Who Loved Women Dorothy Valcarcel, 2006-11 Biblical stories of eighteen New Testament women who Jesus encouraged, empowered and loved. How could a Man who had no wife, no children, no home, no job, no money and wandered the hills of Judea with twelve men relate to women? He knew much less women in the 21st century. That's the question that led author Dorothy Valcarcel to search for biblical women whose lives intersected with Jesus and as she discovered every woman Jesus met faced many of the same challenges women encounter today. In *The Man Who Loved Women* you'll meet Mary trying to raise a perfect child in an imperfect world; Joanna whose Mr Right and his money could not buy her health or happiness; Martha whose busy work distracted her from life's most meaningful moments and many more. **Sacred Scripture** Richard N. Soulen, 2010-02-01 How did the Bible's sixty-six books become sacred Scripture? How have they been understood and interpreted over the last two thousand years? What was it that led to our acceptance of the Bible as the true word of God? For two millennia Christians have accepted the importance of the Bible as sacred Scripture and for as many years they have struggled to comprehend its meaning. Over the centuries the church has expressed the centrality of Scripture in numerous ways and Christians have studied and interpreted the Bible in a wide variety of faithful approaches. Understanding that process is critical to our ability and our willingness to accept the Bible as sacred and true. To that end Richard Soulen leads us through the history of how Christian understandings of the Bible have changed and developed throughout history.

God's Story (Text Only Edition) Matt Searles, 2021-02-19 God's Story is a delight. Those who have never opened a Bible and those who read the Bible every day will return to God's Story again and again. James Robson, Ministry Director, Keswick Ministries. This deeply researched overview of the Bible clearly sets out the grand narrative of scripture. By linking each of its many parts back to the whole, it moves beyond simply retelling biblical stories to help us to see how the Bible remains vitally relevant to our daily lives. Giving historical context and theological insight, this book functions as both an accessible introduction for new readers of the Bible and an effective guide for those looking to grow their understanding of God's word. This is a text only edition. For the full colour edition with over 150 superb images see ISBN 9780745980645 HB EDITION.

Women of Faith and Courage Mary Walker, 2021-01-15 Each of you should use whatever gift you have received to serve others as faithful stewards of God's grace. I Peter 4:10. The women whose stories are in these pages display many exceptional traits. They are wise, dependable, thrifty, energetic and unselfish. They are good wives, mothers, daughters, sisters and friends. Some will stand out in one or more of these spheres while others will shine in different areas. But there is one thing they all have in common: they were all very courageous. How do these women show their courage? Many will exhibit grace under fire. They have a strong presence of mind. They are able to act decisively because they are sure of their convictions. A courageous woman can say I'm sorry and mean it. She is gracious. Courageous women depend on God. They trust Him and accept His will in their lives. They are willing to accept what God gives them in their lives. When they perceive His will, they put their all into the tasks before them. Brave women are willing to take a stand for what they believe. They will draw a line in the sand and not

cross it Unjust powers no matter how fearsome will not deter them from their righteous goals Courageous women also love others They are unselfish They put the needs of others ahead of their own Their confidence in God s call in their lives is high enough to free them to be able to act independently Women of courage will share Christ s gospel of peace forgiveness joy and love with others We live in uncertain times Only the courageous woman will get through the perils holding her head up high In these stories we have examples before us of how a victorious life can be lived Deconstructing Karla Kamstra,2024-10-08 A gentle wise guide for everyone deconstructing their beliefs and struggling with the role of faith in their life As a good Christian Karla Kamstra attended church every Sunday listened to the pastor and committed to functions and activities But no amount of participation could shake her growing sense of spiritual unrest As time went on she realized that she was doing Christianity on autopilot going through the motions but spiritually checked out She finally understood that the rules of the church were keeping God inside a too small box and it was time to let Him out And so Karla embarked upon her sacred journey of deconstruction healing her religious trauma and reclaiming her spirituality Now Rev Karla shares her journey in this wise gentle guide to help anyone struggling with the role of faith in their lives Readers are called to demolish the oppressive patriarchal structure upon which their faith has been built repair what experiences with dysfunctional and destructive religion may have done to them and restore their hearts and souls DECONSTRUCTING will lead readers from silent obedience to sacred empowerment from religious dogma to spiritual freedom from toxic theology to authentic faith For anyone chafing against the confines of church doctrine it s time to release God from the rules *Religion and Healing in America* Linda L.
