Theory Directed Nursing Practice Theory Directed Nursing Practice:

Theory-Directed Nursing Practice Shirley Melat Ziegler, Shirley Ziegler, 2005-04-26 The second edition of this popular textbook continues to demonstrate the application of theory to nursing practice presenting a clear strategy for choosing and applying specific theories to specific clinical situations Each chapter follows a common format a case is presented along with several possible theories that might be applied to it Each theory includes a concise description with references and recommended readings for those who want more in depth coverage Finally one theory is selected for each case and is described in detail ultimately creating a nursing care plan with support from the theory In all nearly 10 middle range theories are presented New to this edition is a selection in each chapter about research supporting the theories discussed In recognition that a case study format can not encompass all practice circumstances the final chapter provides the framework for using the strategy in any clinical situation

Theory-directed Nursing Practice Shirley M. Ziegler, 1993-06-01 The book first describes and then illustrates the use of critical thinking in moving from theory to the actual steps of the nursing process Client cases are presented and competing theories that might be used to direct nursing process are briefly introduced
