

"Never before has the Israeli experience in the Yom Kippur War been so sensitively and intricately documented . . . A seamless, riveting narrative [that is] both compelling and intelligent."
— MICHAEL B. OREN, *The Washington Post Book World*

THE YOM KIPPUR WAR

THE EPIC ENCOUNTER THAT TRANSFORMED THE MIDDLE EAST

ABRAHAM RABINOVICH

The Yom Kippur War The Epic Encounter That Transformed The Middle East

David Rodman

The Yom Kippur War The Epic Encounter That Transformed The Middle East:

The Yom Kippur War Abraham Rabinovich, 2005-10-04 An updated edition that sheds new light on one of the most dramatic reversals of military fortune in modern history The easing of Israeli military censorship after four decades has enabled Abraham Rabinovich to offer fresh insights into this fiercest of Israel Arab conflicts A surprise Arab attack on two fronts on the holiest day of the Jewish calendar with Israel's reserves un mobilized triggered apocalyptic visions in Israel euphoria in the Arab world and fraught debates on both sides Rabinovich who covered the war for The Jerusalem Post draws on extensive interviews and primary source material to shape his enthralling narrative We learn of two Egyptian nationals working separately for the Mossad who supplied Israel with key information that helped change the course of the war of Defense Minister Moshe Dayan's proposal for a nuclear demonstration to warn off the Arabs and of Chief of Staff David Elazar's conclusion on the fifth day of battle that Israel could not win Newly available transcripts enable us to follow the decision making process in real time from the prime minister's office to commanders studying maps in the field After almost overrunning the Golan Heights the Syrian attack is broken in desperate battles And as Israel regains its psychological balance General Ariel Sharon leads a nighttime counterattack across the Suez Canal through a narrow hole in the Egyptian line the turning point of the war

Middle East Conflicts from Ancient Egypt to the 21st Century Spencer C. Tucker, 2019-08-27 With more than 1 100 cross referenced entries covering every aspect of conflict in the Middle East this definitive scholarly reference provides readers with a substantial foundation for understanding contemporary history in the most volatile region in the world This authoritative and comprehensive encyclopedia covers all the key wars insurgencies and battles that have occurred in the Middle East roughly between 3100 BCE and the early decades of the twenty first century It also discusses the evolution of military technology and the development and transformation of military tactics and strategy from the ancient world to the present In addition to the hundreds of entries on major conflicts military engagements and diplomatic developments the book also features entries on key military political and religious leaders Essays on the major empires and nations of the region are included as are overview essays on the major periods under consideration The book additionally covers such non military subjects as diplomacy national and international politics religion and sectarian conflict cultural phenomena genocide international peacekeeping missions social movements and the rise to prominence of international terrorism The reference entries are augmented by a carefully curated documents volume that offers primary sources on such diverse topics as the Greco Persian Wars the Crusades and the Arab Israeli Wars

Israel in the 1973 Yom Kippur War David Rodman, 2016-10-20 The State of Israel faced one of its most difficult challenges during the 1973 Yom Kippur War Though the Israel Defense Forces IDF eventually emerged as the clear victor in the war it suffered serious reverses at the outset of hostilities as well as substantial losses in men and equipment This book revisits the Yom Kippur War by exploring a number of issues that have not previously received the attention they deserve or that would benefit from a

fresh evaluation Among the issues examined are the American Israeli and Jordanian Israeli relationships during the war the roles of Israeli nuclear weapons and airpower the IDF s practice of combined arms warfare the reasons why the IDF turned the tide of the war more quickly on the Golan front than on the Sinai front the impact of American arms transfers and the lessons derived from the war by the United States Army and the IDF This book which relies heavily on government documents and other primary sources of information fills important descriptive and analytical gaps in the academic literature about the Yom Kippur War No other book compares to it in respect of content and interpretation It is in short essential reading for all scholars interested in the diplomatic and military dimensions of the war Twenty Cars that Defined the 20th Century James Morrison,2024-02-02 On the 29 June 1914 Archduke Franz Ferdinand was assassinated in Sarajevo triggering events leading to the outbreak of the First World War Less well known is that the car he was in was a borrowed Graf Stift Double Phaeton that the route was published in advance and the decision to lower the hood was only taken at the last minute As with the other events in this book the car played a central role yet its history is largely unknown These cars not only had their own stories in terms of design ownership and the role they played but they are also a way of telling the story of the events themselves they are literally a vehicle for history In this book James Morrison takes 20 cars involved in twenty key 20th century world events and examines their involvement and history to provide a new angle and fascinating insights

Victory, Defeat, or Draw David Rodman,2020-12-09 Three outcomes are possible on the battlefield victory defeat or draw An adversary may defeat or be defeated by its adversary or neither of the two may emerge victorious or vanquished Observers of military history have long tried to identify the variables that determine victory defeat or draw While most would certainly acknowledge that decisions on the battlefield are dictated by a combination of variables rather than by a lone circumstance many observers nevertheless tend to stress a single variable for example the number of fighting men and fighting machines deployed by the adversaries or the operational doctrines employed by the opposing forces as far more significant to the explanations of these decisions than other variables This book in contrast takes a multicausal approach to the question of victory defeat or draw proposing that a combination of six organizational materiel and environmental variables are pivotal to the explanation of decision on the battlefield Using the extensive history of the Israel Defense Forces the book examines a sample of eight battles across the ArabIsraeli conflict from 1948 to 1982 in order to determine the collective impact of the six variables on the outcomes of these battles concluding that this basket of variables captures much of the explanation behind victory defeat or draw on the battlefield at least insofar as concerns the record of the IDF While the research in this book is aimed primarily at military historians and military practitioners it is fully accessible to any layperson interested in Israeli military history in particular or international military history in general *The Encyclopedia of the Arab-Israeli Conflict* Spencer C. Tucker,Priscilla Roberts,2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military political social cultural and religious origins of the Arab Israeli conflict The Encyclopedia of the

Arab Israeli Conflict A Political Social and Military History is the first comprehensive general reference encompassing all aspects of the contentious Arab Israeli relationship from biblical times to the present with an emphasis on the era beginning with World War I The Encyclopedia of the Arab Israeli Conflict goes beyond simply recapping military engagements In four volumes with more than 750 alphabetically organized entries plus a separate documents volume it provides a wide ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal from the Six Day War to the Camp David Accords from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon

Gender, Imperialism and Global Exchanges Stephan F. Miescher, Michele Mitchell, Naoko Shibusawa, 2015-03-09 Gender Imperialism and Global Exchanges presents a collection of original readings that address gendered dimensions of empire from a wide range of geographical and temporal settings Draws on original research on gender and empire in relation to labour commodities fashion politics mobility and visibility Includes coverage of gender issues from countries in Africa the Americas Europe and Asia between the eighteenth to twentieth centuries Highlights a range of transnational and transregional connections across the globe Features innovative gender analyses of the circulation of people ideas and cultural practices

The Israel-Palestine Conflict Neil Caplan, 2019-09-11 One of the 10 Must Read Histories of the Palestine Israel Conflict Ian Black Literary Hub on the 100th anniversary of the Balfour Declaration The new edition of the acclaimed text that explores the issues continuing to define the Israeli Palestinian conflict Numerous instances of competing sometimes incompatible narratives of controversial events are found throughout history Perhaps the starkest example of such contradictory representations is the decades long conflict between Israel and Palestine For over 140 years Israelis Palestinians and scores of peacemakers have failed to establish a sustainable mutually acceptable solution The Israel Palestine Conflict introduces the historical basis of the dispute and explores both the tangible issues and intangible factors that have blocked a peaceful resolution Author Neil Caplan helps readers understand the complexities and contradictions of the conflict and why the histories of Palestine and Israel are so fiercely contested Now in its second edition this book has been thoroughly updated to reflect the events that have transpired since its original publication Fresh insights consider the impact of current global and regional instability and violence on the prospects of peace and reconciliation New discussions address recent debates over two state versus one state solutions growing polarization in public discourse outside of the Middle East the role of public intellectuals and the growing trend of merging scholarship with advocacy Part of the Wiley Blackwell Contested Histories series this clear and accessible volume Offers a balanced non polemic approach to current academic discussions and political debates on the Israel Palestine conflict Highlights eleven core arguments viewed by the author as unwinnable Encourages readers to go beyond simply assigning blame in the conflict Explores the major

historiographical debates arising from the dispute Includes updated references and additional maps Already a standard text for courses on the history and politics of the Middle East The Israel Palestine Conflict is an indispensable resource for students scholars and interested general readers

The Arab-Israeli Conflict Ian J. Bickerton, 2009-09-15 In this timely volume noted military historian Ian J Bickerton examines this struggle in detail describing its beginnings with the dissolution of the Ottoman Empire following the end of World War I

Israel and the Cold War Howard A. Patten, 2013-02-12 In the wake of its creation in 1948 the state of Israel was confronted with the challenge of establishing foreign relations with key players in the region in the face of opposition from most of the Arab states Howard Patten explores the genesis and development of Israel's foreign relations with Iran Turkey and Ethiopia known as the Policy of the Periphery Highlighting the pragmatism and Realpolitik at the heart of this policy Israel and the Cold War analyses the national interests and mutual concerns which shaped relations and strategy at the United Nations during the critical moments of the establishment of the State of Israel and the following forty years before the ramifications of the Iranian Revolution became apparent During this period Israel made efforts to create pragmatic alliances behind closed doors at the UN even as ambivalence and hostility reigned in the public sphere Patten thus examines the implications that the Cold War system of ideological combat had on these attempts to maintain implicit yet cordial understandings as world events such as the Suez Crisis of 1956 successive crises over Cyprus and the Ethiopian and Iranian Revolutions tested the Policy of the Periphery Israel and the Cold War traces the development of Israel's relations with these three states from their initial beginnings to consolidation then rejection and subsequent efforts to realign Patten highlights the extensive diplomatic and military reverberations that occurred throughout the region and the way in which these were played out at the UN Based primarily on UN documents this book is a vital primary resource for those researching the period in question and the formulation of foreign policy in the Middle East

Israel's National Security Predicament David Rodman, 2023-09-29 This book provides a ground breaking assessment of the Israeli national security experience from the establishment of the country through to the present day Seventy five years after its establishment the State of Israel continues to face an acute national security predicament as a result of the still unresolved Arab Israeli conflict This monograph offers a new framework for analyzing this experience first exploring the crucial events of the past and present that define it including interstate wars asymmetrical wars low intensity conflicts and developments in weapons of mass destruction The book then probes how Israel's evolving national security doctrine has addressed these various challenges over the years highlighting the roles of a number of variables deterrence warning and decision strategic depth and defensible borders the quality and quantity of fighting men and machines intelligence self reliance in military matters foreign policy and the influence of ethnic demography societal resilience economic prosperity and water security Written in accessible non technical language the book will appeal to general readers seeking an introduction to Israeli security as well as to specialists and researchers in various fields including Israeli history

Middle Eastern politics and security studies Jordan and America Bruce Riedel, 2021-09-21 A telling history of one of the most important relationships in the Middle East This is the first book to tell the remarkable story of the relationship between Jordan and the United States and how their leaders have navigated the dangerous waters of the most volatile region in the world Jordan has been an important ally of the United States for more than seventy years thanks largely to two members of the Hashemite family King Hussein who came to power at the age of 17 in 1952 and governed for nearly a half century and his son King Abdullah who inherited the throne in 1999 Both survived numerous assassination attempts wars and plots by their many enemies in the region Both ruled with a firm hand but without engaging in the dictatorial extremes so common to the region American presidents from Eisenhower to Biden have worked closely with the two Hashemite kings to maintain peace and stability in the region when possible The relationship often has been rocky punctuated by numerous crises but in the end it has endured and thrived Long time Middle East expert Bruce Riedel tells the story of the U S Jordanian relationship with his characteristic insight flair and eye for telling details For anyone interested in the region understanding this story will provide new insights into the Arab Israeli conflict the multiple Persian Gulf wars and the endless quest to bring long term peace and stability to the region Hollow Land: Israel's Architecture of Occupation Eyal Weizman, 2012-08-07 Acclaimed exploration of the political space created by Israel s colonial occupation In this journey from the deep subterranean spaces of the West Bank and Gaza to their militarized airspace Eyal Weizman unravels Israel s mechanisms of control and the transformation of the Occupied Territories into an artifice in which all natural and built features function as the instruments of occupation Weizman identifies the ideas behind this phenomenon and traces their development from the influence of archaeology on urban planning Ariel Sharon s reconceptualization of military defense during the 1973 war through the planning and architecture of the settlements to the contemporary Israeli discourse and practice of urban warfare and airborne targeted assassinations In exploring Israel s methods to transform the landscape and the built environment themselves into tools of domination and control Hollow Land lays bare the political system at the heart of this complex and terrifying project of late modern colonial occupation **Restraining Air Power** Robert C. Owen, Lazar Berman, Benjamin S. Lambeth, Forrest E. Morgan, Steven Paget, 2022-11-29 Is it possible for two combatants who possess equally strong air forces to conduct limited warfare by restraining air operations In Restraining Air Power Robert C Owen and contributing authors aim to answer this question by providing theoretical and empirical assessments of restrained air warfare through five historical case studies since 1945 Through an objective analysis of the past this collection evaluates the principles of escalation and escalation management in conventional warfare scenarios to better understand when why and how peer opponents in past conflicts have expanded or restrained air operations The surge in cyber warfare the development of artificially intelligent weaponry and the founding of the United States Space Force in 2019 mean that analysts and military planners must be prepared to think about escalation management and peer conflict in increasingly complicated and arduous

ways This comprehensive study provides readers with refined theoretical visions of the possibilities and challenges of managing escalation as a powerful mode of warfare between opponents who believe they must choose between sacrificing their own national interests or risking escalated destruction of their economies military forces and governing authority The analysis within the pages of this volume updates our understanding of air warfare within a world of unprecedented military complexity and as such will hold immense value for specialists in advanced military studies as well as those studying international relations and history

Hollow Land Eyal Weizman, 2012-08-07 Acclaimed exploration of the political space created by Israel's colonial occupation This new edition of the classic work on the politics of architecture and the architecture of politics appears on the fiftieth anniversary of the Six Day War which expanded Israel's domination over Palestinian lands From the tunnels of Gaza to the militarized airspace of the Occupied Territories Eyal Weizman unravels Israel's mechanisms of control and its transformation of Palestinian homes into a war zone under constant surveillance This is essential reading for those seeking to understand how architecture and infrastructure are used as lethal weapons in the formation of Israel

Israel, History in a Nutshell Hela Tamir, 2017-03-29 Eretz Israel the only democratic state in the Middle East is the focal point of world attention Throughout the world Muslim sponsored radio and television broadcasting companies often give distorted or one sided information while newspapers often print half truths outright lies exaggerated details or rearranged events So where do people get the truth Where are the actual facts written in an easy to read book Israel History in a Nutshell Highlighting the Wars and Military History is a compilation of facts proof of the long and glorious history of the State of Israel It is a tool to refute the lies twisted facts and half truths that are spread daily around the globe This publication not only sheds light on Israel's military history it also gives short biographies of the key role players and much much more This book gives answers to many questions and includes additional interesting facts that will help you understand Israel's history better

Imperialism and Expansionism in American History Chris J. Magoc, David Bernstein, 2015-12-14 This four volume encyclopedia chronicles the historical roots of the United States current military dominance documenting its growth from continental expansionism to hemispheric hegemony to global empire This groundbreaking four volume encyclopedia offers sweeping coverage of a subject central to American history and of urgent importance today as the nation wrestles with a global imperial posture and the long term viability of the largest military establishment in human history The work features more than 650 entries encompassing the full scope of American expansionism and imperialism from the colonial era through the 21st century War on Terror Readers will learn about U S Native American conflicts 19th century land laws early forays overseas for example the opening of Japan and America's imperial conflicts in Cuba and the Philippines U S interests in Latin America are explored as are the often forgotten ambitions that lay behind the nation's involvement in the World Wars The work also offers extensive coverage of the Cold War and today's ongoing conflicts in Iraq Afghanistan Africa and the Middle East as they relate to U S national interests

Notable individuals including American statesmen military commanders influential public figures and anti imperialists are covered as well The inclusion of cultural elements of American expansionism and imperialism for example Hollywood films and protest music helps distinguish this set from other more limited works **Netanyahu vs The Generals** Guy

Ziv,2024-01-18 Benjamin Netanyahu has carefully cultivated a self image as Israel s Mr Security during his decades of political activity His reputation as a security minded leader has resonated with large swathes of the Israeli public enabling him to become Israel s longest serving prime minister Yet the Israeli security community has long questioned Netanyahu s approach to national security The Netanyahu era has seen unprecedented civil military tensions while retired generals and former heads of the Mossad and Shin Bet intelligence agencies some of whom were appointed by Netanyahu have publicly rejected both his leadership and his policies Drawing on interviews with dozens of senior veterans of the Israeli security establishment this book addresses this intriguing paradox It sets out to explain the mutual distrust and intense disagreements between Netanyahu and the security community as well as the underlying reasons behind the Israeli public s inattention to the collective judgment of hundreds of ex generals and former spymasters *Historical Dictionary of the*

Arab-Israeli Conflict P R Kumaraswamy,2015-10-08 Competing Jewish and Arab national claims over the Holy Land form the core of the Arab Israeli conflict thereby transforming it into the most intensely fought struggles in the history of humanity The conflict evokes unparalleled passion and hostility not only among its immediate participants and neighbors but also in the wider international community The involvement of three principal monotheistic religions makes the conflict a truly universal contestation As a result it often contributes to bouts of violence turmoil and terrorism in the Middle East and beyond This second edition of *Historical Dictionary of the Arab Israeli Conflict* covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries important events key personalities official positions of principal states and the UN and other efforts to find a peaceful settlement This book is an excellent access point for students researchers and anyone wanting to know more about this conflict *Combined Arms Warfare in Israeli Military History* David Rodman,2018-12-07 Combined arms warfare CAW the

integration of different arms on the battlefield e g armor infantry artillery aircraft and engineers in order to achieve maximal efficiency there is as old as war itself Every army across both time and space that has engaged in combat has practiced one version or another of CAW whether consciously or otherwise The Israel Defense Forces IDF has been no exception to the rule This book traces the Israeli experience with CAW from the countrys War of Independence in 1947-49 against a coalition of Arab states through Operation Protective Edge in 2014 against a coalition of Hamas led terrorist insurgent groups It describes and analyzes the IDF s practice of CAW in each interstate war IW asymmetrical war AW and low intensity conflict LIC that Israel has fought since the countrys establishment in the mid twentieth century The book also highlights the Israeli approach to CAW in respect of special operations SPEC OPS With no end in sight to the ArabIsraeli conflict and with further

hostilities between Israel and its neighbors virtually assured in the future Combined Arms Warfare in Israeli Military History constitutes an essential addition to the literature about Middle Eastern warfare This book is aimed primarily at the academic and research community but it is fully accessible to anyone with an interest in Israeli military history

The Yom Kippur War The Epic Encounter That Transformed The Middle East Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Yom Kippur War The Epic Encounter That Transformed The Middle East PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Yom Kippur War The Epic Encounter That Transformed The Middle East PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws

and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Yom Kippur War The Epic Encounter That Transformed The Middle East free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Yom Kippur War The Epic Encounter That Transformed The Middle East Books
