Johannes Botterweck, Helmer Ringgren, 1974 **Theological Dictionary of the Old Testament** G. Johannes Botterweck, Helmer Ringgren, Heinz-Josef Fabry, 1974 Doing for the Old Testament what Kittel Friedrich does for the New this major multivolume reference work discusses in depth all the key Hebrew and Aramaic words of the Old Testament Stressing meaning each word study moves from narrow everyday senses of words toward more significant theological concepts Spanning the Abyss Angel M. Rodriguez, 2008 **Creation Made Free** Thomas Jay Oord, 2010-01-01 Open Theology offers an advantageous framework for engaging the sciences With its emphasis upon creaturely freedom relationality realist epistemology and love Open Theology makes a fruitful dialogue partner with leading fields and theories in contemporary science In Creation Made Free leading proponents of open theism explore natural and social scientific dimensions of reality as these dimensions both inform and are informed by Open Theology Important themes addressed include evolution creation ex nihilo emergence theory biblical cosmology cognitive linguistics quantum theory and forgiveness **The Torah in Matthew** Francois Viljoen, 2018 Jesus relation to the Torah forms a significant motif in Matthew s Gospel This relation is taken up as an important theme in the Sermon on the Mount with its strong Sinai typology and disputes about the Torah are repeated throughout the Gospel Jesus is depicted as the last and greatest expositor of the Torah When reading this Gospel the central role of the Torah must be seriously considered This present study is furthermore relevant in the light of new insights that have developed in recent years on the diversity and dynamics within the Judaism that confronted Matthew This diversity within Judaism is usually related to Judaist attitudes towards the Torah To complicate this oral traditions were strong and lively Questions arose about the status of the written Scriptures and oral traditions and the authority ascribed to these The Matthean community developed within this turmoil of developing Judaism **Biblical Theology of prayer in the Old Testament** Albert J. Coetsee, Francois P. Viljoen, 2023-08-31 Prayer is a major topic within Christian theology The biblical text has various references to various recorded and reported prayers In fact references to prayer are found within the rich diversity of the various books corpora and genres of Scripture As can be expected much has been written about prayer in the biblical text However a comprehensive Biblical Theology dealing with the concept of prayer in Scripture has not been published before and this book intends to fill this gap assuming that such an approach can provide a valuable contribution to the theological discourse on prayer and related concepts This book aims to investigate prayer and its related elements including worship praise thanksgiving adoration petition intercession lament and confession in the Old Testament on a book by book or corpus by corpus basis The investigation follows a Biblical Theological approach reading the Old Testament on a book by book basis in its final form to uncover the Old Testament s overarching theology of prayer understanding the parts in relation to the whole By doing this the discrete nuances of the prayers of the different Old

Testament books and corpora can be uncovered letting the books and corpora speak for themselves In addition the advantage of this approach is that it provides findings that can benefit the modern Christian community and contribute to the practice of Reformed theology in Africa This book is of significant value to scholars It will inspire scholars to think about prayer and use the Bible as the major prayer handbook in their spiritual lives The Wisdom Background and Parabolic Implications of Isaiah 6:9-10 in the Synoptics Donald E. Hartley, 2006 The Wisdom Background and Parabolic Implications of Isaiah 6 9 10 in the Synoptics seeks to understand the divine act of fattening in Isaiah 6 9 10 and how it shapes one's understanding of parables in the Synoptic Gospels The author approaches the topic from within a wisdom matrix and lays an historical exegetical foundation for understanding these and other critical passages in the New Testament Readers will follow the Isaian text through varied traditions revealing a marvelous unity in terms of the divine action and the human condition College and seminary courses focusing on hermeneutics wisdom outside the wisdom corpus and the Synoptic Gospels will find this book innovative challenging and provocative Dreams and Dream Reports in the Writings of Josephus Robert Karl Gnuse, 1996 This volume evaluates the understanding of dreams and the form of dream reports in Josephus writings and it compares Josephan texts with ancient Near Eastern biblical and Hellenistic dream reports to discern Josephus sources of literary inspiration and intellectual assumptions **Dreams and Dream Reports in the Writings of Josephus** Gnuse, 2018-07-17 This volume analyzes the understanding of dreams and the corresponding literary forms used by Josephus in his writings Josephus reports dreams as either auditory message dreams symbolic visual dreams or dream image appearances In this regard he uses the format for auditory and visual dreams found in ancient Near Eastern and biblical texts while his dream image appearance reports show familiarity with traditional Greek modes of reporting dreams Close attention is given to the following topics 1 the development of dream reports in the ancient Near East the Bible and the Hellenistic world 2 Josephus views on dreams and prophecy 3 a formal critical assessment of Josephus dream reports and 4 an evaluation of Josephan dream reports which exhibit a more complex traditional historical development *God the Trinity* Malcolm B. Yarnell, 2016-04-15 Is the Trinity biblical Is it necessary to affirm God as three persons in one being Despite a renewed interest in the Trinity in recent years many Christians including most evangelicals either relegate the Son of God to creaturely status or repudiate the personhood of the Holy Spirit In addition numerous scholars affirm that the doctrine of the Trinity is not clearly revealed in Scripture Is the Trinity merely a philosophical construction or is it essential to orthodox Christianity Drawing on hermeneutics and biblical and historical theology Malcolm Yarnell crafts a careful and clear response to these issues through exegesis of pivotal texts from both testaments He meticulously examines the foundational Hebrew confession known as the Shema Matthew's great commission the divine relations in the Gospel of John Paul's Corinthian benediction the opening hymn of Ephesians and the throne room vision of the Apocalypse Also considered are the relationships of language to revelation and history to metaphysics along with recent appeals to recover patristic exegesis and

the Christian imagination He also challenges the reader to discern the implications of the Trinity for personal salvation as well as corporate worship

The Meaning and Interpretation of Desire in the Bible Samo Skralovnik, 2022-08-23 The term desire in the Hebrew Bible covers a wide range of human longings emotions and cravings The direct and explicit term of desire is nevertheless limited to only two roots found in the Decalogue the verb forms of the lexical roots and which reflect not only the dynamics of desire occurring in human beings but also in God With an comprehensive semantic analysis and an overview of the synonyms and antonyms the author shows that the verb form of the lexical root denotes a variety of needs related to human existence including aspiration for God while the verb form of the lexical root denotes the desire to acquire material wealth and possessions beyond basic needs All the findings are compared on two levels in relation to human beings objects and people and in relation to God and ultimately serve for the interpretation of the roots in both versions of the Decalogue Exod 20 17 and Deut 5 21 to resolve questions concerning the meaning of the desire in Tenth Commandment and substantiate whether the answers to life s questions provided by the Bible correspond to modern society

[Burn for Christ Just . . . Don't Burn Out!](#) Chi Eng Yuan, 2019-04-15 At one time or another all ministers ask the questions or face the challenges of losing their passion for ministry This author contends that the major contributor to a loss of passion or interest in ministry in general is burnout This book consists of two major sections In the first major section chapters 2 through 4 are about our vertical relationship with God in terms of our passion to serve our

spirituality our understanding and practice of rest Sabbath and our compatibility In the second major section chapters 5 through 7 are about our horizontal relationship with others in terms of our confidence our management of conflict with others and our approach to the culture around us A Biblical Theology of Gerassapience Joel A. A. Ajayi,2010 Ancient cultures such as that of the Hebrews commonly associated wisdom with advanced years In A Biblical Theology of Gerassapience the author investigates the validity of this correlation through an eclectic approach including linguistic semantic tradition historical and socio anthropological methods to pertinent biblical and extra biblical texts There are significant variations in the estimation of gerassapience or old age wisdom in each period of ancient Israel s life that is in pre monarchical monarchical and post monarchical Israel Throughout this study appropriate cross cultural parallels are drawn from the cultures of ancient Israel s neighbors and of modern societies such as the West African Yoruba tribe The overall results are bi dimensional On the one hand there are semantic elements of gerassapience such as the elusiveness of wisdom and the mild fluidity of old age Both terms have strong contextual affinity with minimal exceptions Thus the attribution of wisdom to old age is evident but not absolute in the Hebrew Bible Old Testament On the other hand gerassapience is depicted as primarily didactic through direct and indirect instructions and counsels of the elderly fostering the saging fear of Yahweh legacies On the whole socio anthropocentric tendencies of gerassapience that is of making old age a repertoire of wisdom are checked by theological warrants of theosapience Yahwistic wisdom Therefore in the Hebrew Bible the fear of Yahweh is also the beginning of growing old and wise *What's the Truth About Heaven and Hell?* Douglas A. Jacoby,2013-04-01 Recent books about heaven and hell have aroused the interest of committed Christians and curious seekers alike But the wide range of viewpoints has also created confusion and left many people wondering what they are to believe This user friendly guide presents the most popular views on heaven hell purgatory judgment and related topics followed by brief easy to follow analysis Readers will be equipped to make their own well informed decisions about questions like these What happens when we die Where did the idea of purgatory come from Will our bodies be resurrected someday If so does cremation offend God Will unbelievers be judged by God and punished in hell forever Or will they be annihilated What about those who never heard the gospel message This summary of the latest Evangelical teaching and traditional mainstream scholarship provides readers with tools to assess each position in the light of Scripture *All the Genealogies of the Bible* Nancy S. Reading Genesis in Lent Constantin Oancea,2025-11-17 While much has been written about how the Church Fathers used the Bible there are considerably fewer studies on interpreting Scripture in Byzantine liturgical hymns With its innovative approach from the perspective of a biblical scholar this book aims to shed new light on how the first three chapters of the book of Genesis are interpreted in the hymns of Great Lent Each chapter starts by presenting the verses from Genesis and the hymns that refer to them Hymnographers allusions and references to other Old and New Testament passages are highlighted A short commentary introduces readers to the broader biblical context of the verses and the Church Fathers interpretations This is followed by a comprehensive examination of the hymns text focusing on how their authors interpret the verses of Genesis The hymnographers techniques of biblical interpretation including intertextuality the augmentative interpretation of Scripture and the extensive use of metaphors are also discussed The proportion of quotations references allusions or biblical expressions and images that Lenten hymns contain is impressive Liturgical poetry is a complex elevated and exquisite form of biblical interpretation

Jesus as the Fulfillment of the Temple in the Gospel of John Paul M. Hoskins,2007-02-01 This study examines John s portrayal of Jesus as the fulfillment and replacement of the Temple It also shows how a traditional conception of typology can be helpful for understanding the nature of the relationship between Jesus and the Temple Interpreters often associate John 1 14 1 51 2 18 22 and 4 20 24 with Jesus replacement of the Temple Based on these texts one can already begin to see that he fulfills and replaces the Temple in that he is the new locus of God s presence glory revelation and abundant provision for his people In particular John 2 18 22 clearly associates Jesus role as the Temple with his death and resurrection According to Isaiah part of God s decisive action on behalf of his people and for revealing himself to the nations is the lifting up of the Temple above all other temples In John this expectation finds its fulfillment in Jesus John s language of lifting up and glorification marks Jesus death resurrection and exaltation as climactic events through which God lifts up and glorifies Jesus the true Temple Jesus death resurrection and exaltation are also the means by which God provides for his people Jesus offers his flesh and blood for the life of the world and sends the Spirit to enrich believers with the benefits of his sacrificial death In doing so he simultaneously fulfills prophecies and patterns associated with the Passover Feast of Tabernacles Feast of Dedication and the Temple
