Themba Hospital Bursaries:

THE LEGACY OF PRINCE MANGOSUTHU BUTHELEZI Themba Nzimande, 2011-04-08 Many myths and fallacies have surrounded the life of Prince Mangosuthu Buthelezi a man who has played a profound and undeniable role in shaping the history and culture of South Africa for more than half a century Yet even his opponents refer to him as the doyen of South African politics This book chronicles Buthelezi s legacy in South Africa s struggle for liberation It examines his utterances beliefs and warnings to the ANC alliance the apartheid government and the people of South Africa at large In doing so it exposes the myths and challenges the propaganda while forging a clearer picture of the man about whom so much has been written The book considers Buthelezi s principled advocacy of peaceful change when it was fashionable to cry for violence It explores his influential role at the negotiating table at CODESA and reflects on why his vision and commitment could not be ignored by his opponents His active espousal of federalism in direct opposition to the unitary one party state envisioned by the ANC is also investigated Finally the book chronicles Buthelezi s service in the Government of National Unity and the reasons why Presidents Nelson Mandela and Thabo Mbeki entrusted him with running the State more than twenty times over a five year period Through writing this book the author has come face to face with the unique character of Buthelezi from his remarkable leadership skills to his workaholic tendencies Buthelezi s undeniable integrity loyalty faith and wisdom have influenced the making of his legacy which has somehow married liberal values with ubuntu botho a form of African humanism For more than 60 years Buthelezi has carried the torch he inherited from leaders like Dr Pixley ka Isaka Seme Professor ZK Mathews and Inkosi Albert Luthuli This book describes the journey Themba Nzimande holds a degree in political science and public management He has been involved in the politics of the Inkatha Freedom Party since its inception in 1975 and has served on its Central Committee **Report of the Secretary for Health** South Africa.
