The Young Man's Guide William Andrus Alcott, 1834 **The Young Man's Guide** Francis Xavier Lasance, Peter Cölestin Muff, 1946 **The Young Man's Guide** Francis Xavier Lasance, Colestin Muff, 1952 *The Young Man's Guide* William Andrus Alcott, 1850 **The Young Man's Guide**, 1700 **The Young Man's Guide** W. M. . A. Alcott, 2013-12 *The Young Man's Guide* William A. (William Andrus) Alcott, 2018-06-26 *The Young Man's Guide* by William A. William Andrus Alcott

The young are often accused of being thoughtless rash and unwilling to be advised That the former of these charges is in a great measure just is not denied Indeed what else could be expected They are thoughtless for they are yet almost strangers to the world and its cares and perplexities They are forward and sometimes rash but this generally arises from that buoyancy of spirits which health and vigor impart True it is to be corrected let the cause be what it may but we shall correct with more caution and probably with greater success when we understand its origin That youth are unwilling to be advised as a general rule appears to me untrue At least I have not found it so When the feeling does exist I believe it often arises from parental mismanagement or from an unfortunate method of advising The infant seeks to grasp the burning l but the consequent suffering generally restores them to their reason It is only when the parent neglects or refuses to give advice and for a long time manifests little or no sympathy with his child that the habit of filial reliance and confidence is destroyed In fact there are very few children indeed however improperly managed who do not in early life acquire a degree of this confiding inquiring counsel seeking disposition Most persons as they grow old forget that they have ever been young themselves This greatly disqualifies them for social enjoyment It was wisely said He who would pass the latter part of his life with honor and decency must when he is young consider that he shall one day be old and when he is old remember that he has once been young But if forgetfulness on this point disqualifies a person for self enjoyment how much more for that which is social Still more does it disqualify us for giving advice While a lad I was at play one day with my mates when two gentlemen observing us one of them said to the other Do you think you ever acted as foolishly as those boys do Why yes I suppose I did was the reply Well said the other I never did I know I never did We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience [The Young Man's Guide](#) William A. Alcott, 2019-11-22 In *The Young Man's Guide* William A Alcott presents a compelling and meticulously
