Understanding Christian Prophetism in Ghana Today Daniel Nii Aboagye Aryeh, 2019-01-03 The basis for this project is
to verify and determine the extent to which contemporary prophetic ministry in Ghana appropriates prophetism in the early
church Corpus Paulinum and traditional prophetism in Ghana The spirit of prophecy which was believed to have ceased in
Judaism and during the intertestamental period has now been restored at the inauguration of Christianity Notwithstanding
Paul gave stipulations for prophets and prophecy in the church in 1 Corinthians 14 This confirms that prophecy was a
common phenomenon in the early church and Pauline communities Contemporary prophetic ministry in Ghana claimed to
have conformed to Pauline stipulations concerning prophets and prophecy in the church but what is their level of conformity
Contemporary prophetic ministry is becoming popular due to its appeal and compatibility with religious worldviews and its
pragmatic outlook that resonates with the Ghanaian phenomenon of religion As an adherent of the Akan traditional religion

would go to a religious intermediary for ebisa literally to inquire or ask into present or future happenings contemporary prophets have positioned themselves to be agents of ebisa in Ghanaian Christianity This book explores biblical and traditional understandings of prophetism that have influenced contemporary Christian understanding of prophets and prophecy in the church *Reclaiming the Bible from the Enlightened* Doug McNaught,2007-11 Should Christians concede ground as far as the Bible is concerned Do the enlightened experts have a mortgage on the truth or can Christians simply believe the Bible in confidence Reclaiming the Bible from the Enlightened gives each Christian confidence to believe and obey the Bible knowing that they are remaining true to their own God and Saviour We don t have to give ground to unbelievers or feel that our minds are inferior **Journal of Biblical Literature** ,1977 *From Land to Lands, from Eden to the Renewed Earth* Munther Isaac,2015-10-14 The land is an important theme in the Bible It is a theme through which the whole biblical history found in the Old and New Testaments can be studied and analyzed Looking at the land in the Bible from its beginnings in the garden of Eden this publication approaches the theme from three distinct perspectives holiness the covenant and the kingdom Through careful analysis the author recognises that the land has been universalized in Christ as anticipated in the Old Testament and as a result promotes a missional theology of the land that underlines the social and territorial dimensions of redemption *Season of Heartbreak* Mark Gregory Karris,2017-06-27 Simply masterful Dr Tim Clinton president of the American Association of Christian Counselors After a devastating breakup many people are left heartbroken lonely confused even devoid of hope Science proves that the grief of losing a romantic partner is similar to grieving a loved one s death Yet too often friends family and church leaders see these breakups as trivial events So how do we find our way through the uncharted territory of deep grief As a therapist and ordained pastor Mark Karris sees the devastation of heartbreak every day He s experienced the anguish of heartbreak himself and he knows that the pain is anything but trivial Drawing from cutting edge neuroscience and liberating spiritual wisdom Season of Heartbreak moves past platitudes and into action offering hope for true recovery Mark pulls from a variety of spiritual practices including contemplative prayer journaling self compassion an original four step transformational practice and much more Case studies from real clients prove that it is possible to move past the shame anger and hurt and into secure relationships with God our community and ourselves Mark writes in a compelling creative and compassionate style perfect for a right brained metaphor hungry and spiritually thirsty generation Optimistic but never condescending this is an invaluable guidebook to a healthy healing grief process *My Dwelling Place* Deborah L Roeger,2024-04-16 The concept of God s presence is deeply embedded in Christian teaching from God s presence in the Garden of Eden through the hope of God s presence in the New Earth But what does it that mean Many Christians find it difficult to explain what is meant by God s presence We hear of God being especially present in a worship service or of specific places where God s presence is expected by the pilgrims who travel there We know that God s presence was somehow in the tabernacle and will be part of the new earth when Jesus returns It is also taught that God is omnipresent

that is present everywhere and always p But what is God s presence What does it take for Him to dwell among His people and why does it matter In this third volume under the Lost in Translation imprint Deborah Roeger applies her in depth and detailed yet extremely practical approach to Bible study to look at God s presence in its many forms and manifestations from the creation to the restoration of God s creation As she traces God s dwelling presence through the pages of Scripture she looks thoughtfully at what God requires of us so He can be present among us In the process she provides a thematic look at the whole of scripture that can be used as a guide to study other topics with full attention to the overall context of the story we find in Scripture It is the story of God who created for His glory and longs for the restoration of His dwelling presence among His creation This understanding of the broad context will help you put other events in their proper place in the history of God s plan of salvation My Dwelling Place is not just an explanation of biblical terms It is first of all an explanation of what it takes for God to come and dwell among us It is then a call to take up our mission and the gifts God has given us and to learn to practice His presence at all times As in each volume in this series there is a valuable added resource in the appendix discussing how to do word studies and how to use both available tools for Bible study and to take the context of each passage seriously when doing so This study can be read individually but it is especially valuable as a resource for small group study or for a transforming church wide study

Another Kind of Normal Graham Ward,2022-01-13 Every age needs to examine and propose its ways of living ethically Another Kind of Normal Ethical Life II constructs a mode of such living according to the Christian tradition based upon an interpretation of Christ s coming and the relationship of that incarnation to God as the Creator of all things In the second of four volumes Graham Ward explores an Augustinian vision of consonance between divine rhythm and the rhythmic orders of creation On the basis of what Augustine calls the interval it proposes Christ is encountered as riddle scandal and paradox It provides an account of creation as a Trinitarian event that calls for a rethinking of what are the key teachings in Christianity with respect to an understanding of creation as a divine benediction and a theatre for transformation and healing Ward argues through Scriptural exegesis for the omnidirectionality of time as graced rejecting a conception of linear temporality and theologies indebted to that conception Throughout participation in God through our hiddenness in Christ develops an account of the complex relationship between divine and human creativity appealing to music painting poetry drama film architecture and novels

The Genesis of Good and Evil Mark S. Smith,2019-01-01 For centuries the Garden of Eden story has been a cornerstone for the Christian doctrine of the Fall and original sin In recent years many scholars have disputed this understanding of Genesis 3 because it has no words for sin transgression disobedience or punishment Instead it is about how the human condition came about Yet the picture is not so simple The Genesis of Good and Evil examines how the idea of the Fall developed in Jewish tradition on the eve of Christianity In the end the Garden of Eden is a rich study of humans in relation to God that leaves open many questions One such question is Does Genesis 3 4 and 6 taken together support the Christian doctrine of original sin Smiths well informed

close reading of these chapters concludes that it does In this book he addresses the many mysterious matters of the Garden story and invites readers to explore questions of their own

Toward a Catholic Theology of Nationality Dorian Llywelyn, 2010-06-28 Nationality continues to be an important part of how people identify themselves and others Who am I is inseparable from the question Who and what are we Historically many nations have made use of the Bible and Christian notions to understand themselves and to justify their political ambitions Catholic theology however has never elaborated on a systematic treatment of nationality Dorian Llywelyn forges a new approach treating the nation as a form of culture He addresses some key questions How are the religious and national aspects of human identity connected What does Catholic doctrine have to say about nationality and nationalism Is there really such a thing as a Christian nation Is Catholicism compatible with patriotism Llywelyn's wide ranging book introduces the reader to contemporary approaches to nationality nationality national identity nationalism and patriotism Drawing from the insights of sociology history and anthropology he investigates the many ways in which nations and Christianity have intertwined and explores what scripture and twentieth century papal teaching have to say on the matter He provides an original Catholic theology of national belonging one which is based on the implications of the Incarnation Examining popular devotions to the Virgin Mary as national patroness and drawing from the metaphysical acumen of the medieval thinker John Duns Scotus Llywelyn argues for the theological value of nationality and proposes that global community and cultural and national diversity are mutually necessary values

Perishable and Imperishable? W. Tyler Sykora, 2023-08-11 The purpose of this book is to re examine Paul's list of building materials in 1 Cor 3 12 in order to propose that all of the materials should be understood as good and necessary for adequately building in Paul's construction metaphor 1 Cor 3 9 17 Contra the traditional interpretation which argues that the materials should be broken into two groups of three namely three imperishable building materials gold silver and precious stones and three perishable building materials wood hay and stubble Paul's argument concerning the building materials listed in 1 Cor 3 12 is not focused on which materials one uses to build perishable or imperishable but rather how one builds i.e. quality construction with the materials church members one has This reading helps the church and its leaders understand that all the building materials church members are absolutely essential to building of the church It also emphasizes that leaders of the church must seek to build well with the folly of the gospel and not build their ministries upon themselves
