Theological Hermeneutics and 1 Thessalonians Angus Paddison,2008 **Theological Hermeneutics and 1**

Thessalonians Angus Paddison,2005-05-05 This book proposes a theological reading of 1 Thessalonians making an important response to the increasing demand to relate biblical scholarship more closely to theological concerns Paddison s interpretation adheres very closely to the text and is divided into three parts Part I offers a theological critique of dominant historical critical readings of 1 Thessalonians Part II examines the history of interpretation of 1 Thessalonians focusing on the pre Modern exegesis of Thomas Aquinas and John Calvin Paddison explores what theological exegetes can learn from Thomas Aquinas Lectura and John Calvin s commentary on 1 Thessalonians Aided by the insights of these neglected pre Modern commentators Part III presents a theologically driven interpretation of the letter Theological exegesis is practised as a dialogue with Paul the canon and a plethora of theological voices to elucidate Paddison s central argument that the astonishing subject matter of 1 Thessalonians is God s all powerful hold over death *1 & 2 Thessalonians (Brazos*

Theological Commentary on the Bible) Douglas Farrow,2020-08-18 The Brazos Theological Commentary on the Bible encourages readers to explore how the vital roots of the ancient Christian tradition inform and shape faithfulness today In this volume one of today s leading theologians offers a theological reading of 1 and 2 Thessalonians As with other series volumes this commentary is designed to serve the church providing a rich resource for preachers teachers students and study groups

Christ and the New Creation Matthew Y. Emerson,2013-04-10 In Christ and the New Creation Matthew Emerson takes a fresh approach to understanding New Testament theology by using a canonical methodology Although typically confined to Old Testament theology Emerson sees fruitfulness in applying this method to New Testament theology as well Instead of a thematic or book by book analysis Emerson attempts to trace the primary theological message of the New Testament through paying attention to its narrative and canonical shape He concludes that the order of the books of the New Testament emphasize the story of Christ s inauguration commissioning and consummation of the new creation A

Manifesto for Theological Interpretation Craig G. Bartholomew,Heath A. Thomas,2016-05-10 Recent decades have witnessed a renaissance of theological interpretation Craig Bartholomew coauthor of the bestselling The Drama of Scripture and Heath Thomas bring together a team of specialists to articulate a multifaceted vision for returning rigorous biblical interpretation to the context of the church Developed by the internationally recognized Scripture and Hermeneutics Seminar this book is designed to bring clarity and unity to the enterprise of theological interpretation It positively integrates multiple approaches to interpreting the Bible combining academic rigor with pastoral sensitivity for professors students and church leaders

The Genre of Acts and Collected Biography Sean A. Adams,2013-10-17 It is widely accepted by New Testament scholars that the Gospel of Luke and the Acts of the Apostles probably originated as two parts of one work by a single author In spite of this the books have been assigned to very different genres Luke is traditionally viewed as a biography of Jesus and Acts as

a history of the early church Comparing in detail the structure and content of Acts with the formal features of history novel epic and biography Sean A Adams challenges this division Applying both ancient and modern genre theory he argues that the best genre parallel for the Acts of the Apostles is in fact collected biography Offering a nuanced and sophisticated understanding of genre theory along with an insightful argument regarding the composition and purpose of Acts this book will be of interest to those studying the New Testament Acts genre theory and ancient literature T&T Clark Companion to Atonement Adam J. Johnson, 2017-07-27 The T T Clark Companion to Atonement establishes a vision for the doctrine of the atonement as a unified yet extraordinarily rich event calling for the church's full appropriation Most edited volumes on this doctrine focus on one aspect of the work of Christ for example Girard Feminist thought Penal Substitution or divine violence The Companion is unique in that every essay seeks to both appropriate and stimulate the church's understanding of the manifold nature of Christ's death and resurrection The essays are divided into four main sections 1 dogmatic location 2 chapters on the Old and New Testaments 3 major theologians and 4 contemporary developments The first set of essays explore the inter relationship between the atonement and other Christian doctrines for example Trinity Christology and Pneumatology opening up yet further avenues of inquiry Essays on key theologians eschew reductionism striving to bring out the nuances and breadth of the contribution The same is true of the biblical essays The final section explores more recent developments within the doctrine for example the work of Rene Girard and the ongoing reflection on Holy Saturday The book is comprised of 18 major essays and an A Z section containing shorter dictionary length entries on a much broader range of topics The result is a combination of in depth analysis and breadth of scope making this a benchmark work for further studies in the doctrine **Fullness Received and Returned** Seng-Kong Tan, 2014 Seng Kong Tan argues that human participation in the divine classical theological axiom most notably associated with the Eastern Orthodox tradition is a central theme in the theology of Jonathan Edwards This notion Tan contends is a defining motif for the entire systematic sweep of Edwards's theology and it serves to focus and determine the contours of Edwards's thought Fullness Received and Returned situates Edwards's theology within the folds of the classical theological tradition while arguing that Edwards's is a unique and creative form of Reformed theology *The Ituraeans and the Roman Near East* E. A. Myers, 2010-02-11 The Ituraeans a little known people of late first century BCE Syria Palestine are referred to briefly in a number of early texts notably Pliny Strabo and Josephus and the principality of Ituraea is mentioned in Luke 3:1 There is as yet no consensus among archaeologists as to whether certain artefacts should be attributed to the Ituraeans or not They form a mysterious backdrop to what we know of the area in the time of Jesus which remains obstinately obscure despite the enormous amount of research in recent decades on the historical Jesus and Greco Roman Galilee Through reference to the early texts modern scholarship has contributed to a claim the Ituraeans were an Arab tribal group known mainly for their recurrent brigandage Elaine Myers challenges these presuppositions and suggests a reappraisal of previous interpretations of these texts and the

archaeological evidence to present a more balanced portrait of this ancient people Jesus and God in Paul's Eschatology Larry Joseph Kreitzer, 2015-01-29 This probe into Paul's theology argues that in his eschatological thinking there is a conceptual overlap between Jesus and God. As in several pseudepigraphical texts there is in Paul a certain identification of the roles of God and the messianic figure. Especially in Paul's doctrines of the parousia and the final judgment this overlap features the Old Testament idea of the Day of the Lord. Yahweh becoming transposed into the Day of the Lord Christ. In examining Paul's teaching on the messiah and the Kingdom Kreitzer offers a penetrating analysis of how Paul balanced theocentricity and christocentricity within his eschatology and how the theme of Christ's subordination to God is interjected into his doctrine *The Eschatology of 1 Peter* Kelly D. Liebengood, 2014-02-13 The author of 1 Peter regards Christian suffering as a necessary feature of faithful allegiance to Jesus which precedes the full restoration and vindication of God's people. Much previous research has explored only the cause and nature of suffering. Kelly D. Liebengood now addresses the need for an explanation for the source that has generated this particular understanding. If Jesus truly is God's redemptive agent come to restore His people, how can Christian suffering be a necessary part of discipleship after his coming death and resurrection and what led the author of 1 Peter to such a startling conclusion? Liebengood analyzes the appropriation of shepherd's exodus and fiery trials imagery and argues that the author of 1 Peter is dependent upon the eschatological programme of Zechariah 9-14 for his theology of Christian suffering. This book will interest those studying the New Testament, Petrine theology and early Christianity.

1 and 2 Thessalonians Nijay K. Gupta, 2019-07-23 The study of Paul's Thessalonian letters is enjoying fresh interest today. These texts are considered by many to be amongst the earliest extant Christian documents. They are included in conversations about early Jewish and Christian apocalypticism. New insights are coming from examination of the religious, socio-cultural and political contexts of Roman Thessalonica. And looking back, these letters have played an important role in the development of Christian eschatology. This volume serves as an up-to-date guide to these academic discussions and debates and much more. This volume on 1 and 2 Thessalonians in the Zondervan Critical Introductions to the New Testament series offers a volume-length engagement with subjects that normally only receive short treatments in biblical commentaries or in New Testament Introductions. This volume addresses Authorship, Date, Audience, Socio-Historical Context, Genre, Purpose, Integrity, Textual History, Greek Style, Structure, Argument, Other Critical Issues, Main Interpretive Issues, Reception into the Canon, Selected History of Interpretation, Bibliography.

The Doctrine of Salvation in the First Letter of Peter Martin Williams, 2011-10-13 The prevalence of salvation language in the first letter of Peter has often been acknowledged though rarely investigated in depth. In this book Martin Williams presents an account exploring the concept of salvation in this theologically rich letter. He brings together the disciplines of hermeneutics, New Testament studies and systematic and historical theology in order to explore the language of salvation which resonates within the text. The book also elaborates on a methodological level the segregation which has arisen between biblical studies and theological

studies In doing this Williams identifies a basis for how there can be interaction between these two different viewpoints This book will be a valuable resource for students and scholars interested in the exegesis and theology of 1 Peter the doctrine of salvation and biblical interpretation The Psalms of Lament in Mark's Passion Stephen P. Ahearne-Kroll,2007-10-18

Ahearne Kroll examines the literary interaction between Mark's passion narrative and four Psalms of Individual Lament

The Faithfulness of Jesus the Messiah Walter D. Zorn,2020-10-26 Strange how one little word the Greek word *pistis* can make a profound difference in understanding the Bible *Pistis* is usually translated faith but in different contexts of the New Testament the word can have several other meanings such as faithfulness trustworthiness solemn promise or oath proof or pledge conviction and doctrine of the Christian faith This book will challenge the reader's understanding of Paul's expression *pistis Christou* faith faithfulness of Christ and the use of the *pistis* word group verb noun and adjective throughout the New Testament Given the Old Testament background to this word one will learn how the apostle Paul utilized an obscure phrase from the prophet Habakkuk to refer to a coming Messiah who in turn lived in faithfulness to the Father's will to die on a cross for the sins of the world This book will reveal how the gospel is emphasized throughout the New Testament in terms of the faithfulness of Jesus the Messiah New and fresh interpretations of various texts will challenge the traditional understandings of such texts When a person comprehends *pistis* as God's faithfulness and the Messiah's faithfulness the only human response is *pistis* itself meaning faithfulness as described in Hebrews 11 God is faithful and Jesus is faithful Will he find us faithful **Luke 6:40 and the Theme of Likeness Education in the New Testament** Thomas W.

Hudgins,2014-01-07 What does Jesus mean when he says A disciple is not above his teacher but each disciple after being fully trained will be like his teacher Luke 6:40 This verse has been quoted cited and referenced in vast amounts of Christian education and discipleship literature Nevertheless the verse is nearly untouched in exegetical discussions with the exception of source critical analyses From this verse arises an undeveloped theme in the Gospel of Luke and the New Testament the theme of likeness education Using content analysis methodology Luke 6:40 one of the keystone passages in Christian education literature serves as the starting point for mining out the theme of likeness education in the New Testament This study consists of three concentric areas of investigation 1 Luke 6:40 and its immediate context 2 Luke Acts and 3 the New Testament corpus *Reconsidering Creation Ex Nihilo in Genesis 1* Nathan J. Chambers,2020-11-15 There is a broad consensus among biblical scholars that creation ex nihilo from nothing is a late Hellenistic concept with little inherent connection to Genesis 1 and other biblical creation texts In this book Nathan J Chambers forces us to reconsider the question arguing in favor of reading this chapter of the Bible in terms of ex nihilo creation and demonstrating that there is a sound basis for the early Christian development of the doctrine Drawing on the theology of Augustine of Hippo and Thomas Aquinas Chambers considers what the ex nihilo doctrine means and does in classical Christian dogma He examines ancient Near Eastern cosmological texts that provide a potential context for reading Genesis 1 Recognizing the distance between the

possible historical and theological frameworks for interpreting the text he illuminates how this doctrine developed within early Christian thought as a consequence of the church's commitment to reading Genesis 1 as part of Christian Scripture. Through original close readings of the chapter that engage critically with the work of Jon Levenson, Hermann Gunkel, and Brevard Childs, Chambers demonstrates that far from precluding interpretive possibilities, reading Genesis 1 in terms of creation from nothing opens up a variety of interpretive avenues that have largely been overlooked in contemporary biblical scholarship. Timely and innovative, this book makes the case for a new or recovered framework for reading Genesis 1 that will appeal to biblical studies scholars and seminarians. San Pablo, el Espíritu y las Virtudes Nélica Naveros, 2023-08-15

Poniendo a Pablo dentro del mundo de la época helenista judía y griega, este libro examina su nuevo mensaje sobre la posición preeminente del espíritu en su doctrina sobre las virtudes. La pregunta central es cómo el concepto del espíritu se hace la fuente principal de todas las virtudes cristianas en la vida ordinaria de los judíos y gentiles creyentes y cómo se refleja en sus cartas. El libro examina las siete cartas indiscutibles de Pablo e ilustra la enseñanza fundamental del poder del espíritu en la adquisición de las virtudes y la evitación de los vicios. De hecho, se da un énfasis a las virtudes y vicios reflejados en cada una de las siete cartas. También investiga cómo la vida de los creyentes en la comunidad cristiana fluye del Espíritu recibido de Dios. El libro ofrece al lector un estudio completo del entendimiento del término espíritu en las tradiciones helenista judías y griegas, dando un enfoque a la manera como Pablo usa el lenguaje filosófico en su exhortación ética, un lenguaje que probablemente habría sido común para muchos de sus oyentes gentiles creyentes con el fin de ofrecer un entendimiento persuasivo de su exhortación a la vida virtuosa. Discerning the Spirits André Munzinger, 2007-08-02

How did Paul determine ethical and theological truth? Were all believers expected to be able to discern the spirits? 1 Corinthians 12:10. This 2007 study shows that discernment must be understood against the backdrop of an extensive hermeneutic by which Paul inherently relates ethical and theological knowledge. Understanding the will of God requires noetic and existential transformation; in short, the renewal of the mind. Romans 12:2. Munzinger argues that Paul implies a process of inspiration in which the Spirit sharpens the discerning functions of the mind because the believer is liberated from a value system dominated by status and performance. The love of God enables all believers to learn to interpret reality in a transformed manner and to develop creative solutions to questions facing their communities. For Paul, authentic discernment is linked to a comprehensive sense of meaning. **Doing "the Good" in Paul's Ethical Vision** T. Luke Post, 2023-02-28

Despite the longstanding debate surrounding the relationship between faith and good works in the apostle Paul's writings, no one to date has undertaken a thorough examination of Paul's use of good terminology in ethical contexts. This study seeks to fill this gap by examining Paul's use of and as these terms appear in his undisputed epistles and in 2 Thessalonians. Surveying a wide terrain of exegetical territory, T. Luke Post makes a compelling case that believers doing good is a primary aim of Paul's theological, social, and ethical agenda.
