**Diary of Ancient Rites, A Guide For The Serious Practitioner** Melissa Anderson, 2006 Have you ever pondered your beginnings The first religions Diary of Ancient Rites explores this and more Learn herbal and color magic as well as how to call on your gaurdian spirits Not a book of complicated rituals simple everyday magic for practical use *The Wormwood Diaries* James McKnight, 2010-08-27 In the future pharmaceutical companies seize the world s economy by controlling the flow of vaccines to an infected populace A lethal virus was released covertly into the atmosphere by the government and there is but one man brave enough to challenge the official story This man however was biologically engineered by the very company that produced the viral weapon He is part of the human clone project slated to replace all naturally born human beings Branded the 54th in his series the clone feels different from his peers and tries to trace his lineage amongst a world ridden of deception He is watched carefully by the establishment as he is the central figure in a covert operation called Project Shadow As the story unfolds it becomes apparent that Walker 54 is an alter personality of a young boy locked away in an asylum The boy Lindsey Scott copes with the injustices done to him by his father a prominent politician of the 21st Century by living in a futuristic world that he is able to see into by aid of his sickness What will conclude in upcoming novels is that Lindsey s alters are not imaginary as one might think The diverging personalities pass notes to one another in obscure ways and visit one another in dreams Eventually the alters begin to trade worlds with one another as the progenitor to Walker 54 comes to the 21st Century and the world that Lindsey Scott depicts in the Diaries becomes real for us all

**Wormwood** Susan Wittig Albert, 2009 While getting some much needed rest and assisting with some herbal workshops China Bayles stumbles over old secrets in a Kentucky Shaker village after a shocking death occurs during her stay **The Diaries of Ethel Turner** Ethel Turner, 2002 Candid and imaginative in life as well as in literature Ethel Turner s diaries as selected by her granddaughter Phillipa Poole bring her Sydney life in the 1900 s into attractive perspective describing Government House balls and garden parties and the generous gifts brought from the financial success of her books *The Diaries of Kenneth Tynan* Kenneth Tynan, 2002-09-01 One of the publishing sensations of the year Daily Telegraph Packed with scandal and salacious anecdotes about his famous friends and believe me it is premier cru gossip Tatler **The Hong Kong Diaries** Chris Patten, 2022-06-21 The diaries of the last British Governor of Hong Kong published on the 25th anniversary of the handover In June 1992 Chris Patten went to Hong Kong as the last British governor to try to prepare it not as other British colonies over the decades for independence but for handing back in 1997 to the Chinese from whom most of its territory had been leased 99 years previously Over the next five years he kept this diary which describes in detail how Hong Kong was run as a British colony and what happened as the handover approached The book gives unprecedented insights into negotiating with the Chinese about how the institutions of democracy in Hong Kong were belatedly strengthened and how Patten sought to ensure that a strong degree of self government would continue after 1997

Unexpectedly his opponents included not only the Chinese themselves but some British businessmen and civil service mandarins upset by Patten's efforts for whom political freedom and the rule of law in Hong Kong seemed less important than keeping on the right side of Beijing. The book concludes with an account of what has happened in Hong Kong since the handover, a powerful assessment of recent events and Patten's reflections on how to deal with China then and now. *The Harold Nicolson Diaries* Harold Nicolson, 2024-08-29 One of the great 20th century political diaries. Brilliant, riveting stuff. TRIBUNE One stops to marvel at the achievement. Honesty, decency, modesty, magnanimity are stamped on every page as evident as the wit. EVENING STANDARD A tremendous read. SPECTATOR Harold Nicolson was one of the three great political diarists of the 20th century along with Chips Channon and Alan Clark. Nicolson was an MP Conservative 1935-45 who also flirted with Labour after WWII. He had previously been in the Foreign Office and attended the Paris Peace Conference in 1919 and material from this period is included in this new edition for the first time. Nicolson never achieved high office but rarely a day went by when he didn't record what was going on at Westminster. He socialised widely, was married to the poet and author Vita Sackville-West and together they created the famous garden at Sissinghurst. Both were bisexuals and had affairs outside their marriage. This new edition also draws on diary entries and letters previously considered too sensitive for inclusion. The diversity of Harold Nicolson's interests and the irony in his writing make his diary a highly entertaining record of his life and times as well as a document of great historical value. **The Diaries of Sir Ernest Satow, 1921-1926 - Volume Two (1924-1926)** Ian Ruxton (ed.), 2018-10-12 The distinguished diplomat Sir Ernest Satow's retirement began in 1906 and continued until his death in August 1929. From 1907 he settled in the small town of Ottery St Mary in rural East Devon, England. He was very active, serving as a British delegate at the Second Hague Peace Conference in 1907 and on various committees related to church missionary and other more local affairs; he was a magistrate and chairman of the Urban District Council. He had a very wide social circle of family friends and former colleagues with frequent distinguished visitors. He produced two seminal books: *A Guide to Diplomatic Practice* 1917, now in its seventh revised edition and referred to as *Satow*; and *A Diplomat in Japan* 1921. The latter is highly evaluated as a rare foreigner's view of the years leading to the Meiji Restoration of 1868. This book in two volumes is the last in a series of Satow's diaries edited by Ian Ruxton. This is the first ever publication. **Præraphæelite Diaries and Letters** William Michael Rossetti, 1900 **Diaries of Sir Moses and Lady (Judith) Montefiore comprising their Life and Work as recorded in their Diaries from 1812 to 1883** Sir Moses Montefiore, 1890 [Diaries of Sir Moses and Lady Montefiore](#) Sir Moses Montefiore, 1890 **The Diaries of Sir Ernest Mason Satow, 1883-1888: A Diplomat In Siam, Japan, Britain and Elsewhere** Ian Ruxton (ed.), 2016-02-28 These are the edited, i.e. transcribed, annotated and indexed diaries of Sir Ernest Satow 1843-1929 for the six years from the time when he left Japan early in 1883 through his time as Agent and Consul General and subsequent promotion to Minister Resident at Bangkok until his return to London and his request in December 1887 for another posting.
