The World Today Concepts And Regions In Geography:

The World Today Jan Nijman, Michael Shin, Peter O. Muller, 2020-03-24 In the 8th edition of this market leading title *The World Today* continues to break new ground in the interpretation and teaching of world regional geography. The text explains the contemporary world's geographic realms in terms of their natural environments and human dimensions in a clear and concise fashion. The authors look at the ways people have organized their living space adapted to changing social as well as environmental circumstances and continue to confront forces largely beyond their control ranging from globalization to climate change. This book offers an approach to Geography that meshes theoretical concepts with regional realities. The evolving regional content of the chapters in the 8th edition of *The World Today* reflects the dynamic nature of the world's geography; the changing and growing number of concepts mirror the progress of the discipline and the ongoing introduction of new digital features reflects the instructional possibilities of new technologies. **The World Today** H. J. de Blij, Peter O. Muller, Jan Nijman, 2010-10-04 Anyone interested in learning about geographic concepts will appreciate this concise book that highlights the most important concepts. The fifth edition presents authoritative content, currency, and outstanding cartography. It continues to build on its strength for understanding maps with the help of additional question types. New coauthor Jan Nijman also helps provide a current view of the field. With its up-to-date information and accessible introduction, this book is engaging for any reader. **The World Today** Jan Nijman, 2015-10-26 **The World Today** Jan Nijman, 2016-11-10 This text is an unbound three-hole punched version. Access to WileyPLUS sold separately. *The World Today* Binder Ready Version 7th Edition is the number one bestselling brief World Regional Geography textbook. The seventh edition continues to bring readers geographic perspectives on a fast-changing world through the regional view. Restructured chapters provide a macro review of important physical, cultural, and political characteristics drawing upon up-to-date significant world events and crises. The cartographically superior maps have been updated for the seventh edition to offer an accurate and vast picture of the world. Multi-layer interactive GIA maps have been added to WileyPLUS Learning Space. To complement the extensive map program, the majority of the photos have been taken by our authors during their field research, allowing the student to experience an authentic geographical viewpoint of our world. **The World Today** Harm J. de Blij, Peter O.
