Theodore Roosevelt for Kids Kerrie Logan Hollihan, 2010-04-28 Theodore Roosevelt's heart was as big as the great outdoors he loved. A sickly undersized boy, he grew into a physically fit energetic man whose courage knew no bounds. Roosevelt hailed from the top of American society but wealth could not shield him from human tragedy. As leader of a young vigorous nation, he steered a middle course between the power brokers of big business and the needs of ordinary working people. A keen student of nature, Roosevelt would protect millions of acres for posterity. He was a writer, ranchman, politician, soldier, explorer, family man, and America's 26th president, the youngest person to ever hold the office. Theodore Roosevelt for Kids brings to life this fascinating man, an American giant whose flaws were there for all the world to see. Twenty-one hands-on activities offer a useful glimpse at Roosevelt's work and times. Readers will create a Native American toy, explore the effects of erosion, go on a modern big game hunt with a camera, and make felted teddy bears. The text includes a timeline, online resources, and reading list for further study. And through it all, readers will appreciate how one man lived a bully's life and made the word his very own.

Time For Kids: Theodore Roosevelt Editors of TIME For Kids, 2005-01-04 Each day was an adventure for President Theodore Roosevelt. When he was a kid, he kept turtles in the bathtub and frogs under his cap. As an adult, he was a cowboy, a river explorer, and a big game hunter. Sometimes he would go on marches through deep puddles and icy rivers just for fun. TIME For Kids Biographies help make a connection between the lives of past heroes and the events of today. When Teddy became president, Americans were looking ahead with excitement to the twentieth century. Teddy's spirit and dreams helped make the United States one of the greatest countries in the world.

[Theodore Roosevelt's Letters to His Children](#) Theodore Roosevelt, 2017-07-24 Most of the letters in this book were written by Theodore Roosevelt to his children during a period of more than twenty years. A few others are included which he wrote to friends or relatives about the children. He began to write to them in their early childhood and continued to do so regularly till they reached maturity. Whenever he was separated from them in the Spanish War or on a hunting trip or because they were at school, he sent them these messages of constant thought and love for they were never for a moment out of his mind and heart. Long before they were able to read, he sent them what they called picture letters with crude drawings of his own illustrations of the written text, drawings precisely adapted to the childish imagination and intelligence. That the little recipients cherished these delightful missives is shown by the tender care with which they preserved them from destruction. They are in good condition after many years of loving usage. A few of them are reproduced on these pages, written at different periods as each new child appeared in the household.
