Indigenous Notions of Ownership and Libraries, Archives and Museums Camille Callison, Lorie Roy, Gretchen Alice LeCheminant, 2016-07-11 Tangible and intangible forms of indigenous knowledges and cultural expressions are often found in libraries archives or museums Often the legal copyright is not held by the indigenous people s group from which the knowledge or cultural expression originates Indigenous peoples regard unauthorized use of their cultural expressions as theft and believe that the true expression of that knowledge can only be sustained transformed and remain dynamic in its proper cultural context Readers will begin to understand how to respect and preserve these ways of knowing while appreciating the cultural memory institutions attempts to transfer the knowledges to the next generation *Indigenous Archival Activism* Rose Miron, 2024-04-16 Who has the right to represent Native history The past several decades have seen a massive shift in debates over who owns and has the right to tell Native American history and stories For centuries non Native actors have collected stolen sequestered and gained value from Native stories and documents human remains and sacred objects However thanks to the work of Native activists Native history is now increasingly being repatriated back to the control of tribes and communities Indigenous Archival Activism takes readers into the heart of these debates by tracing one

tribe's fifty year fight to recover and rewrite their history Rose Miron tells the story of the Stockbridge Munsee Mohican Nation and their Historical Committee a group of mostly Mohican women who have been collecting and reorganizing historical materials since 1968 She shows how their work is exemplary of how tribal archives can be used strategically to shift how Native history is accessed represented written and most importantly controlled Based on a more than decade long reciprocal relationship with the Stockbridge Munsee Mohican Nation Miron's research and writing is shaped primarily by materials found in the tribal archive and ongoing conversations and input from the Stockbridge Munsee Historical Committee As a non Mohican Miron is careful to consider her own positionality and reflects on what it means for non Native researchers and institutions to build reciprocal relationships with Indigenous nations in the context of academia and public history offering a model both for tribes undertaking their own reclamation projects and for scholars looking to work with tribes in ethical ways

present and future of cross sector approaches to preserving and promoting cultural heritage this volume examines the economic prospects of LAMs from a variety of facets Divided into five sections the book covers the five most important areas in the development and sustainability of collaborative LAM projects the digital environment collaborative models education funding issues and alternate sources of funding Responding directly to the issue of a lack of adequate funding for maintaining and providing access to cultural heritage resources globally the book argues that cultural heritage institutions must seek creative methods for funding and collaboration at all levels to achieve shared goals Economic Considerations for Libraries Archives and Museums will be of interest to all those engaged in the study of library and information science archival studies museum studies and digital preservation Administrators and practitioners will also find much to interest them within the pages of the book

National Parks, Native Sovereignty Christina Gish Hill,Matthew J. Hill,Brooke Neely,2024-03-12 The history of national parks in the United States mirrors the fraught relations between the Department of the Interior and the nation s Indigenous peoples But amidst the challenges are examples of success National Parks Native Sovereignty proposes a reorientation of relationships between tribal nations and national parks placing Indigenous peoples as co stewards through strategic collaboration More than simple consultation strategic collaboration as the authors define it involves the complex process by which participants come together to find ways to engage with one another across sometimes conflicting interests In case studies and interviews focusing on a wide range of National Park Service sites the authors and editors of this volume scholars as well as National Park Service staff and tribal historic preservation officers explore pathways for collaboration that uphold tribal sovereignty These efforts serve to better educate the general public about Native peoples consider new ways of understanding and interpreting the peoples Native and non Native connected to national park lands and recognize alternative ways of knowing and using park lands based on Native peoples expertise National Parks Native Sovereignty emphasizes emotional commitment mutual respect and patience rather than focusing on land back solutions in the cocreation of a socially sensible public lands policy Ultimately it succeeds in promoting the theme of strategic collaboration highlighting how Indigenous peoples assert agency and sovereignty in reconnecting with significant landscapes and how non Native scholars and park staff can incrementally assist Native partners in this process

The Routledge Companion to Practicing Anthropology and Design Jenessa Mae Spears,Christine Z Miller,2024-11-29 The Routledge Companion to Practicing Anthropology and Design provides a comprehensive overview of the history of the relationship between these two fields and their current state outlining key concepts and current debates as well as positing directions for future practice and research Bringing together original work from a diverse group of established and emerging professionals this volume joins a wider conversation about the trajectory of this transdisciplinary movement inspired by the continuing evolution of anthropology and design as they have adapted to accelerating and unpredictable conditions in arenas that span sectors economies socio cultural groups and geographies It homes in on both the growing convergence and tensions between them

while exploring how individuals from both fields have found ways of mixing experimenting and evolving theory and new forms of practice highlighting the experimental theories and practices their transdisciplinarity has generated The Routledge Companion to Practicing Anthropology and Design is a valuable reference tool for practitioners scholars and upper level students in the fields of anthropology and design as well as related disciplines
