The Worst Journey In The World Penguin Classics:

The Worst Journey in the World Apsley Cherry-Garrard, 2014-05-25T00:00:00Z In 1910 famous explorer Robert Falcon Scott led the Terra Nova Expedition to the South Pole. The expedition was part scientific and part adventure. Scott wanted to be the first to reach the pole. The expedition was beset by hardship from the beginning and after realizing that they had been beaten to the pole by Roald Amundsen's Norwegian Expedition, the party suffered a final tragedy: the loss of Scott and his companions to the Antarctic cold on their return journey to base camp. *The Worst Journey in the World* is an autobiographical account of one of the survivors of the expedition, Apsley Cherry-Garrard. It is a unique combination of fascinating scientific documentary, adventure novel, and with the inclusion of Scott's final journal entries, a horror story. The journey is peppered throughout with journal entries, illustrations, and pictures from Cherry-Garrard's companions, making it a fascinating window into the majesty and danger of the Antarctic. This book is part of the Standard Ebooks project, which produces free public domain ebooks. *The Worst Journey in the World, Antarctic, 1910-1913* Apsley Cherry-Garrard, 1922. Narrative of Scott's last expedition from its departure from England in 1910 to its return to New Zealand in 1913. *The Worst Journey in the World* Apsley Cherry-Garrard, 1943. *The Worst Journey in the World: new annotated edition* Apsley Cherry-Garrard, 2020-08-03. At the age of twenty-four, Apsley Cherry-Garrard was one of the youngest members of the Terra Nova expedition. This was Robert F. Scott's second attempt to be the first to reach the South Pole. Cherry's application to join the expedition was initially rejected as Scott was looking for scientists, but he made a second application along with a promise of 1,000 equivalent to 103,000 in 2019 towards the cost of the expedition. Rejected a second time, he made the donation regardless. Struck by this gesture and at the same time persuaded by E. A. Wilson, Scott agreed to take Cherry-Garrard as assistant zoologist. The expedition arrived in the Antarctic on 4 January 1911. Scott and four companions eventually attained the pole on 17 January 1912, where they found that a Norwegian expedition led by Roald Amundsen had preceded them by 34 days. Scott's entire party died on the return journey from the pole; some of their bodies, journals, and photographs were found by a search party eight months later. After returning to England, Cherry-Garrard travelled to China and then volunteered to the First World War and commanded a squadron of armoured cars in Flanders. Invalided out in 1916, he suffered from clinical depression as well as ulcerative colitis, which had developed shortly after returning from Antarctica. Although his psychological condition was never cured, the explorer was able to treat himself to some extent by writing down his experiences. In 1922, encouraged by his friend George Bernard Shaw, Cherry-Garrard wrote *The Worst Journey in the World*, his memoir of the incredible 3 years he spent in Antarctica. Over 80 years later, this book is still in print and is often cited as a classic of travel literature, having been acclaimed as the greatest true adventure story ever written. *The Worst Journey in the World* Apsley Cherry-Garrard, 1922. **The Worst Journey in the World** Apsley Cherry-Garrard, 1996-03-01. *The Worst Journey in the World* recounts Robert Falcon Scott's ill-fated expedition to the South Pole. Apsley Cherry-Garrard, the youngest

member of Scott's team and one of three men to make and survive the notorious Winter Journey draws on his firsthand experiences as well as the diaries of his compatriots to create a stirring and detailed account of Scott's legendary expedition. Cherry himself would be among the search party that discovered the corpses of Scott and his men who had long since perished from starvation and brutal cold. It is through Cherry's insightful narrative and keen descriptions that Scott and the other members of the expedition are fully memorialized. *The Worst Journey in the World* Apsley

Cherry-Garrard, 2013-03-06 In 1910 Robert Falcon Scott set out to study penguin eggs in Antarctica on the British Antarctic Expedition known today as the Terra Nova Expedition. He hoped to find an evolutionary link between birds and reptiles. In this book Apsley Cherry-Garrard, the youngest member of the team, reports the unfolding of the expedition, an adventure from which he emerged as the only survivor. He stayed behind to study eggs while Scott and three other members of the team went back into the cold with their sights set on the South Pole. As weeks passed, Cherry-Garrard and his colleagues realized Scott was not going to return. He joined the rescue team to find the tent that housed the explorers' frozen bodies and diaries, resources the author used to write much of this book. Back cover **The Worst Journey in the World** Apsley

Cherry-Garrard, 1965 **The Worst Journey In The World** Apsley Cherry-Garrard, 2023-10-01 *The Worst Journey in the World* by Apsley Cherry-Garrard and Caroline Alexander. An epic tale of Antarctic exploration. *The Worst Journey in the World* tells the story of a harrowing expedition to the South Pole in the early 20th century. Cherry-Garrard's engaging and emotional prose captures the danger and adventure of the journey, while Alexander's insightful and thorough historical research sheds new light on the expedition and its consequences. Key Aspects of the Book *The Worst Journey in the World* Epic Tale of Antarctic Exploration The book provides an epic tale of Antarctic exploration, capturing the danger and adventure of a harrowing journey to the South Pole in the early 20th century. Engaging and Emotional Prose Cherry-Garrard's engaging and emotional prose captures the highs and lows of the expedition, making it a thrilling and inspiring read. Insightful and Thorough Historical Research Alexander's deep historical research sheds new light on the expedition and its impact, enriching our understanding of Antarctic exploration and the challenges faced by early explorers. Apsley Cherry-Garrard was a British explorer and writer who lived in the early 20th century. His works on Antarctic exploration and wilderness survival have contributed significantly to the field of adventure literature and exploration memoirs. Caroline Alexander is an American writer and historian who is known for her works on Antarctic exploration, including *The Endurance*, Shackleton's Legendary Antarctic Expedition. *The Worst Journey in the World* Apsley Cherry-Garrard, 2013-10-21 Published in 1922 by an expedition survivor, this riveting adventure classic recounts Scott's ill-fated expedition to the South Pole. A masterpiece. *The New York Review of Books* *The Worst Journey in the World* Apsley Cherry-Garrard, 2014-06-19 Polar exploration is at once the cleanest and most isolated way of having a bad time, which has been devised. It is the only form of adventure in which you put on your clothes at Michaelmas and keep them on until Christmas and save for a layer of the natural grease of

the body find them as clean as though they were new It is more lonely than London more secluded than any monastery and the post comes but once a year As men will compare the hardships of France Palestine or Mesopotamia so it would be interesting to contrast the rival claims of the Antarctic as a medium of discomfort A member of Campbell s party tells me that the trenches at Ypres were a comparative picnic But until somebody can evolve a standard of endurance I am unable to see how it can be done Take it all in all I do not believe anybody on earth has a worse time than an Emperor penguin Even now the Antarctic is to the rest of the earth as the Abode of the Gods was to the ancient Chaldees a precipitous and mammoth land lying far beyond the seas which encircled man s habitation and nothing is more striking about the exploration of the Southern Polar regions than its absence for when King Alfred reigned in England the Vikings were navigating the ice fields of the North yet when Wellington fought the battle of Waterloo there was still an undiscovered continent in the South This book contains the travel tales of Robert Falcon Scott s last Expedition which in 1910 moved him from England to Antarctica where he died tragically two years later The author Apsley Cherry Garrard was part of the expedition team and along with others he found the captain and others frozen to death The expedition should bring the men of British origin to the South Pole before the Norwegian Roald Asmundsen would reach it but the way turned out to be too hard they hardly managed their daily stint In addition the Antarctica gave them a very hard time particularly the harsh weather conditions This The Worst Journey in the World Apsley Cherry-Garrard,2001 The story of 24 year old Cherry Garrard s experience on Robert Falcon Scott s expedition to the South Pole in 1910 **The Worst Journey in the World** Apsley Cherry-Garrard,2004 The Worst Journey in the World recounts Robert Falcon Scotts ill fated expedition to the South Pole Apsley Cherry Garrardthe youngest member of Scotts team and one of three men to make and survive the notorious Winter Journeydraws on his firsthand experiences as well as the diaries of his compatriots to create a stirring and detailed account of Scotts legendary expedition Cherry himself would be among the search party that discovered the corpses of Scott and his men who had long since perished from starvation and brutal cold It is through Cherrys insightful narrative and keen descriptions that Scott and the other members of the expedition are fully memorialized *The Worst Journey in the World - Scholar's Choice Edition* Apsley Cherry-Garrard,2015-02-17 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We

revised edition as opposed to other scanned printed Optical Character Recognition OCR reproductions 2 Correction of imperfections As the work was re created from the scratch therefore it was vetted to rectify certain conventional norms with regard to typographical mistakes hyphenations punctuations blurred images missing content pages and or other related subject matters upon our consideration Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references However a few of such imperfections which could not be rectified due to intentional unintentional omission of content in the original edition were inherited and preserved from the original work to maintain the authenticity and construct relevant to the work We believe that this work holds historical cultural and or intellectual importance in the literary works community therefore despite the oddities we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole driven by our beliefs We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content HAPPY READING

Worst Journey in the World Apsley Cherry-Garrard,1985 **The Worst Journey in the World (Illustrated Edition)** Apsley Cherry-Garrard,2018-12-20 The Worst Journey in the World is a memoir of the 1910 1913 British Antarctic Expedition led by Robert Falcon Scott It was written by a member of the expedition Apsley Cherry Garrard and has earned wide praise for its frank treatment of the difficulties of the expedition the causes of its disastrous outcome and the meaning if any of human suffering under extreme conditions In 1910 Cherry Garrard and his fellow explorers travelled by sailing vessel the Terra Nova from Cardiff to McMurdo Sound Antarctica The second in command Dr Edward Wilson had a personal goal in Antarctica to recover eggs of the Emperor penguin for scientific study As the bird nests during the Antarctic winter it was necessary to mount a special expedition in July 1911 to the penguins rookery at Cape Crozier Wilson chose Cherry Garrard to accompany him and another crew member across the Ross Ice Shelf under conditions of complete darkness and temperatures of 40 C and below All three men barely alive returned from Cape Crozier with their egg specimens which were stored **The Worst Journey in the World, Antarctica 1910-1913. Complete, Unabridged and Illustrated. Volumes 1 And 2** Apsley

Cherry-Garrard,2011-04-22 Cherry Garrard s The Worst Journey in the World is a gripping account of Scott s expedition gone disastrously wrong This is the original print complete with original Panoramas Maps and Illustrations There is also now a free app The QR code in this book opens an app with stunning photos links to reference books and a full video documentary The app also opens a LIVE CAM at the south pole Herbert Ponting s award winning re enactment is also embedded in the app It is simple to use the QR scanner on your phone which is available free at any app store Just point your phone or tablet at the code and it opens like magic This is not the cheaper smaller budget edition Cherry Garrard was the youngest member of Scott s team the author was later part of the rescue party that eventually found the frozen bodies of Scott and three men who had accompanied Scott on the final push to the Pole Cherry Garrard s account is filled with details of scientific discovery and

anecdotes of human resilience in a harsh environment Each participant in the Scott expedition is brought fully to life Cherry Garrard s recollections are supported by diary excerpts and accounts from other teammates Apsley Cherry Garrard was only 24 when he set out on Scott s ill fated Terra Nova expedition He was the youngest member of the group and for my money the best qualified for the later task of writing the complete story Why The Worst Journey in the World is an awe inspiring adventure told in such a way that you feel the young man s wide eyed wonder as your own Very few novels have gripped and excited me as this book has and far fewer non fiction works Cherry as his friends called him writes with a vigour and attention to detail and drama usually reserved for thrillers The blizzards storms at sea killer whale attacks sub zero temperatures and exhausting struggles with sled dogs ponies and yawning crevasses are vividly depicted By the end of the book you almost feel as though you ve been on the journey with him The you are there phenomenon is something I encounter very seldom in a book This book actually managed to make me cold The Worst Journey in the World is not solely devoted to the adventure and the final tragedy of finding Scott and his men frozen to death Cherry takes time out to comment on the scientific significance of their work in Antarctica of the need for exploration regardless of immediate results and in conclusion of why Scott s return from the Pole ended so bitterly These sections of the work put the adventure into perspective so that not only do you experience the good and bad times with the expedition you learn what ideals drove them and what was at stake with every piece of bad luck Cherry Gerrard was the only survivor of Scott s last journey to the South Pole and was a member of the search party that later discovered the remains of Scott and his comrades
