The Zamlers Last Stand:

The Zamler's Last Stand Matthew Caldwell, 2009-08 Harry Pike was born running uphill extraordinary even within the association of zamlers or luck pushers that were spread between Staten Island and Brooklyn to protect the Jewish community And when Harry and his mother move to Flatbush separating him from his talented friend Abner he realizes that there is another religion in play one that unites the two friends across the great city The religion of baseball So as Harry grows into his abilities his friendship with Abner proves to him that even though he may someday understand the power of the zamlers he may never understand its purpose P 4 of cover

Displays of Belonging Sarah Ellen Zarrow, 2025-06-15 Displays of Belonging illuminates the lives and work of Polish Jewish collectors and museologists who sought to preserve the treasures of the Jewish past while demonstrating Jewish belonging on Polish soil As Jews comfortable in the Polish language and within Polish artistic and academic society they saw themselves as intermediaries between less integrated Jews and the Polish cultural elite At the turn of the century Jewish ethnographers and museum creators staked their claim to belonging to the civic nation though the display of Jewish folk art fine art and Judaica After the First World War the nearly three million Jews in the Second Polish Republic were suddenly challenged with finding a place for themselves in a state that increasingly defined itself as a creation of the ethnic Polish nation to which Jews by many accounts did not belong By tracing emergent documentation and display practices in partitioned Poland and in the interwar Second Polish Republic Sarah Ellen Zarrow offers a better understanding of how integrated Jews identified with Polish culture and history and with non Jewish Poles and how they conceived of negotiated and argued their collective place within Poland This is not a case of assimilation nor of acculturation but rather of displaying a parallel culture that was at once similar and yet distinctive Displays of Belonging offers a nuanced understanding of the multiplicity of ways in which Jews in Poland saw their present and dreamed of their future It places Jewish ethnographic practice and art collection within a Polish context and sheds light on ways in which ideas about belonging and national identity were negotiated in the space of museums

The Lost World of Russia's Jews Abraham Rechtman, 2021-06 In 1913 Abraham Rechtman journeyed through the Russian Pale of Settlement on a mission to record its Jewish folk traditions before they disappeared forever The Lost World of Russia's Jews is the first English translation of his extraordinary experiences originally published in Yiddish documenting a culture best known until now through romanticized works like *Life Is with People* and *Fiddler on the Roof* In the last years of the Russian Empire Abraham Rechtman joined S An sky's Jewish Ethnographic Expedition to explore and document daily life in the centuries old Jewish communities of the Pale of Settlement Rechtman described the key places where Jewish life and death were experienced and connected these sites to local folklore and customary practices Among the many unique contributions of his memoir are riveting descriptions of traditional Jewish healers and exorcists many of them women and their methods and incantations Rather than a nostalgic portrait of an imagined shtetl Rechtman succeeded in producing an intimate account of Jewish life

and death that is highly nuanced and richly detailed *The Lost World of Russia's Jews* powerfully illuminates traditional Jewish life in Eastern Europe on the eve of its transformation and ultimately destruction *Who Will Write Our History?* Samuel D. Kassow, 2011-05-18 In 1940 in the Jewish ghetto of Nazi occupied Warsaw the Polish historian Emanuel Ringelblum established a clandestine scholarly organization called the Oyneg Shabes to record the experiences of the ghetto's inhabitants For three years members of the Oyneg Shabes worked in secret to chronicle the lives of hundreds of thousands as they suffered starvation disease and deportation by the Nazis Shortly before the Warsaw ghetto was emptied and razed in 1943 the Oyneg Shabes buried thousands of documents from this massive archive in milk cans and tin boxes ensuring that the voice and culture of a doomed people would outlast the efforts of their enemies to silence them Impeccably researched and thoroughly compelling Samuel D Kassow's *Who Will Write Our History* tells the tragic story of Ringelblum and his heroic determination to use historical scholarship to preserve the memory of a threatened people *Borderland Generation* Jeffrey Koerber, 2020-02-06 Despite their common heritage Jews born and raised on opposite sides of the Polish Soviet border during the interwar period acquired distinct beliefs values and attitudes Variances in civic commitment school lessons youth activities religious observance housing arrangements and perceptions of security deeply influenced these adolescents who would soon face a common enemy Set in two cities flanking the border Grodno in the interwar Polish Republic and Vitebsk in the Soviet Union *Borderland Generation* traces the prewar and wartime experiences of young adult Jews raised under distinct political and social systems Each cohort harnessed the knowledge and skills attained during their formative years to seek survival during the Holocaust through narrow windows of chance Antisemitism in Polish Grodno encouraged Jewish adolescents to seek the support of their peers in youth groups Across the border to the east the Soviet system offered young Vitebsk Jews opportunities for advancement not possible in Poland but only if they integrated into the predominantly Slavic society These backgrounds shaped responses during the Holocaust Grodno Jews deported to concentration camps acted in continuity with prewar social behaviors by forming bonds with other prisoners Young survivors among Vitebsk's Jews often looked to survive by posing under false identities as Belarusians Russians or Tatars Tapping archival resources in six languages *Borderland Generation* offers an original and groundbreaking exploration of the ways in which young Polish and Soviet Jews fought for survival and the complex impulses that shaped their varying methods *The Book Smugglers* David E. Fishman, 2018-09-04 *The Book Smugglers* is the nearly unbelievable story of ghetto residents who rescued thousands of rare books and manuscripts first from the Nazis and then from the Soviets by hiding them on their bodies burying them in bunkers and smuggling them across borders It is a tale of heroism and resistance of friendship and romance and of unwavering devotion including the readiness to risk one's life to literature and art And it is entirely true Based on Jewish German and Soviet documents including diaries letters memoirs and the author's interviews with several of the story's participants *The Book Smugglers* chronicles the daring activities of a group of poets turned partisans and scholars turned
