putting her feet up holding her stomach and yelling in pain The women folks put a sheet up with a rope to close

that portion of the cellar off Gappy and the other men pace the floor listening for the baby to cry Some of the men were peeking out the cellar door every now and then looking to see what was going on with the weather outside It was stormy the rain was coming down hard and the wind was blowing so had the men folks had to hold the storm door the keep it closed while looking out One of the slave said shackling said It s got to be a tornado coming wind don t blow that hard for nothing Bella cried out to the other women I thought we had more time before this baby got here Panting It seems her pains were getting closer and the pains were getting harder Gappy said sadly Guess it s time for that baby to make its way into this troubled world we was living in After a long time of waiting Bella started hollering real loud and gave one last push then finally she gave birth to my Great grand momma Red Red will be known as Momma from now on more on that later She started crying and all the men started hoping and hollering with joy She had big brown eyes and black curly hair Everyone forgot about what was going on outside for a minute Before you know it the storm had finally died down We went back to our houses

An eclipse of yesteryear DEEPAK RANJAN,NITESH KUMAR,2017-07-18 My soul longs for oceans of love it longs for sands of devotion purity and for those realms of time where our story was written years ago 2500 B C A conspiracy by the evil Chandaliyan turned the arena where Flavius fought into a deathbed A deceitful blow of the sword from his enemy pierced Flavius chest Murdering Flavius was part of the plan to set in motion another murder that of his son Aryan Alishan mother of Aryan turned herself into a shield to save her son and managed to escape into the dense forest Under the able guidance of Swami Brahmanand Aryan grew to be strong wise and intelligent When his guru left him Aryan was left with no definite goal but just prophecies the first arriving in the form of Ritwi the unimaginably captivating beauty The eclipse of yesteryear had started taking its shape Maybe Chandaliyan was aware of the consequence and because of his fear his mind was conjuring the dark visions Though he was being confronted with the truth he wanted to ignore it But how long could the clouds of yesteryear envelope the rays of the truth What exactly is the eclipse Is it just a nightmare conceived only in dreams as Chandaliyan believed Or there is some secret to be unfolded with the incomplete love

incomplete history that is yet to be written marking the footsteps of those who believe in love humanity and the Almighty
